2 If we received a Health Built Environment grant this year, are we eligible to apply for this grant?	Yes. You can still apply as this funding (REACH HBE) is a federally funded program and is different from the state-funded Healthy Built Environments grants program.
3 Where do we submit requested changes to the Sample Grant Contract?	Question #20 of the application ask if there are any terms or conditions in the sample contract the organization cannot accept. You will check yes or no. If you check yes question #21 will ask you to list any terms or conditions that you cannot accept.
4 Can you clarify what is meant by "Subsidies for Individuals" in the restrictions for funds?	In this case, subsidies refers to money or tax breaks to individuals or business to promote a specific cause or policy. If selected for an award, you will submit a grant budget. The Program will review your budget and ensure that only approved line items are in your final contract.
5 Who should letters of support and commitment be addressed to?	Please address them to "Competitive Health."
