Notification of the change of location of the clinical rotation site and program prompted the re-inspection of the VUMC MLS Training Program on October 3, 2024.

All program activities, resources, and operations will occur at the new location. However, the students will continue to spend 6 weeks on the VUMC main campus for lectures and 7 weeks for clinical rotations between Blood Bank, the Stat lab and Phlebotomy.

The P&E Committee reviewed the Laboratory Board Training Program Standards Checklist that was used at the site visit conducted by Sandra Bogard, Board Director and Nina Smith, Board MT Consultant:

- I. Facility, Equipment, Materials (Rule 1200-06-02-.01)
- II. Faculty Requirements (Rule 1200-06-02-.02)
