Date: August 2021

Revised quarterly in accordance with board meeting findings.

Legend: Rules and Regulations of Licensed Practical Nurses Chapter 1000-02-.05 (3)(a)(b)(c)

Initial Approval: If the school is found to meet Board standards, it shall be granted initial approval. This approval will extend through the period of time required for the first group of students to complete the program. Toward the end of this period, another visit group of students to complete the program. Toward the end of this period, another visit will be made and a written report prepared for Board Review.

Full Approval: If the school continues to be operated according to approved plans during the initial approval period, consideration for full approval status will be given. Renewal of full approval is based on reports, conferences, and surveys...

Conditional Approval: Conditional approval may be accorded by the Board to any school whenever the program or conditions within the institution are found to be substandard. 1. The need for major correction of such condition will be brought to the attention of the authorities with a definite period of time in which changes are to be made. 2. This period is in no case to exceed a total of one calendar year. 3. If satisfactory conditions are not amended within the defined period, the Board will remove this school from the approved list.
