

## ADULT CARE HOMES – LEVEL II PROCEDURES FOR APPLYING FOR INITIAL LICENSURE

1. Submit a notarized application along with the appropriate licensure fee, financial statement, and a comprehensive business plan to the address at the bottom of the application.
2. Obtain architectural plans signed and sealed by an architect or Tennessee licensed engineer. Submit plans to the Plans Review Section of Health Facilities Commission. Once you receive approval of the architectural plans you may begin building the facility. If the building is an existing single-family home to be licensed for five (5) or fewer beds you are not required to submit architectural plans that are signed and sealed by an architect or Tennessee licensed engineer. You will only be required to submit one set of schematic drawings. For an existing building, you will need to make any renovations that the plans reviewer has indicated.
3. Approximately thirty (30) to forty-five (45) days prior to completion of the construction/renovations, **you** will need to send a letter to the Regional Office in your area to request a survey of the facility. The Regional Office will notify you to schedule the survey. Be certain that you have given yourself plenty of time to have the building completed and to have your policies and procedures in order. If you are not ready on the date of survey, it will most likely be thirty (30) days or more before the survey can be rescheduled.
4. Once the survey has been completed the surveyor will tell you if a recommendation is going to be made to license your facility. The surveyor will forward the appropriate forms to the Regional Office for the Regional Director's signature. The forms will then be forwarded to the Central Office Licensure Unit in Nashville.
5. Licensure staff will then process the forms and send an initial approval letter to you. **Residents cannot be admitted to your facility until you have received an initial approval letter from the Central Office Licensure Unit in Nashville.** The application will then be presented to the Commission at the next regularly scheduled Commission meeting for ratification. If the Commission ratifies the application the license will then be ordered from the computer center. You should receive the license in seven (7) to ten (10) days.
6. If the Commission does not ratify the initial approval of your application, a letter will be mailed to you providing an explanation and specific instructions as to any actions you may take to have the decision reviewed, at which time this authorization shall cease to be effective.
