

Parent Survey

As a parent of a teen (10-18 years old), which topics related to healthy relationships and dating violence prevention would you like your child to receive from a health educator?

Important!

(1) Your answers will help inform community members about parental support of dating violence prevention for young people in your community and across the state of Tennessee. By answering the survey questions, you are agreeing to allow the University of Tennessee to collectively use your answers for this purpose.

(2) Your answers are completely **anonymous**.

(3) You may **skip any questions** you do not want to answer.

Please answer these questions to tell us a bit about yourself.
