MAKING A
DIFFERENCE

2017

A Letter from Governor Haslam

Dear Tennessee State Employees,

As chair of the Tennessee Employees Charitable Campaign, I want to thank those who have shown the Tennessee volunteer spirit and have supported this effort in years past.

During the 2016 campaign, 1552 state employees pledged \$272,979 in donations to participating charitable organizations serving a wide variety of needs in communities across our state.

We are fortunate in Tennessee to have charitable organizations ready to step in and assist those who may need a helping hand. Your support of the organizations participating in this campaign will translate directly to support for your fellow Tennesseans in the areas of health, medical research, human services, and social and environmental issues.

You can participate in the campaign by making a one-time donation or a monthly donation in the amount of your choice. Another way to contribute is the “Buck-A-Week” program. If every state employee who did not participate in last year’s campaign considered the “Buck-A-Week” option outlined on the pledge form, our combined generosity would provide more than \$2 million in donations to these worthy charities.

The 2017 Tennessee Employees Charitable Campaign begins October 23 and extends through November 17th. Please consider continuing the Tennessee spirit of volunteerism by making a donation. We can represent our proud heritage and reach out to improve our communities in powerful ways by “Joining Together – Making A Difference.”

Sincerely,

Bill Haslam

Does my dollar a week really make a difference?

Yes! If you’d like to help make Tennessee a better place to live, giving a **Buck-A-Week** can make an extraordinary difference in our community covering many areas of need. Here are a few examples of what a Buck-A-Week can do:

- Provide milk for a child living at TBCH for one week
- Cover the cost of one uninsured patient’s return visit to Salvus Center
- Restore 4 feet of destroyed creek bank.
- Provide 40 one way bus tickets for individuals who are disabled and are working towards self-sufficiency
- Provide a meal and 4 comfort kits including hygiene items for a family of four displaced by a disaster
- Provide disaster relief training for 18 volunteers
- Provide one month of homebound meals for a senior citizen
- Cover the cost of providing after school program which includes tutoring, homework assistance, and sports and enrichment activities for one youth for nine months
- Provide 1 high school student the opportunity to strengthen research, leadership and public speaking skills
- Buy 26 awards medals for Special Olympics’ athletes this year
- Provide a teen with funds to help with back to school supplies
- Provide a family with a home visitor every week to provide parent coaching, and strengthen parents’ bond with their young baby
- Feed a nestling songbird, a baby squirrel, a cottontail or box turtle for one day
- Pay for four Tennessee children to receive one book per month delivered to their home for an entire year
- Purchase helmets for 7 epileptic children who can’t afford them
- Provide an eye exam and glasses for a child in need

Please consider giving a **Buck-A-Week** through payroll deduction and help us change the lives of millions of Tennesseans.

"How do you want to change the world?"

We couldn't imagine a world without the Civil Rights Acts, the Women's Right to Vote, or Americans with Disabilities Act. These incredible social change movements are proof that, collectively, we can create social justice and equity in our society.

We celebrate these achievements, but there is still work to be done. The challenges we face today are no less complex and numerous, for instance, did you know that:

- > 6,500 children are in Tennessee state foster care
- > 18% of Tennesseans live below the poverty level

- > 40% of Tennessee streams are unfit for recreation
- > 28,000 Tennesseans do not have health insurance

Groups finding furever homes for animals, providing no/low cost spay and neuter clinics, and working to make TN a no-kill state by 2025.

Groups helping those with disabilities live autonomous lives, keep a job, and who are helping parents navigate the education system.

Groups working to end homelessness, fund education, and provide assistance to those who need it.

Groups focused on protecting our environment by cleaning/preserving our waterways and planting trees.

Groups working to create and sustain overall peace and justice in our communities by supporting immigrant rights, fair pay, and more.

Groups ensuring local arts and media are not lost to history but are vibrant and viable expressions of art that deserve preserving.

All groups help shape our communities one legislative bill, company/school policy, disenfranchised group at a time to create stronger, safer communities; healthier environment; and empowered individuals.

Thank you, Metro employees, for your generosity. Know that we are guided by the principle that "Injustice anywhere is a threat to justice everywhere." It's a quote by Martin Luther King, Junior, and words that remind us that we are connected.
