Dear Mr. Perry:

This letter serves as notice pursuant to Tenn. Code Ann. § 46-4-103(c) that Cheryl Wills and Mooreland Farm, LLC have filed a Petition for DNA Testing, Termination of Use of Land as Burial Ground, and Removal and Reinterment of Remains of Sandy and Emma Wills in the Chancery Court for Haywood County (Case No. 2023-CH-7).

The cemetery is located at 8600 Highway 54 West, Brownsville, Tennessee in Haywood County. Persons believed to be buried in the cemetery, along with their dates of birth and death, include the following: Sandy Wills (born 1840; died February 8, 1889); Emma Wills (born 1851; died May 30, 1901); Adolphus West (born 1826; died circa 1897); and Millie Estes Moore West (born 1845; died 1920). Based upon these dates, the cemetery is approximately 134 years old. Pursuant to Section 103(c)(1)(B), an exact copy of the complaint filed in the Chancery Court is enclosed with this letter.

Please let me know if you need any further information or documentation from me or if you prefer for these materials to be transmitted in a manner other than email.

Sincerely,

A handwritten signature in blue ink that reads "Lisa K. Helton".
