**New Business**

**Golf Tournament**

Jesse reported that the golf tournament was a success. Jesse said that 36 golfers enjoyed a great day of golf, fun, and good food provided by TDEC and Henry Horton staff. Revenue collected was $1,810 and expenses were $1,662 for net proceeds of $148. Jesse thanked all parties involved in the event, including TRICOR for providing prizes and TDEC for hosting and providing a prize involving a 2-night stay at a state park in May 2009. Jesse also asked that we begin planning for next year’s event and recommended that we consider purchasing prizes for the next tournament from a golf-pro shop that is going out of business. We discussed the controls over pre-purchasing the prizes and who would be responsible for maintaining the prizes until the next event. Jesse volunteered to be responsible. We discussed the amount of $200 to allocate to purchase the prizes. Nat made a motion to commit the $200 and purchase the prizes. Kandi seconded. Jesse also reported that TDEC has already expressed their interest in partnering again with
TGEI/TGMI for next year’s event. Jesse will provide Nat with information for the newsletter and will forward pictures of the event.

**Fall Conference**
DoHR has selected the conference date of October 23, 2008. We discussed the fact that DoHR is changing direction in terms of the Fall Conference. Meetings have been held by DoHR with TGMI/TGEI members in attendance. We are not certain at this time of the program content and all speakers have not been set at this time. We hope the program content and speakers are set soon to ensure the success of the event. George hopes the program agenda will include a place to discuss the upcoming TGEI nomination of officers. George will try to clarify that opportunity with Trish. Nat will also follow-up with Karen Eddy.

**Nomination of New Members for the Steering Committee**
George discussed the need to get ballot information to TGEI alumni for nomination of new members. Karen told George that the Chair of the Steering Committee usually spearheaded the organization of the nomination process. Karen volunteered to help with the collection of the ballots. We discussed which member’s terms were expiring. Nat will be the next Chair, George will move to Immediate Past Chair, Jack, Karen, Donna, Kathy, and Emily will roll-off, and the 2008 class will bring 3 new members on-board. George will work with DoHR to develop the ballot.

**Web Page**
George is still hopeful that we can complete the project by December 31, 2008. Karen and Pam met with DoHR and selected pictures for the web-page. We also want to provide DoHR with the recent golf tournament pictures and other upcoming events. After the Fall Conference we hope to focus on the completion of this project.

**Newsletter**
George reported that we missed the September target date for the newsletter. Nat reported he has 3 articles, including a good interview with Karen Eddy. Jesse is also providing an article on the golf tournament with pictures of the event. In conjunction with the newsletter discussion, George discussed his research on Article 9 of the by-laws – Newsletter. George has been unable to find sufficient history to explain how Article 9 – Newsletter evolved. George did state that we have not met the intent of the by-laws either in terms of the number of newsletters produced each year or in terms of the deadlines for the newsletter releases. We discussed DoHR’s roles and responsibilities as they related to the Steering Committee’s newsletter and that we need to work together with DoHR to ensure that when we prepare the newsletter, DoHR has been involved in formatting and transmitting the newsletter to alumni. George talked briefly about the possibility of amending the by-laws if we decide that is the route to take. We also talked about the Class Reporters’ roles in gathering information for the newsletters and that we need committed Reporters to provide the steering committee with news worthy information on our alumni. We also discussed the fact that our focus is and should be on
“communication” with our alumni in whatever form. Nat will try to get a meeting with Karen Eddy and George to discuss where we go from here.

Holiday Breakfast
Nat and Emily will begin planning for the Holiday Breakfast. Date is set for December 4, 2008. Nat will begin to formulate an agenda for the event. We briefly discussed the memorials dedicated to alumni who have passed. There is always the risk that we may not know details of all alumni.

Community Service Projects
Lamont gave us an update on the community service events. Lamont reported on the number of volunteers for two projects: 10 people had signed up for the Harpeth River Clean-up opportunity with TDEC on October 25, and 5 people had signed up for the Ghouls at Grassmere Event on October 16. Lamont was still waiting on an answer from DoHR regarding the legal aspect of soliciting items for the Ronald McDonald House from alumni at the Fall Conference. George recommended that Lamont email and send it to Trish, Karen Eddy, with a cc to George, since we need to know if we can do the project or not.

Spring Social/25th Anniversary Celebration
No further discussion.

Other Business
George asked that a memorial gift of $50 be sent on behalf of Merlin Littlefield, Class of 2001.
