RE: Eye Care Surgery Center of Memphis, #167

Dear Mrs. Reed:

I am writing to provide an update regarding our ophthalmic ambulatory surgery center, which remains temporarily closed. We have recently begun the research and planning necessary to evaluate reopening the center and are actively exploring the available options and requirements for resuming operations.

As we continue this process and determine the appropriate path forward, we respectfully request that the Board extend the inactive status of our license for an additional 9 months. This extension will provide us with the necessary time to complete our evaluation and preparations for reopening.

We appreciate the Board's consideration of this request. Please feel free to contact me if you have any questions or require any additional information. I can be reached by email at *teressathompson@esg.md* or directly at 901-820-2308.

Kind regards,

Teressa Thompson
