Thank you Alecia. We no longer have our 3T machine. Does that require the removal of equipment from? If so, I will submit asap.

I think I put the GE ID numbers! Ugh - it's very confusing now because all of their service stickers say serial ID too. The serial ID numbers you have emailed back are the correct, verified serial ID numbers for Tennova North: 701327, 60014, and for Tennova Turkey Creek serial ID number: WB0200 is correct.

Do I need to re-do the forms?

Were you able to verify that the two different serial numbers are for the same PET scanner at North Knoxville?

Thanks.
