AMBULATORY SURGICAL TREATMENT CENTER
CHANGE OF OWNERSHIP PROCEDURES

1. Submit a notarized application along with the appropriate fee and a letter of intent 60 days prior to the anticipated Change of Ownership (CHOW) to the address at the bottom of the application. The letter of intent should include the name of the facility, the name of the seller/lessee of the facility, acknowledgment by the seller/lessee authorizing the sale or lease of the facility’s operations and the projected date of the CHOW. Submission of a CHOW application indicates the acquisition and sale/lease of the entire facility operations including the associated license.

2. A letter will be sent acknowledging the receipt of the application, fee and notice of intent. Once the change of ownership has occurred and you receive the closing documents, you will need to send a copy of the bill of sale or the documents, including lease of operations agreements, that indicate that you are now the owner or lessee of the facility to:

   Office of Health Care Facilities
   665 Mainstream Drive, Second Floor
   Nashville, Tennessee  37243

3. This office will notify the regional office in your area to request their recommendation for the intended CHOW. The regional office will review the facility file to determine if a survey has been conducted within the previous fifteen (15) months with no outstanding deficiencies, and secondly to determine survey performance history including both scheduled and complaint surveys. If a survey has been conducted in the last fifteen (15) months and the facility’s survey history including complaint surveys is satisfactory, a form recommending approval of the CHOW will be submitted to the central office in Nashville. If a survey has not been conducted within the previous fifteen (15) months or any complaint(s) rising to the level of a detriment to the health, safety, and welfare of the residents of the facility has been reported then; an on-site survey of the facility will be conducted. The regional office will not recommend approval of the CHOW, until an on-site survey is conducted with substantial compliance and/or deficiencies from either this on-site survey or a previous survey are corrected. The applicant/buyer will be notified by the regional office, if an onsite survey is necessary.

4. Once the recommendation is received in the central office from the regional office, a letter will be forwarded to you initially approving the CHOW pending the completion and submission of the final bill of sale (closing document(s)). The effective date of the CHOW will be the date of the closing document(s) is signed and dated by the seller/buyer or lessee; or the date the regional office recommends approval of the CHOW, if occurring after the closing date. The application will then be presented to the Board for Licensing Health Care Facilities at the next regularly scheduled board meeting for ratification. If the Board ratifies the approval of the CHOW the license number listed above will become your permanent license number and a letter will be forwarded to you within three working days notifying you of the Board’s final decision. You should receive your wall license within seven (7) to ten (10) business days thereafter.

5. If the Board does not ratify the initial approval of the CHOW, that initial authorization shall cease to be effective. A letter will be mailed to you providing an explanation and specific instructions as to any actions you may take to have the decision reviewed.
