APPLICATION INSTRUCTIONS FOR LICENSURE AS AN OSTEOPATHIC PHYSICIAN

Provided below is a checklist for your personal use and convenience containing all the things you must do to receive consideration for issuance of a Tennessee license to practice osteopathic medicine. Do not leave any blanks. If not applicable, type N/A.

1. Complete, have notarized, and mail the application pages 1 through 6.  

2. Complete and mail Attachment 1 to the National Board of Osteopathic Medical Examiners, Inc. If you took a state board medical licensure examination prior to December 1972, complete and mail Attachment 5 to the appropriate state board. All scores must be submitted directly to the Board administrative office from the appropriate entity.

3. Complete and mail Attachment 2 to each institution at which you received postgraduate medical training.

4. Complete and mail Attachment 3 to each state, country, or province in which you hold or have ever held a license to practice any profession.

5. Complete and mail Attachment 4 to your medical school for transcript request.

6. Submit a clear and recognizable current passport type photograph of yourself that shows the full head, face forward from at least the shoulders up. The photograph must be legibly signed.

7. Submit proof of citizenship in the United States or Canada or evidence of being legally entitled to live or work in the United States. (Notarized copies of birth certificates, naturalization papers, H-1 visas, or voter registration are acceptable).

10. Attach to the application a check or money order in the amount of Four Hundred Ten Dollars ($410), payable to the Tennessee Board of Osteopathic Examination.
11. On October 1, 2008, Public Chapter 927 became effective requiring physicians who perform Level II office based surgery to report at the time of initial application, reinstatement or renewal of a medical license. Level II office based surgery means “level II surgery, as defined by the board of medical examiners in its rules and regulations, that is performed outside of a hospital, an ambulatory surgical treatment center, or other medical facility licensed by the Department of health.” The board of osteopathic examinations’ rules regarding office based surgery can be found at: http://www.state.tn.us/sos/rules/1050/1050-02.pdf. Please review these rules carefully if you perform level II procedures in your office. Under Public Chapter 927 you are further required to report certain “unanticipated events” to the board of osteopathic examinations within mandated time frames of the occurrence. To review Public Chapter 927 please go to http://state.tn.us/sos/acts/105/pub/pc0927.pdf. It is imperative that you review this law and adhere to it strictly.

PLEASE ANSWER THE FOLLOWING QUESTIONS. If any answers to the questions in this part are in the affirmative, attach an explanation on a separate sheet. In support of your explanation, the final documents or orders from the issuing states, courts, and/or agencies must be submitted along with this application.

For the purposes of these questions, the following phrases or words have the following meanings:

1. “Ability to practice your profession” is to be construed to include all of the following:
   a. The cognitive capacity to make appropriate clinical diagnoses, exercise reasoned medical judgments, to learn, and keep abreast of medical developments;
   b. The ability to communicate those judgments and medical information to patients and other health care providers, with or without the use of aids or devices, such as voice amplifiers; and
   c. The physical capability to perform professional tasks and procedures required of your profession, with or without the use of aids or devices, such as corrective lenses or hearing aids.

2. “Medical Condition” includes physiological, mental or psychological conditions including, but not limited to: orthopedic, visual, speech and/or hearing impairments, emotional or mental illness, specific learning disabilities, drug addiction, and alcoholism.

3. “Minor Traffic Offense” generally means moving and non-moving violations punishable by fines only and does not include offenses such as driving under the influence or while intoxicated or reckless driving.

4. “Chemical substances” is to be construed to include alcohol, drugs, or medications, including those taken pursuant to a valid prescription for legitimate medical purposes and in accordance with the prescriber's direction, as well as those used illegally.

5. “Currently” does not mean on the day of or even in the weeks or months preceding the completion of this application. Rather it means recently enough so that the use of drugs or alcohol may have an ongoing impact on one's functioning as a licensee or within the past two (2) years.

6. “Illegal use of illicit or controlled substances” means the use of substances obtained illegally (e.g., heroin or cocaine) as well as the use of controlled substances that are not obtained pursuant to a valid prescription or not taken in accordance with the directions of a licensed health care practitioner.

QUESTIONS:

1. Do you currently have any physical or psychological limitations or impairments caused by an existing medical condition which are reduced or ameliorated by ongoing treatment or monitoring, or the field of practice, the setting or the manner in which you have chosen to practice? 

   YES NO

2. Do you currently use any chemical substances which in any way impair or limit your ability to practice your profession with reasonable skill and safety?

   YES NO

   If so, please list: ___________________________________________________________

[If you receive such ongoing treatment or participate in such a monitoring program, the Board will make an individual assessment of the nature, the severity, and the duration of the risks associated with an ongoing medical condition so as to determine whether an unrestricted license should be issued, whether conditions should be imposed, or whether you are not eligible for licensure.]
