

Rehabilitation Assistant

Job Location: The position can be housed within Davidson County or surrounding counties. **This position is currently designated AWS- Alternative Workplace Solution. Any position could ultimately be designated as work from home, mobile work or free address.**

ABOUT POSITION

The Division of Rehabilitation Services, Independent Living (IL) Program, provides a variety of individualized services to persons with severe vision loss to support them in achieving their goals for living independently consistent with their strengths, priorities, and resources. Services provided can reduce or eliminate disability related barriers to performing daily living activities in the home and in the community. Under the general supervision, of a Field Supervisor 1 (FS1), the Rehabilitation Assistant provides one on one training to customers in aspects of communication and daily living skills. Training may include and is not limited to; adaptive techniques used for cooking, money identification, introduction of braille, proper use of magnification, color, contrast, and lighting to enhance functional vision. The provision of counseling and guidance, focus on supporting individuals in setting goals for independence, adjusting and coping in living with vision loss and accessing resources to build supports in maintaining independence in the community.

RESPONSIBILITIES

- Utilize case management systems for documentation of case work to drive case progression.
- Strengthen local relationships to increase community awareness and support customers in achieving their independent living goal through networking and outreach to assigned coverage area.
- Evaluate individuals progress in meeting goals for independence and recommend adjustments of training and services.
- Practice person-centered thinking and planning.
- Active listening to customers and problem solving with the person is vital to success in this role.
