**PETITION FOR TERMINATING USE OF LAND AS BURIAL GROUND AND FOR  
DISINTERMENT AND REINTERMENT OF UNKNOWN DECEDENTS**

I, Tim Cox, Jr. (hereinafter "Petitioner"), after being duly sworn according to law, would state to the Court as follows:

1. Tim Cox, Jr. is a citizen and resident of Johnson County, Tennessee with an address of 5500 Roan Creek Road, Mountain City, TN 37683.
2. This Court has jurisdiction over the parties and of the subject matter in this petition.
3. Tim Cox, Jr. is the current owner of record of an approximately 0.518 acre tract more or less located East of Neva View Lane of record in Deed Book 221, Page 804, Register's Office of Johnson County, Tennessee. A portion of Johnson County Tax Assessors Map 68, Parcel Number 22.01. Said deed attached hereto as Exhibit A.
4. Tim Cox, Jr. is the current owner of record of approximately 4.805 acres located East of Neva View Lane of record in Deed Book 220, Page 841, Register's Office of Johnson

County, Tennessee. A portion of Johnson County Tax Assessors Map 69, Parcel Number 22.01. Said deed attached hereto as Exhibit B.

5. Both tracts of land (“hereinafter cumulatively referred to as “the Property”) described above are shown on the Plat/Survey attached to Deed Book 221, Page 804 at Page 807, Johnson County Registry. The Property is the subject of this action and is situate in Johnson County, Tennessee. Venue is proper in Johnson County, Tennessee
6. The vesting deeds and previous vesting deeds of the Property described above do not contain any reference to a cemetery or family burial site thereon and therefore Petitioner was unaware of any such site at the time of purchase(s).
7. On or about October 2021 Petitioner was having topsoil stripped in preparation of building on the Property and discovered old broken headstones that had been grown over by weeds and natural flora located near a fence line between the properties as shown on picture attached hereto as Exhibit C.
8. Upon further inspection, it was also discovered that there were additional broken and scattered headstones on additional areas of the Property owned by Petitioner as well as intact headstones which are shown on pictures attached hereto as Exhibit D.
9. Based upon the names legible and internet research, Petitioner believes the burial ground is likely a private family cemetery commonly known as the “Sлимп Cemetery” and the following people may be buried upon the Petitioner’s land:
  - a. Nancy E. Slimp Davis (1860-1932)
  - b. Wiley Thomas Davis (1860-1950)
  - c. Margaret Marie Greer (1920-1926)
  - d. William Arthur Greer (1925-1925)
  - e. Daniel M Matherson (1842-1898)
  - f. Charles T. Milhorn (1932-1935)
  - g. Fitzhugh L. Milhorn (1902-1935)
  - h. Queen Milhorn Shaw (1894-1936)
  - i. Barbara Evaline Matheson Slimp (1828-1902)
  - j. David Slimp (Birth: 1816)
10. Upon information and belief, the burial site spanning the Property has been abandoned for over 60 (sixty) years.
11. This land appears to have been used as pastureland for cattle and growing of hay. Several of the headstones are broken into pieces and the headstones which are in better condition appear to have been moved from their original locations at a fairly recent time. It has also

been suggested by previous owners that over time these gravestones have been moved from the actual interment sites for farming and cow pasture usage.

12. Petitioner respectfully petitions this Court, pursuant to Tenn. Code Ann. § 46-4-101 et. seq., to terminate the use of the abandoned gravesites on the Property as a burial ground.
13. Petitioner also respectfully petitions this Court, pursuant to Tenn. Code Ann. § 46-4-101 et. seq., to authorize and approve the disinterment and relocation of the gravesites and remains thereon pursuant to the specifications set forth herein.
14. The identity and addresses of all heirs to the decedent(s) are unknown. The names and addresses of the known heirs are:

- a. Roger Shaw (grandson of Queen Milhorn Shaw)  
180 Bill Lewis Road  
Elizabethton, TN 37643
- b. Pat Goyne  
149 Oakwood Court  
Erwin, TN 37650
- c. Robin Cooper  
149 Oakwood Court  
Erwin, TN 37650
- d. Sharon Shaw  
70 Mountain View Road, #4  
Marion, NC 28752
- e. Anthony Shaw  
707 Shaw Ward Road  
Butler, TN 37640

15. Tennessee Code Annotated § 46-4-101 applies to:

Any burial ground in the State of Tennessee... which the court to which jurisdiction is given by this chapter finds, for any of the reasons hereinafter stated, is unsuitable for its use as such and as a resting place for the dead whose remains are buried therein, or the further use of which for such purposes the court finds, for any of such reasons, is inconsistent with due and proper reverence or respect for the memory of the dead or otherwise unsuitable for such purposes, the reason being:

- 1) The burial ground having been abandoned; or
- 2) The burial ground being in a neglected or abandoned position; or

