

Building Stronger, Healthier Communities Together

For over 60 years, we've been making the world a better place, raising awareness and resources for health and wellness. Every year, we connect more than 17 million caring donors with nearly 2,000 of the most trusted health charities across the United States through customized wellness programs, employee engagement, workplace giving campaigns, customized causes, and strategic partnerships.

OUR PARTNERS

We partner with diverse businesses, organizations, and public institutions across the country that are committed to improving the health and vitality of the communities where their employees and customers live and work.

OUR SOLUTIONS

We provide strategic partnerships, flexible platforms, and customized programs aligned with your corporate social responsibility (CSR) objectives and business goals.

- **Employee engagement:** We offer volunteer opportunities, educational resources, donor advised funds, and peer-to-peer fundraising tools to increase your employees' commitment to the community and your organization.
- **Health resources:** Health and wellness is a national priority: 77% of U.S. workers suffer from at least one long-term health condition, from cancer to diabetes. We offer expert advice, webinars, newsletters, and content resources – drawing from our robust member charity network.
- **Workplace giving campaigns:** Our Giving Matters 365 platform makes it easy to start your own workplace campaign. We offer turnkey materials and tools, plus handle the set-up and processing. Already have a campaign? Our expert workplace giving consultants can help you assess your campaign and make it better.
- **Causes:** Choose from one of our current cause campaigns, focused on the most pressing health issues today like cancer, Alzheimer's, diabetes, and autism. We can also help you create your own customized cause campaign focused on the issues or demographics that matter most to you or your employees.

Public Sector Campaigns

Through our **public sector campaign network**, which consists of Combined Federal Campaigns, state and local campaigns, our charity partners are included in more than 400 campaigns throughout the country. Over the past five years, we have raised more than \$160 million from public sector campaigns for our charity partners.

INCLUSION

Through our advanced partnership criteria, Community Health Charities remains committed to presenting the best workplace portfolio of credible and financially-responsible health organizations in America. As experts in the field of public sector workplace giving, Community Health Charities creates a relationship between our trusted charity partners and the public sector employee. On behalf of our charity partners we not only participate in the Combined Federal Campaign but many state, city and municipal campaigns as well. We include every charity partner in our public sector campaigns for which they are eligible.

INVOLVEMENT

For all charity partners, our experienced staff coordinates the annual application process and maneuvers the complex rules and regulations that govern participation in public sector campaigns. Through our events management process, we are also able to provide our charity partners the opportunity to highlight their value, and their programs and services to public sector employees at the workplace. Our process encourage charity partners to serve as an extension of Community Health Charities staff in all public sector campaigns and the Combined Federal Campaign by giving them the opportunity to attend kick-offs, health fairs and other events.

VALUE

- **Employee Engagement:** Identify health causes that resonate with employees to achieve employee engagement and volunteerism goals, and to build a relationships with specific charity partners.
- **Community Involvement:** Position your organization to strategically impact your community's health and wellbeing, building brand loyalty and leadership. We are committed to optimizing your organization's visibility as a staple philanthropic partner in your community.
- **Healthier Workplace:** Addressing the top health conditions that affect productivity and the overall wellbeing of employees in the workplace, and providing health resources to maintain a healthy lifestyle.
- **Confidence in Giving:** Ensure organization and employee contributions are going to high-impact and fully-vetted charity partners.
