Yes, I confirmed that the Vanderbilt Bedford Hospital MRI is a GE Goldseal Signa 1.5T and the serial number is EU150719A. This is the same MRI they have had for years so am not sure where the mix up occurred.

Thanks,

From: Felts, Ginna

Thank you Ginna. Can you confirm if Vanderbilt – Bedford MRI – GE – serial number EU150719A is correct? We have GE Goldseal Signa R1294.

Thank you so much!

Subject: [EXTERNAL] RE: Vanderbilt Imaging – One Hundred Oaks - information needed

Good morning! Thank you so much for your email. There seems to be some confusion.

There are 3 MRIs at One Hundred Oaks. Two operate as part of Vanderbilt Imaging Services. One operates as part of Vanderbilt Health One Hundred Oaks which is the Breast MRI. It is listed as One Hundred Oaks Breast Center on the Medical Registry. I have attached the registry submission.

I have copied the VIS team if you have questions about their applications.

Thanks so much.
Ginna

Subject: Vanderbilt Imaging – One Hundred Oaks - information needed
Importance: High

Dear Ginna,

This is to notify you that your application for a quality license for Vanderbilt Imaging – One Hundred Oaks has the following conflicting information:

- MRI Phillips Ingenia Ambition X – serial number 47668 is not listed on the registry. We have Phillips Ingenia Ambition serial numbers 47642 and Phillips Ingenia 41158. Please confirm.

We need this information to continue processing your application. You will have five (5) days from the date of this email to return the application to hfc.service@tn.gov. In the subject line of the email please include the name of your facility/Physician Practice.

If the information is not returned within the allotted time, the processing of your application will be delayed.

Should you have any questions or if I can be of assistance to you, please contact me at Holly.Vickers@tn.gov.

Sincerely,

Holly Vickers | Health Planner Quality Officer
