

CS Public Rules Hearing on April 26, 2021 at 10:06AM (CST)

Transcription From the Hearing:

<**Daphne A. Davidson** > This rulemaking hearing is called to order at 10:06 a.m. CST on Monday, April 26, 2021. My name is Daphne Davidson, Senior Associate General Counsel for the Department of Human Services. I have been designated as the hearing officer to conduct this rulemaking hearing.

<**Daphne A. Davidson** > This hearing is conducted pursuant to the Tennessee Administrative Procedures Act, Title 4, Chapter 5, Part 2, of the Tennessee Code Annotated, and pursuant to T.C.A. § 71-1-102(12), which is the law giving DHS the authority to make rules as deemed necessary. This is conducted via video conferencing, which is currently permitted by the Executive Order 78 due to the Covid-19 pandemic for public meetings and hearings to consider promulgation of proposed rules Chapter 1240-08-04, rule number 1240-08-04-.03 and rule number 1240-08-04-.09

<**Daphne A. Davidson** > We are present this morning to hear oral comments on these proposed rules. The comments will be recorded. We are not here to respond to your comments at this time, we are just simply recording them for a later response on the Secretary of State's website. So let me repeat that because this is not the typical hearing that we usually think of when we think of word hearing. This is simply a time for these comments (your comments) to be recorded and not to receive responses from us at DHS at this time, however we will later respond to each comment on the Secretary of State's website that you will be able to access.

<**Daphne A. Davidson** > The Department will also accept written comments on the rules. The hearing record for these rules will be kept open to collect written comments, which must be received by the Department no later than May 7, 2021 which is ten (10) days after today's hearing date of April 26, 2021. All written comments should be marked with your name, address, and phone number and should refer to the chapter number 1240-08-04 and should be submitted to DHS in c/o the Office of General Counsel, James K. Polk Building, 14th floor, 505 Deaderick Street, Nashville, TN 37243. That address is in the chat box for you to look at and have that address handy and so that you can see that. We will also add, if its already not in there in the chatbox, our policy email address for you to email written comments to us as well. Again, please get those comments to us no later than May 7, 2021.

<**Daphne A. Davidson** > The comments we receive will be reviewed by the DHS Executive staff. Comments may result in changes to these rules; therefore, your comments very are important to us.

<**Daphne A. Davidson** > The rules will then be written in final form, sent to the State Attorney General's office for legal review, and then filed with the Secretary of State together with a summary of the comments and the Department's responses to all the comments as a group.

Sometimes we get comments that are very similar and those may be grouped together, but all the comments will be responded to. The rules will not be effective until ninety (90) days following the date when they are actually filed with the Secretary of State. Following the filing with the Secretary of State, they also will be reviewed by the Senate/House Government Operations Committee who may recommend changes to the rules. That hearing may also be attended by the public as well. Please let me know if you would like to make a comment on the record. This record will be open here for oral comments this morning for one hour. We started at 10:06 am, so until 11:06 am so please let us know if you would like to make a comment. I am going to open the floor for oral comments at this time.

< **Daphne A. Davidson**> Again the recording is available right now for any oral comments that anyone would like to make regarding the proposed rules, so please feel free to make a comment at this time. You can either unmute yourself or raise your hand in the chat and I will acknowledge your name for the record and then you can make a comment, but please feel free to make a comment.
