Acute Hospital-at-Home Services

Dear Ms. Reed:

I am writing on behalf of Covenant Health to notify the Health Facilities Commission that the following facilities have decided to discontinue their hospital-at-home services:

- Parkwest Medical Center, License No. 0000042
- Fort Sanders Regional Medical Center, License No. 0000043
- Fort Loudoun Medical Center, License No. 0000084
- Morristown-Hamblen Healthcare System, License No. 0000073

The decision to discontinue these services was made following Covenant Health's comprehensive review of the program's operational sustainability in light of multiple federal funding interruptions, patient volumes, and other organizational priorities.