- 3) The existence of any conditions or activities about or near the burial ground which the court finds render the further use of same for the purposes aforementioned inconsistent with due and proper reverence or respect for the memory of the dead, or for any other reason unsuitable for such purposes.
16. Upon reasonable inquiry, Petitioner is not aware of any use being made of the burial site for use as a cemetery or family burial ground and believes the burial site to be abandoned and due to the disturbance and damage to the headstones, not only abandoned, but also neglected.
17. The residential construction which Petitioner has planned to occur on the Property requires that he make use of the land where the headstones are currently located, therefore the current location for the burial ground is unsuitable, and the remains should be relocated out of due and proper reverence and for the memory of the decedent(s).
18. Petitioner would remove and relocate the remains in accordance with all the applicable laws and regulations with the assistance of Mountain City Funeral Home to another site on the Property which would be better protected and more easily accessed should any descendants wish to visit in the future. Petitioner plans to erect an appropriate memorial, plaque, or the like to commemorate the decedent(s). The new site will be surrounded by natural landscape, in order to separate it and protect it from disrepair.
19. Tennessee Code Annotated § 46-4-101(a)(1) provides that only “interested persons” may bring an action for disinterment and relocation in the court “of the county in which any such burial ground is situated...to have the remains of all deceased persons buried in such ground removed therefrom and reburied in a suitable repository to be obtained for that purpose before their removal from such burial ground”.
20. Tennessee Code Annotated § 46-4-102 defines “interested persons” as “any and all persons who have any right or easement or other right in, or incident or appurtenant to, a burial ground as such, including the surviving spouse and children, or if no surviving spouse or children, the nearest relative or relatives by consanguinity of any (1) or more deceased persons whose remains are buried in any burial ground.”
21. Petitioner, as the owner of the Property, qualifies as an interested person under Tenn. Code Ann. § 46-4-102, and files this Petition in that capacity.
22. Tenn. Code Ann. § 46-4-103(b) provides that “in any such suit, all interested persons who are not complainants shall be made defendants...”. Based upon the gravesites being disturbed, broken and scattered, the identity of some of the remains are unknown and so, all the heirs of the decedent(s) also unknown. The known heirs have been added to this action as defendants

23. Petitioner has made a diligent search for any ascertainable descendants of the decedent(s) whose names are legible upon the headstones. This search has included various online databases, research of public records, and phone calls and emails to persons who might have knowledge of possible descendants.
24. Tenn. Code Ann. § 46-4-103(b) provides, in relevant part, that nonresident and unknown defendants may be proceeded against by publication, in the manner provided by law. Accordingly, for unknown interested persons, Petitioner requests that the Clerk and Master cause notice to be made to all unknown interested persons by publication in a newspaper of general circulation in Johnson County, Tennessee, once a week for four (4) consecutive weeks.
25. In addition, pursuant to Tenn. Code Ann. § 46-4-103(c), contemporaneous with the filing of this Petition, the requisite notice has been provided to the Tennessee Historical Commission, along with a copy of this Petition.
26. Petitioner, upon obtaining the necessary authorization from this Court intend to relocate the decedent(s) to another location upon Petitioner's property. This process will include removing the decedent(s) from the Property by Mountain City Funeral Home and relocation also handled by Mountain City Funeral Home.
27. Petitioner has contacted Mountain City Funeral Home and will make all appropriate arrangements under Tenn. Code Ann. § 46-4-104 prior to any relocation taking place and Petitioner will pay the costs of the same.
28. Petitioner shall follow all public health rules and regulations set forth under Tenn. Code. Ann. § 64-4-110 regarding the disinterment of the decedent(s).
29. Petitioner shall cover any and all costs related to disinterment, removal, and relocation.

WHEREFORE, the Petitioner respectfully requests that this Honorable Court grant the following relief:

1. In accordance with Tenn. Code Ann. § 21-1-204 and 46-4-103, the Clerk and Master of this Court authorize and publish notice to all unknown interested parties by publication in a newspaper of general circulation in Johnson County, Tennessee, once a week for four (4) consecutive weeks;
2. That this Court issue proper service upon all known interested persons as named herein;

3. That this Court terminate the use of the Property as a burial ground in its current location, including all rights and easements to use said burial ground, and all rights to ingress and egress relative to said burial ground;
4. That this Court find disinterment and relocation of the decedent(s) appropriate under Tenn. Code Ann. § 46-4-101 et. seq. due to the residential development of the Property rendering the graves unsuitable for the site and inconsistent with due and proper reverence for the decedent(s) as well as the burial ground being in a state of neglect and abandoned condition pursuant to Tenn. Code. Ann. § 46-4-101;
5. This Court approve disinterment, removal, and relocation of the decedent(s) pursuant to Tenn. Code Ann. § 46-4-101 et. seq. and authorize Petitioner to take all necessary actions to do so; and
6. For such other relief as the Court deems the Petitioner to be justly entitled.

This is 26<sup>th</sup> date of MAY, 2022.

Respectfully Submitted:
