

Who we are and what we do:

The mission of the Tennessee Department of Health is to protect, promote and improve the health and prosperity of people in Tennessee.

Our vision is to be a recognized and trusted leader, partnering and engaging to accelerate Tennessee to one of the nation's ten healthiest states.

The Division of Laboratory Services' mission is to provide quality testing services through innovation, collaboration, and education that protects and improves the health of all.

Pursuant to the State of TN's policy of non-discrimination, the State of Tennessee does not discriminate on the basis of race, sex, religion, color, national or ethnic origin, sexual orientation, age, disability, or military services in its policies, or in the admission of, access to, treatment, or employment in its programs, services, or activities.

TN Laboratory Services

Public Health Laboratory Manager 1, Clinical

Department of Health, Division of Laboratory Services (DLS)
Salary Range: \$54,120-\$86,604

Job Overview:

- Responsible for routine laboratory work of considerable difficulty, as it relates to clinical, microbiological and/or molecular areas.
- Supervisory work of routine difficulty.
- Performs other tasks as required.

Distinguishing Features:

- This is the first supervisory class in the PH Laboratory Manager series.
- An employee in this class performs supervisory work of routine difficulty and of smaller scope and complexity.
- This class differs from the PH Laboratory Manager 2 in that an incumbent of the latter performs supervisory work of average difficulty and greater scope and complexity.

Minimum Qualifications:

- **MUST** be [licensed](#) as a [Medical Laboratory Supervisor or Medical Laboratory Director by the Tennessee Department of Health](#).

Required Experience:

- **One year** of full-time, professional work experience in the Clinical Laboratory field.
**Graduate course work received from an accredited college or university may substitute for the required experience on a year-to-year basis to a maximum of one year (e.g. 24 graduate semester hours or 36 graduate quarter hours may substitute for one year of the required experience).*
