

Child Care Services Daily Update – July 7, 2020

The Tennessee Department of Human Services (TDHS) will continue to provide you with the most current information pertaining to Child Care programs. We will continue to remain diligent in keeping this website current.

Federal Assistance

The federal government recently issued some additional guidance that relates to the Disaster/Emergency Response and Recovery Grants, which are funded with ACF Child Care Development Fund/CARES Act dollars.

“The CARES Act does not restrict child care providers from simultaneously receiving funding from the CCDF Discretionary funds and from other federal or state programs, such as the small business loan funds offered through the CARES Act. However, child care providers who receive ACF grants may not use grant funds for costs that are reimbursed or compensated by other federal or state programs, including the Small Business Administration’s Paycheck Protection Program (PPP), the Public Health and Social Services Emergency fund, or unemployment compensation.”

This is not provided as legal advice. We are simply forwarding language that was provided by the federal government.
