Embracing Special Children Today, for Independent Citizens Tomorrow

Children's Special Services provides assistance for Tennessee children and youth with special health care needs from birth to 21 years of age whose families meet financial eligibility guidelines. The program consists of two components: care coordination and reimbursement of medical services as a payer of last resort. Visit us at https://www.tn.gov/health/health-program-areas/mch-cyshcn/mch-cyshcn-css or call (615) 741-7353 for more information.
