TENNESSEE DEPARTMENT OF HEALTH (TDH)
Public Health Reporting Registration Training
For more information, contact the Partner Engagement Coordinator

Tennessee Department of Health (TDH) onboarding process for public health reporting begins when a potential trading partner registers their intent to report using the Trading Partner Registration (TPR) system. TPR manages active engagement statuses, generates emails and letters as proof of public health reporting for registered users. TDH has declared readiness to support Promoting Interoperability (PI) Programs for the public health reporting options listed below:

- Electronic Case Reporting **(Eligible hospitals only)**
- Electronic Lab Reporting **(Eligible hospitals only)**
- Cancer Case Reporting (**Eligible professionals only**)
- Immunization Registry Reporting
- Syndromic Surveillance Messaging **(Eligible hospitals w/emergency room)**

Additional public health reporting not include in incentive programs:
- Drug Overdose Reporting (**hospitals only**)

TDH staff will provide registration instructions to help your organization complete the online registration. TPR training is available on the following dates and times:

- Wednesday, March 4th, 11:00 AM-12:00 PM Central Time
- Thursday, March 19th, 9:30 AM-10:30 AM Central Time
- Friday, April 10th, 10:00 AM-11:00 AM Central Time
- Tuesday, May 12th, 11:00 AM-12:00 PM Central Time

You must complete the online registration form to receive the TPR webinar details.If the requested date/time is available you will receive an email invitation with the WebEx details to join the meeting. If you do not receive an email within 3-4 days, please email the TDH Partner Engagement Team at MU.Health@tn.gov. You may also contact the Partner Engagement Team for additional training options or for training questions.

If you would like to learn more about the Public Health Reporting requirements for national Public Health reporting objectives and/or measures in Tennessee visit the TDH Meaningful Use Summary web page.
