**RE: Jackson Park Christian Home Inc (Nursing Home Lic. No. 55) – Request for Extension of Inactive Licensure Status**

Dear Mrs. Reed:

Our firm represents Jackson Park Christian Home Inc. ("*Facility*"). This correspondence is sent on the Facility's behalf.

Please accept this letter as formal notice and a request for approval to continue the inactive licensure status pursuant to T.C.A. § 68-11-206(b)(1) for the Facility located at 4107 Gallatin Road, Nashville, TN 37216, operating under nursing home license number 55 issued by the Department of Health (the "Department").

We respectfully request that this matter be placed on the agenda for the Board for Licensing Health Care Facilities ("BLHCF") meeting scheduled for May 27, 2026, and that the current inactive status remain in effect through that date.

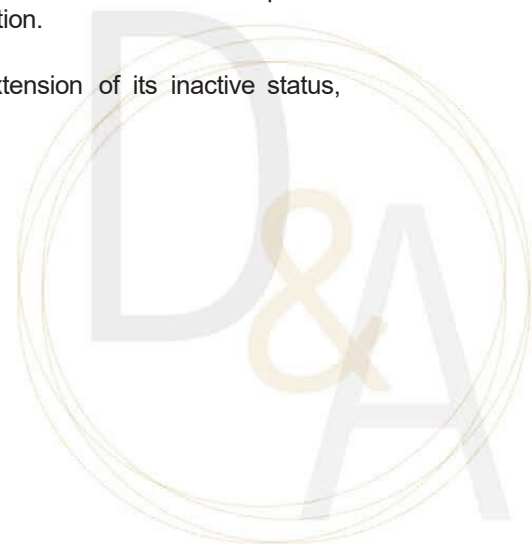

The BLHCF initially granted inactive status to the Facility on April 26, 2013, following the cessation of operations due to economic infeasibility. A one-year extension of inactive status was subsequently approved. Signature HealthCARE continues to actively explore viable options for reactivating the licensed Facility and its beds. However, due to the lasting effects of the COVID-19 pandemic and the ongoing downturn in the long-term care industry, additional time is needed to evaluate potential plans for the Facility's future use, whether through reopening, sale, or relocation.

Accordingly, the Facility respectfully requests approval for a one-year extension of its inactive status, effective through May 27, 2027.

Sincerely,

Charlene G. Johnson
