| <p>2 I wanted to verify if Ambulance Service Funding is by “Company License” rather than “Company”. For example, our company has two license numbers in Tennessee due to having two 911 contracts.</p> | <p>The funding is per license. So, a company who holds two separate licenses would qualify under each individual license.</p> |
| <p>3 What can this funding be used for?</p> | <p>The grant is for essential purchases. It is up to the recipient to determine what essential purchases are needed and apply accordingly.</p> |

3. **RFA Amendment Effective Date.** The revisions set forth herein shall be effective upon release. All other terms and conditions of this RFA not expressly amended herein shall remain in full force and effect.
