Knoxville Regional Laboratory  
Attn: George Dizikes Ph.D., Lab Director  
2101 Medical Center Way  
Knoxville, TN 37920

**CLIA 44D0659252**

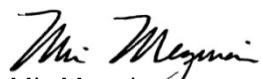

To Whom It May Concern:

The records in this office indicate that the laboratory at the above address is currently certified under the Clinical Laboratory Improvement Amendments (CLIA) program and has been assigned the above identification number. Under this number this facility may perform laboratory tests which are subject to CLIA and for which it is currently certified.

Information in the CLIA data system indicates that this laboratory certification expires on **09/30/2022**, and is for a **Certificate of Compliance**.

You may submit this letter as proof that you continue to participate in the CLIA program. Inquiries to this office concerning your participation in the CLIA program are welcome, using any of the contact methods below. When you do, please include your CLIA laboratory registration number on any correspondence with this office. It will expedite any reply.

Sincerely,

  
Mic Meguiar  
CLIA Certification
