Date: August 2026 Revised quarterly in accordance with board meeting findings.				
Legend: General Rules and Regulations Governing Nursing 1000-01-.13 (2)(c) (3); 1000-01-.14 (2)				
Initial Approval: When the Board determines that all components and processes are completed and in place, the Board shall grant initial approval and authorize the school of nursing to admit students.				
Full Approval: Phase III - Full Approval of School of Nursing. The Board shall fully approve the school of nursing upon: (a) Completion of Board school of nursing survey visit.; (b) Submission of school of nursing's annual report; (c) Completion of survey report that verifies the school of nursing is in compliance with the Board's nursing education rules; (d) The Board may request periodic reports from the school of nursing.				
Conditional Approval: Conditional Approval. (a) The Board may grant conditional approval when it determines that a school of nursing is not fully meeting approval standards. (b) Upon grant of conditional approval, the school of nursing shall be given a reasonable period of time to submit an action plan and to correct the identified deficiencies.
