RE: Summit Open MRI - License # 19

Ms. Reed:

Our office is temporarily closed due to water damage at our building. We have had two separate incidents of water damage. One in December of 2022, and one in January of 2024. We have been closed since December 26, 2022 and are not able to see any patients. We hope to re-open on September 1, 2026. Could you please place us on inactive status?

Feel free to contact me if you need additional information.

Sincerely,

A handwritten signature in blue ink that reads "L. Keith Brown". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.
