# Buck a Week

Does my dollar a week really make a difference?

Yes! If you'd like to help make Tennessee a better place to live, giving a Buck-A-Week can make an extraordinary difference in our community covering many areas of need. Here are a few examples of what a Buck-A-Week can do:

- Provide milk to a child for one week
- Provide 40 one-way bus tickets for individuals who are disabled and working towards self-sufficiency
- Provide a meal and 4 comfort kits including hygiene items for a family of four displaced by a disaster
- Provide one month of homebound meals for a senior citizen
- Pay for 4 Tennessee children to receive one book per month delivered to their home for an entire year

**Your generosity helps improve the quality of life for others, build stronger communities, and support those who are in need.**

**\$159,514.00**

were pledged in donations to participating charitable organizations serving a wide variety of needs in communities across our state for the 2022 charitable campaign.

The **2023** Tennessee Employees Charitable Campaign (TECC) begins **October 30th** and extends through **December 8th**.

**United Ways of Tennessee fights for the health, education and financial stability of every person in our state, and our efforts provide:**

**Find Your United Way | United Ways of Tennessee  
([uwtn.org](http://uwtn.org))**

- Crisis response, food and shelter for victims of disasters, such as the pandemic, floods and tornadoes
- Health care for vulnerable people who would otherwise go without
- Basic needs for those facing tough times
- Safe havens from domestic abuse
- Volunteer opportunities to support our communities
- Job skills for people who want to work
- Programming to engage and educate children and youth
- Free 2-1-1 phone access in every county to find health and human services

**When you give to United Way, you can give to a specific charity, a combination of charities, or you can designate directly to United Ways of Tennessee for statewide efforts or to a member United Way that serves your local community.**

Together, we can inspire hope and create opportunities for a better tomorrow.

That's what it means to **LIVE UNITED™**

To learn more about how we and your local United Way is helping your community, please link to: [www.uwtn.org](http://www.uwtn.org)

We also are proud to lead the Tennessee Afterschool Network and are grateful for donations for this initiative!

[www.tnafterschool.org](http://www.tnafterschool.org)

The Tennessee Afterschool network supports children, youth and families by building access to healthy and nurturing afterschool and summer learning experiences. Out-of-school-time programs give parents peace of mind, allow them to work a full schedule, and help them be more productive on the job and successful in their careers, including our essential workers. They also offer social and emotional support and enriching activities that spark kids' interest in school and learning. Research shows that students participating in high-quality afterschool programs are less likely to abuse drugs or alcohol; are more likely to advance to the next grade and graduate from high school; earn higher grades and do better on standardized tests. Some out-of-school-time programs even provide opportunities for youth to gain employability skills, connect with local businesses, and explore possible careers.

# INDEPENDENT CHARITABLE ORGANIZATIONS

– There are nineteen independent charitable organizations conducting a wide range of health, welfare and educational programs, and providing services to individuals across the state.

**The American Cancer Society** – The American Cancer Society – Tennessee Chapter exists to improve the lives of cancer patients and their families. We are the only organization that integrates discovery, advocacy, and direct patient support to measurably improve lives. Our work removes barriers to care so people in every community can have an equitable opportunity to prevent, detect, treat, and survive cancer. Through direct patient support, we provide free lodging at our Hope Lodges, rides to treatment, and 24/7 access to resources at 1.800.227.2345. Contact: Marilee Forrest – [marilee.forrest@cancer.org](mailto:marilee.forrest@cancer.org)

A Place of Help and Hope for Abused Children!  
**The Children's Center of the Cumberland** is dedicated to serving children who are victims of severe neglect, emotional, physical and sexual abuse through prevention, education and intervention.

With the help of community raised funds, **Friends of Radnor Lake** recently invested \$350,000 to build three new ADA accessible bridges at Radnor Lake which improve access to the park's most used trail. Founded in 1971, Friends of Radnor Lake is passionate about our mission to protect, preserve and promote the natural integrity of Radnor Lake State Natural Area through land acquisition, environmental education and park support. Founded by a group of concerned citizens when the lake and surrounding hills were threatened by residential development almost 50 years ago, Friends of Radnor Lake partners with the State of Tennessee to protect this ecosystem through land acquisitions which protect the viewshed and watershed; volunteer program which supports community engagement, trail maintenance, trail expansion, waterways cleanliness and invasive plant removal; historic and vegetative research; native grasslands planting to support pollinators, Monarch butterflies and ground-nesting birds; Jr. Rangers Intern Program; and other various needs of the park. This year, Friends of Radnor Lake joins Radnor Lake State Natural Area in celebrating 50 years since Radnor Lake opened as one of the first State Natural Areas in Tennessee. To learn more about how we are working with the State of Tennessee to protect Radnor Lake, please visit our website at [radnorlake.org](http://radnorlake.org). Thank you for considering us for your donation this year!

