Re: Request for Suspension of License: Clarksville Imaging Center (Outpatient Diagnostic Center License Number: 00000014)

Dear Ms. Reed:

I write on behalf of my client, Clarksville Imaging Center, LLC (the “Company”). The Company owns Clarksville Imaging Center, an outpatient diagnostic center located at 2320 Wilma Rudolph Blvd., Clarksville, TN 37040 (the “Center”). The Center holds the above-referenced Outpatient Diagnostic Center License (the “License”) issued by the Health Facilities Commission of the Tennessee Department of Health (the “Commission”). A copy of the License is attached for reference as Exhibit A.

We respectfully request that the Commission place the License on suspended status for one (1) year from the date of this letter to permit its future indirect owners time to evaluate the Center’s role in the context of their operations. The Company is wholly owned by Clarksville Health System, G.P. (“Immediate Parent”), which in turn is 80% owned by Clarksville Holdings, LLC (“Seller”) and 20% owned by Vanderbilt Montgomery Holdings, LLC (“VMH”). Vanderbilt University Medical Center, a Tennessee nonprofit corporation (“VUMC”), is the sole member of VMH.

Pending the satisfaction or waiver of certain conditions, VMH and an affiliate will collectively purchase Seller’s 80% ownership interest in Immediate Parent (the “Transaction”) such that VMH will be the 100% owner of Immediate Parent and indirectly, the Company. The parties anticipate the Transaction will be effective February 1, 2026 (the “Effective Date”).¹

For the avoidance of doubt, no new parties will enter the chain of ownership of the Company as a result of the Transaction. Immediate Parent will remain the Company’s 100% direct owner and its current indirect minority owners will become its indirect 100% owners. A diagram of the ownership in the Company before and after the Transaction is enclosed as Exhibit B.

¹ VMH and VUMC will also concurrently effectuate a conversion of Immediate Parent from a general partnership to a limited liability company named Clarksville Health System, LLC. The Transaction, along with this anticipated conversion, have been reported to the Commission under separate cover.

We ask that the Company's request to place the License on suspended status be added to the agenda for consideration at the Commission Meeting scheduled for January 28, 2026. This will enable the parties to proceed with the Transaction as of the Effective Date with all the relevant information in hand.

Thank you for your time and thoughtful attention to this request. If you have any questions or require further information, please contact me at 615-252-3837 or at shoffmann@bradley.com.

Sincerely,
BRADLEY ARANT BOULT CUMMINGS LLP
