DEPARTMENT OF HEALTH**

REQUEST FOR APPLICATION

FOR

MATERNAL VIOLENT DEATHS EVALUATION PROJECT

RFA # 34347-86523

REQUEST FOR APPLICATION

STATE OF TENNESSEE

DEPARTMENT OF HEALTH

I. Introduction:

Maternal Mortality, including those maternal deaths due to violence, continues to be a growing public health problem in Tennessee. In 2017, TDH began a maternal mortality review committee to review all deaths occurring during pregnancy or within a year of pregnancy. In October 2021, Health and Human Services provided TDH with funding to address the prevention of maternal deaths due to violence.

The purpose of this funding is to support the health department to improve data, implement interventions and improve sustainability to prevent violent maternal deaths. Specifically, these funds support the implementation of evidence-based interventions to reduce maternal homicide and suicide deaths. Applicant must be able to demonstrate the ability to monitor and assess the effectiveness of each maternal violent death strategy and activity by creating and implementing an evaluation plan that identifies key questions, stakeholders, indicators, short, medium, and long-term outcome measures and data sources.

When developing a budget for this grant, Applicants must NOT include the following expenses as they are considered **Non-Allowable** Costs by the State:

- Construction, alteration, maintenance of buildings or building space;
- Dues for organizational membership in professional societies;
- Food and drinks;
- Research projects;
- Lobbying;
- Clothing;
- Gift or gas cards;
- Child care services;
- Billable services provided by physicians or other providers conducting medical treatment services;
- Permanent equipment not essential to project implementation (e.g. computers, printers, video monitors, furniture);
- Anything considered medication; and
- Advertising materials and purchase of media time/space that has not been pre-approved by the Tennessee Department of Health.

The State is seeking applications to provide the services outlined in this RFA. The State will offer One grant, \$20,000 per year, up to four years, for a maximum total of \$80,000.00. The project period is expected to begin on October 1, 2022 and will last for 48 months. At this time, no additional funding is expected beyond the 48-month project period.