**Governor's Early Literacy Foundation (GELF)** is an independent and non-partisan 501(c)3 serving all 95 counties in Tennessee. GELF equips Tennessee children with books and literacy tools that increase literacy and encourage lifelong learning for long-term success. Its mission is to strengthen early literacy in Tennessee. GELF pursues its mission through six key programs: Birth-5 Book Delivery, delivering books each month to children from birth to age five through Dolly Parton's Imagination Library (serves approx. 285K children monthly and has delivered 50.2M+ books); K-3 Home Libraries, delivering quality books and literacy resources to combat learning loss (served approx. 215K children, school librarians, and teachers in 2023); Caregiver Engagement, equipping caregivers to be deeply engaged as a child's first teacher (serves 208K+ caregivers); Book Buses, establishing mobile libraries to provide children access to high-quality literacy resources (serves approx. 60K annually); Storybook Trails, creating outdoor experiences for families to interact through literacy and physical activity (serves approx. 630K individuals annually); and the Statewide Early Literacy Education Collaborative of Tennessee (SELECT), and initiative to unite TN's early literacy organizations to improve outcomes for the millions of children we collectively serve (currently involves 250 individuals representing 83 partner organizations). More information about GELF's programs and impact can be found on its website: [www.governorsfoundation.org](http://www.governorsfoundation.org). Contact Abigail Sanderson – [abigail.sanderson@tn.gov](mailto:abigail.sanderson@tn.gov).

**Manna's Hana Therapeutic Riding Program** gives participants with special needs confidence to be themselves and not be labeled by their disability. Our Camp Hana Veterans & 1st Responders gives veterans and their spouses new ways to communicate with each other by working with horses. Lambs 2 Lions give community youth constructive ways to handle anger issues through instant feedback from a horse. We can be reached at [www.mannahana.org](http://www.mannahana.org).

Founded in 1985, [Miriam's Promise](#) ensures the well-being of the child by nurturing individuals and families across all Middle Tennessee counties. As a licensed child placing agency in the state, we offer nondirective, judgment-free pregnancy counseling free of charge to expectant parents and adoption-related services. We also offer child counseling and parenting coaching.

The mission of [Monroe Harding \(MH\)](#) is Changing Young People's Lives. Our vision is to be a healing community where youth and families make meaningful change so hope, not past trauma, is the heartbeat of their future. Our cause is to ensure that foster care youth and other vulnerable young people build a solid foundation of strengths that position them for success in adulthood. MH works toward its mission through (1) Homes - we foster safe, nurturing homes through supportive family environments; (2) Healing - we mitigate the effects of abuse and neglect by creating a trauma-informed, healing community; (3) Opportunities - we offer young adults opportunities through experiences, education, life skill-building, reengagement, and career readiness; and, (4) Engagement - we engage with community partners to maximize our impact in the areas of homes, healing, and opportunities. We are the only agency in Middle Tennessee providing a continuum of services for children, teens, and young adults (from birth to age 26) who are or have been in state custody, as well as those who are homeless and/or experienced crime victimization. For additional details, visit our website [www.monroeharding.org](http://www.monroeharding.org) or call 615.298.5573

[Mustard Seed Ranch](#) is an interdenominational Christian ministry and home for hurting children. Since 2009 we have served children who have experienced childhood trauma. We provide a loving home to children from 5-18 years of age. The children who call Mustard Seed Ranch home come to us from across Tennessee and from various backgrounds and circumstances. But while they are all different, they all have heartbreak and difficulty in common. Everything changes when they join our family. We have added a clinical component to our program with a licensed professional counselor to provide children and their families trauma therapy (EMDR). It is our mission to help our children and their families heal with reunification as the primary focus to preserve the family unit. Mustard Seed Ranch has been called to give hurting children and families a chance. We do not benefit from state or federal funds and we are proud to say that we do not charge for the children to live here. We are 100% community supported and remain debt free since 2009. We need your support and ask you to prayerfully consider supporting our ability to provide for 30 children and their families. 931-525-7333 [www.mustardseedranchtn.org](http://www.mustardseedranchtn.org)

