Re: Extension Request for Inactive License
Christian Care Center of Washington County
NH# 293

Ms. Reed:

Christian Care Center of Washington County currently holds an active CON and license, NH#293 in anticipation of building a new facility. Christian Care Center of Washington County purchased the land necessary to construct a new facility.

We have filed and now hold an approved CON extension through to October 01, 2028. Therefore, we would ask the board to consider an extension of our "inactive" license status matching the CON extension of October 01, 2028.

If you should require additional information supporting our request or require our attendance at the board's meeting, please let me know. Otherwise, we will anxiously await the board's decision regarding our request to extend the inactive license.
