Re: Request for Inactive Status Extension for Bailey Park Community Living Center
Nursing Home License No. 88

Dear Ms. Reed:

Our firm represents the nursing home known as the Bailey Park Community Living Center (“BPCLC”), located at 2400 Mitchell Street, Humboldt Tennessee 38343. As you know, the inactive status of its nursing home license is currently scheduled to expire in May 2026. BPCLC respectfully requests a further extension of the inactive status for a period of twelve (12) months. As indicated in prior correspondence, BPCLC is in the process of identifying viable options to reactivate the license, facility and beds at the facility and evaluating possible other strategic steps for this nursing home. BPCLC also intends to seek abeyance of nursing home annual assessment fees under T.C.A. § 75-5-1006(f) while its license is inactive.

Representatives of BPCLC will be present at the May 2026 meeting of the Board for Licensing Health Care Facilities to address any questions Board members may have concerning this request if needed.

If you need any additional information, please advise accordingly.

Very truly yours,

**BAKER, DONELSON, BEARMAN,
CALDWELL & BERKOWITZ, P.C.**
