Licensee: Jeffrey Dale Watson; APRN 11059 RN 140750, Kingsport, TN
 Violation: Respondent was employed by Paragon Anesthesia as a certified registered nurse anesthetist (CRNA). On December 2, 2025, Respondent was providing anesthesia services at Johnson City Medical Center (JCMC). Respondent was found to be reusing anesthesia circuits, and a laryngoscopy blade Respondent modified. The laryngoscopy blade is a single use blade meant to be disposed after each use. Respondent would "clean" the blade and use the same modified blade on multiple patients. On December 4, 2025, JCMC staff interviewed Respondent about his practice of reusing the disposable laryngoscopy blade for multiple patients. Respondent admitted to the practice and stated it made intubation easier for him. Respondent admitted to altering the blade to his liking. On February 25, 2026, Respondent was interviewed by a Department of Health Investigator regarding the allegations. Respondent admitted to taking home a few packaged laryngoscopy blades, altering the blades, then taking them back to JCMC to use in surgeries. Respondent was unsure of when he first altered one of the laryngoscopy blades but estimated it was in the spring of 2025. Respondent admitted to "cleaning" the blades but not sterilizing the blades. Respondent resigned from Paragon Anesthesia and allowed his Tennessee RN license and TN APRN certificate to expire.
