Kandi has established a cancellation date with the Parks and with the Tennessee Room if too few people register for the Conference. According to Lamont’s budget, our break-even point is 208 people.

Debra Bloomingburg has contacted Sharon Buwalda and current registration is 18.

We discussed the need to send a reminder about the Fall Conference including the registration form and/or a link to the registration form on the TGEI website. The narrative that is sent needs to include the registration deadline as well as the cost of the conference. George suggested that the class reporters be contacted so they can help get the word out about the conference.

As noted in July minutes: According to Trish, printed materials need to go through the Publications Committee. Lamont indicated that this process normally takes 2 – 3 days. We think that the agenda definitely needs to go through this process, but the registration form does not. George asked about the presenters’ PowerPoint presentations. Donna asked whether providing CDs or downloads prior to the conference would get us out of this requirement. Barbara indicated that her department sends anything that goes to the general public or outside of her department goes through this process, but internal documents do not. Kandi suggested we find out who is on the committee and get clarification as to what has to go through this process.

Evaluations will be done through Survey Monkey. Barbara and Cathy are working on evaluation. We will limit questions to 10 or fewer and focus on obtaining comments regarding how to improve the conference.

We will be able to start working on the agenda when we get speaker packets back.

Alumni Directory Update: We have asked DoHR for TGEI class rosters. How we asked Dr. Tom? Donna had previously reported that she has 317 email addresses out of over 700. Suggestions for
**DoHR** how often we need to update the website for changes in the Alumni Directory. Monthly? Quarterly? Other?

Security of Alumni Database – Concerns - Some retired Alumni have provided Donna with home addresses, phone numbers, and private email addresses. While we have their permission to include the information in the directory, can we or should we try to protect? If so, how?

---

**Status of documentation of any of our processes.** (Events such as the Community Service events, golf tournament, conference planning, steering committee nomination and election process, and Holiday Breakfast planning)

We discussed briefly and reminded all who are involved in event planning or other functions to document their processes so that we can create our steering committee handbook for future committees.

---

**Ideas for the Year:**
- Community Services Projects
- Share TGMI outreach efforts to local schools and possible TGEI partnership
- State Parks Update from Lamont
- Jesse Update on Golf Event

---

**Issues on keeping the website current with pictures and updates on events.**

Lamont has asked Dr. Tom for 2010 Class pictures so we can get on website. We’ve also asked that outdated golf event information be deleted.

---

**Update on discussions from the combined meetings with DOHR and TGMI**

Most involved Fall Conference. See above.

---

**finding people included asking alumni who work in the same department or human resource directors. ** **Donna will try this in the upcoming weeks.** At the July meeting George suggested a lottery for those who have updated their information.

In July Donna brought up whether the directory would be able to be updated by anyone visiting the website. Kandi will get with Donna to set up a meeting with Sharon Buwalda.

The suggestion was made to send out an email when the directory is live and, when a reminder email is sent out about the Fall Conference, tell alumni to let others know.
**Other Business**

TGEI First Week Starts Sunday August 22. Dr. Tom trying to finalize which TGEI alumni will participate in the weeks.

Social opportunities.

**Future Agenda Topics:**

Update from Derek regarding Changes to By-Laws

- By-laws: Changes need to be proposed (addition of an office of Vice-President, change Reporter function, change restriction for classes prohibited for running for Steering Committee positions)

We will need to explain the election process to the Class of 2010 during their first week (end of August). Dr. Tom and Cathy are working on details of who will attend the TGEI sessions.

Derek made changes to the by-laws and Cathy provided changes as well. Cathy will send to Steering Committee today. We hope to discuss and approve the proposed wording at the September meeting (we cannot amend the by-laws until we have the December Annual Meeting, but we will be able to tell the 2010 Class what the proposals are).