The mission of [RISE](#) is to help people to become self-sufficient by building and sustaining human and financial assets. RISE helps families to budget, save and accumulate assets (GMFEC, Save Up and Common Cents). Our innovations equip youth with financial literacy tools to help them become financially accountable early in life (Goal Card and Goal Card Career Forum), and because elderly citizens are so often unaware of available benefits, they often fall prey to malicious scams that rob them of their finances and dignity, RISE helps protect them (Silver Neighbors). RISE uniquely assists the economically vulnerable in tackling generational poverty by empowering them to move their families toward self-sufficiency. Using tailored curriculum designed to meet them where they are with financial literacy tools and matching incentives, low to moderate income residents can enroll in the RISE Save Up Program and gain knowledge to develop and maintain banking relationships, create business plans, or prepare to embark on secondary educations. Participants build budgets and spending plans towards asset purchases which include accruing \$1k in savings that are eligible for a 2:1 match from RISE; to date \$10.2 million dollars in asset purchases have been accumulated. RISE has now expanded its programming targeting youth, adults and seniors in Memphis to include the Greater Memphis Financial Empowerment Center (GMFEC). GMFEC provides free one-on-one financial counseling to adult residents of Shelby County, regardless of income, for up to one year.

[Salvus Center](#) is a faith-based, primary care medical clinic in Gallatin that serves uninsured, working residents of Sumner County. Fees for service are set on a sliding scale, based on family income. Each year over 2,800 patients are served at Salvus Center through 4,200 patient visits. (615) 451-0038 [www.salvuscenter.org](http://www.salvuscenter.org)

[Second Harvest Food Bank of Northeast Tennessee \(SHFBNT\)](#) is the only food bank in our eight-county service region of Carter, Greene, Hancock, Hawkins, Johnson, Sullivan, Unicoi and Washington counties dedicated to providing food to hungry and food insecure neighbors in need. Thanks to donors like you and with the help of volunteers, SHFBNT distributed 12,998,618 pounds of food and grocery products which equates to 10,832,182 meals to feed the hungry in NE TN through agency partners and direct service programs during fiscal year 23 (Jul '22 – Jun '23). For more information please visit our website at [www.netfoodbank.org](http://www.netfoodbank.org) or call 423-279-0430.

Sister Supply's mission is to provide menstrual products to those who lack financial access to these monthly essentials. We do this by partnering with nonprofits, civic, and community organizations that serve menstruators in need. We have 3 strategic objectives: 1.) Supply the need; 2.) Destigmatize menstruation; 3.) Provide education about and access to sustainable products (washable pads, period panties, and menstrual cups) [www.sistersupply.org](http://www.sistersupply.org)

The mission of [Sullivan County Imagination Library](#) is to develop the love of reading in young children. We imagine the benefits to children and society if all kindergartners arrived at school loving books and reading. Each month over 6400 children in our community receive a book in the mail addressed to them at no cost to the family. We have heard so many times how excited children are to receive their new book in the mail. Often these are the only books in the family's home. Early access to books prepares children for academic success in kindergarten and beyond, lifelong learning, and a love of reading. Every child from birth until their fifth birthday is eligible to receive books, and donations allow us to continue to serve every child that enrolls.

Founded in 1891, [Tennessee Baptist Children's Homes \(TBCH\)](#) provides children in crisis with residential homes, foster care homes, and family care. The majority of children in TBCH care are from homes at or below the federally determined poverty level. TBCH residential homes are located in Millington, Brentwood, and Chattanooga. TBCH foster care homes are available statewide. TBCH is certified by the Council on Accreditation and serves more than 200 Tennessee children annually from all Tennessee counties. TVFV assists victims in restoring normalcy after a crime, works to prevent victimization by raising awareness about victims' rights and available resources in the state. TVFV educates incarcerated men and women in weekly victim impact classes to reduce victimization and prison recidivism. TVFV represents the interests of victims of crime before the legislature and media. TVFV collaborates with Tennessee District Attorneys to implement homicide loss support groups in every judicial district, as well as implementing victim assistance protocol for instances of Mass Violence in Tennessee communities.

Founded in 1946, [Tennessee Wildlife Federation](#) is dedicated to the conservation of our state's wildlife and natural resources. We work to connect people to the great outdoors in ways that conserve our natural resources for generations to come through stewardship, youth engagement, and public policy.
