Modification of a hospital requiring a capital expenditure greater than \$5 million and the addition of major medical equipment. The construction and renovation of approximately 470,000 square feet of space at Methodist University Hospital located at 1211-1265 Union Avenue in Memphis (Shelby County), TN 38104. The project involves the onsite replacement and modernization of the hospital campus including the construction of a new patient tower and an adjacent building to consolidate ambulatory services. The project will not increase or decrease the hospital's existing 617 licensed beds. Of the 617 licensed beds, 204 beds will be relocated to the new patient tower and 28 medical-surgical beds will be converted for use as critical beds. As a part of the project, the hospital will add an interoperative, GE Discovery 3.0 Tesla MRI unit (iMRI), an Elekta Versa Linear Accelerator unit and will relocate existing PET, CT and infusion equipment and services. The estimated project cost is \$280,000,000.
