Committee Updates

Charter Committee: April Romero

Shana-database issue was resolved.

Community Service: Pansy Leech

Voicemail message left at Ft. Campbell USO office has had no response. E-mail to Alvin C. York-Ronda and Shana were copied, no response from that organization either. She can reach out again but she knows a soldier and certain projects may not be essential for them during the pandemic.

Shana suggested waiting to try and contact again, we have a few months to make a decision on the committee service project.

Sharon mentioned reading about the increase of domestic violence and with no response from Ft. Campbell may think about something concerning domestic violence.

Ronda mentioned all staff for her department were still AWS and cautioned to stay safe.

Pansy shared with the group, don’t be isolated, we can “bloom where we are planted” and we can have great work through this group.

Business Events: Ashley Kemp

Welcomed Ashley back. Shana spoke to TGMI class tis year. Event was all on-line, may consider having a social bonding event.

Tanya Washington at the Naifeh Center will reach out to Ashley for next year. There has been a good outreach campaign but hopefully, we can do better in the future.

Social Events: Sharon Moidja

At Sharon's work they have a co-worker of the week-possible suggestion for social event for TGMI. Work on WebEx template for limited happy hour. For Sharon and Ashley's group-great idea but not decided for TGMI class this year. Possibly do as a slide show as a pilot for happy hour.

New Business

TGL Council- how to handle virtual- one day event brainstorming event for ideas.

Upcoming Events:
