No members of any other mental health or medical discipline will qualify as an approved supervisor for L.C.S.W. or L.A.P.S.W. licensure.

Conflict of Interest Supervision - Supervision provided by the applicant’s parents, spouse, former spouse, siblings, children, cousins, in-laws (present or former), step-children, grandparents, grandchildren, aunts, uncles, employees, or anyone sharing the same household shall not be acceptable toward fulfillment of licensure requirements. For the purposes of this rule, a supervisor shall not be considered an employee of the applicant, if the only compensation received by the supervisor consists of payment for actual supervisory hours.
GENERAL INFORMATION

Individuals who do not qualify for licensure at this time are encouraged to complete deficient requirements if you intend to practice as a social worker in Tennessee.

It is the applicant’s responsibility to keep the board notified whenever a change of name or mailing address occurs. Such notification must be in writing and you must reference your profession and the board in your correspondence. Supporting documentation and written request for a name change must state the reason for the change, i.e., marriage, divorce, etc.

Every effort is made to keep you informed, in writing, of the status of your application and to process your application in a timely, efficient manner. Inquiries regarding the status of a file will be responded to in writing. Please refrain from calling the board office to check on the status of your application. It generally takes 4-6 weeks to process an application.

Ann. § 36-5-1301(a), as authorized by 42 U.S.C. § 405(c)(2)(C)(i). The number will be used to verify your identity, to ask questions about your financial responsibility, and for any other purpose allowed by state or federal law. When you provide your social security number on this application and sign the form, you are agreeing that Department of Health may use your social security number in furtherance of federal and state law, for example, to collect delinquent fees.

COMPETENCY INFORMATION

PLEASE ANSWER THE FOLLOWING QUESTIONS. If you answer “yes” to any of the questions in this part, you must supplement your affirmative response with a thorough explanation on a separate page. IN SUPPORT OF YOUR EXPLANATION, THE FINAL DOCUMENTS OR ORDERS FROM THE ISSUING STATES, COURTS, AND/OR AGENCIES MUST BE SUBMITTED ALONG WITH THIS APPLICATION. Additional information may be requested and/or required before a licensure decision may be made.

For the purposes of these questions, the following phrases or words have the following meanings:

1. “Ability to practice your profession” is to be construed to include all of the following:
   a. The cognitive capacity to make appropriate clinical diagnoses, exercise reasoned medical judgments, to learn, and keep abreast of medical developments;
   b. The ability to communicate those judgments and medical information to patients and other health care providers, with or without the use of aids or devices, such as voice amplifiers; and
   c. The physical capability to perform professional tasks and procedures required of your profession, with or without the use of aids or devices, such as corrective lenses or hearing aids.

2. “Medical Condition” includes physiological, mental or psychological conditions including, but not limited to: orthopedic, visual, speech and/or hearing impairments, emotional or mental illness, specific learning disabilities, drug addiction, and alcoholism.

3. "Minor Traffic Offense" generally means moving and non-moving violations punishable by fines only and does not include offenses such as driving under the influence or while intoxicated or reckless driving.

4. “Chemical substances” is to be construed to include alcohol, drugs, or medications, including those taken pursuant to a valid prescription for legitimate medical purposes and in accordance with the prescriber's direction, as well as those used illegally.

5. “Currently" does not mean on the day of or even in the weeks or months preceding the completion of this application. Rather it means recently enough so that the use of drugs or alcohol may have an ongoing impact on one's functioning as a licensee or within the past two (2) years.

6. “Illegal use of illicit or controlled substances” means the use of substances obtained illegally (e.g., heroin or cocaine) as well as the use of controlled substances that are not obtained pursuant to a valid prescription or not taken in accordance with the directions of a licensed health care practitioner.

QUESTIONS: Please respond to ALL questions. If you answer "YES" to any question, please attach a written explanation.

1. Do you currently have any physical or psychological limitations or impairments caused by an existing medical condition which are reduced or ameliorated by ongoing treatment or monitoring, or the field of practice, the setting or the manner in which you have chosen to practice? _______ _______

2. Do you currently use any chemical substances which in any way impair or limit your ability to practice your profession with reasonable skill and safety? _______ _______

3. At any time within the past two years, have you engaged in the illegal use of illicit or controlled substances? _______ _______

(If you receive such ongoing treatment or participate in such a monitoring program, the Board will make an individual assessment of the nature, the severity, and the duration of the risks associated with an ongoing medical condition so as to determine whether an unrestricted license should be issued, whether conditions should be imposed, or whether you are not eligible for licensure.)
4. Are you currently participating in a supervised rehabilitation program or professional assistance program that monitors you to assure that you do not consume alcohol and/or do not engage in the illegal use of illicit or controlled substances?  

5. Have you ever been diagnosed as having or have you ever been treated for pedophilia, exhibitionism, voyeurism or other diagnosis of a predatory nature?

6. Have you ever held or applied for a license, privilege, registration or certificate to practice social work in any state, country, or province, that has been or was ever denied, reprimanded, suspended, restricted, revoked, otherwise disciplined, curtailed, or voluntarily surrendered under threat of investigation or disciplinary action?

7. Have you ever held or applied for a license, privilege, registration or certificate to practice social work in any state, country, or province, that has been or was ever denied, reprimanded, suspended, restricted, revoked, otherwise disciplined, curtailed, or voluntarily surrendered under threat of investigation or disciplinary action?

8. Have you ever applied for or held a state or federal controlled substance certificate that was ever denied, revoked, suspended, restricted, voluntarily surrendered or otherwise disciplined or surrendered under threat of restriction or disciplinary action?

9. Have you ever been convicted (including a nolo contendere plea or guilty plea) of a felony or misdemeanor (other than a minor traffic offense) whether or not sentence was imposed or suspended?
