

A map of Tennessee showing its 95 counties. The counties are labeled with their names. Colored dots (red, blue, green, and orange) are placed on the map to indicate the locations of the 100 largest cities in Tennessee. The dots are distributed across the state, with a higher concentration in the eastern and central regions. The map is oriented with the state's outline, showing the Mississippi River to the west and the Georgia border to the east.

Building a Thriving Tennessee Grants (Phase 3)
