

CPR and Safety Training

Saturday, July 19th
9:00am to 12:00pm
Murfreesboro Nissan

814 Memorial Blvd, Murfreesboro, TN
(In the conference room)

Provided by:

and

Life-threatening emergencies happen every day in our homes, in our community, and in the workplace. Students will learn basic yet critical key actions that can be taken during an emergency until help arrives. This training session will provide:

- How to respond confidently in a life-saving situation, including in the event of an allergic reaction, bleeding situation, basic first-aid need, and several other scenarios.
- The opportunity to become introduced and **certified in CPR**. (Go to our website for more information.)
- Students will also get a tour of the Nissan dealership and learn what it is like to work there.

**For more information on these opportunities
and to register go to:**
www.JobwiseNashville.com/training-events

*This opportunity is provided in cooperation with JobWise and the Tennessee Department of Human Services, Vocational Rehabilitation (VR) program. This program is through the Workforce Innovation and Opportunities Act (WIOA). Students ages 14 to 21 that have an IEP, 504 or medical condition are eligible for the program.

If your child is not already receiving PreETS, they will need a signed permission form and proof of disability to participate in these activities.
