Re: Change of Ownership
Shalom Hospice LLC
License No: 626

Hello Eddie,

Shalom Hospice LLC is reporting an Ownership restructuring effective February 8, 2026. Prior to Shalom Hospice LLC was owned directly by the Stern Family 2019 Trust (90 percent ownership interest) and Samuel Stern (10 percent ownership interest). Effective February 8, 2026, the Owners contributed their ownership interests to a holding company, Starco Management LLC (the 'Holdco'), which itself is owned by the Stern Family 2019 Trust (90 percent ownership interest) and Samuel Stern (10 percent ownership interest). As a result, the Holdco became the sole direct owner of the Shalom Hospice LLC. The Owners have maintained their ultimate ownership percentages in the Shalom Hospice LLC but their ownership interest now are for indirect rather than direct ownership. Attached are charts depicting the ownership organizational structure before and after February 8, restructuring. Shalom Hospice LLC will continue to provide the same management and supervision of services throughout all service areas.

Please let me know if there is anything further you require to process this application. I can be reached at (973) 219-0760.

Sincerely,

DocuSigned by:
