Partnering with Vocational Rehabilitation to build a bridge to employment for people with disabilities

Vocational Rehabilitation (VR) and SRC

2016 Annual Report

“Paving the Road to customer-focused, employment-driven services”
TO THE HONORABLE GOVERNOR BILL HASLAM AND JANET LABRECK,
REHABILITATION SERVICES ADMINISTRATION (RSA) COMMISSIONER AND THE
CITIZENS OF TENNESSEE:

December 2016

On behalf of the State Rehabilitation Council (SRC) of Tennessee, it is my privilege to present the 2016 Annual Report.

This has been a year of refocusing on the SRC mission which is “to advise, evaluate and partner with the public vocational rehabilitation program in support of improving access to employment and promoting a diverse workforce statewide”.

Members of the SRC have worked in partnership with Vocational Rehabilitation (VR) services within the Tennessee Department of Human Services (TDHS) to navigate through the ongoing changes and updates of the Workforce Innovation Opportunities Act (WIOA) which was signed into law by President Obama in July 2014. A comprehensive training was held this year to assure that each member in attendance had the latest information and expectations regarding this Act.

The SRC also collaborated with TDHS to conduct a Comprehensive Statewide Needs Assessment (CSNA) to determine strengths and weaknesses of VR services across the state. These findings were then forwarded to the Rehabilitation Services Administration for further review.

Throughout the year, members of the SRC have demonstrated leadership and developed a strong partnership with TDHS to ensure Tennesseans with disabilities were able to obtain and maintain employment. The SRC has supported TDHS through the subsequent changes with WIOA. We are pleased with the progress being made to improve transition services for youth with disabilities.

The State Rehabilitation Council shares an open invitation to the public to join us for any SRC meeting. Information about the SRC, meeting dates and locations can be found on the TDHS website. A wide range of accommodations are made available upon prior request for these meetings.

I have enjoyed being chair and serving alongside the other members of the SRC. We are honored to provide leadership and work in partnership with Vocational Rehabilitation Services, as together we strive for a statewide workforce that values disability and diversity committed to full participation of all citizens of Tennessee.

Respectfully,

Norm Nelson
SRC Chair
MESSAGE FROM CHERRELL CAMPBELL-STREET, DEPARTMENT OF HUMAN SERVICES

It is such an honor to serve as the Chief Officer of Programs and Services for the Division of Rehabilitation Services. Sharing in the mission with the Tennessee Department of Human Services has solidified our commitment to ensuring Tennesseans with disabilities have every opportunity to benefit from a myriad of services to improve their lives.

The Vocational Rehabilitation Program has experienced several positive outcomes because of the many initiatives, partnerships and collaborations with stakeholders, state agencies, and employers. We are very excited about the new focus on pre-employment transition services as a result of the Workforce Opportunity and Innovation Act. We believe by introducing appropriate work behaviors, internships and job readiness skills at an earlier age, we can assist youth and students with disabilities appreciate the value employment has in achieving great success.

We are honored to work with such a forward-thinking State Rehabilitation Council (SRC). The SRC continues to be an essential asset in achieving the goals and objectives of the Vocational Rehabilitation Program. We look forward to working with the Council in the upcoming year to increase the number of Tennesseans with disabilities in the workforce.

Sincerely,

Cherrell Campbell-Street
Chief Officer of Programs and Services
Tennessee Department of Human Services

SRC MISSION

Serving all citizens of Tennessee, the mission of the State Rehabilitation Council of Tennessee is to advise, evaluate and partner with the public vocational rehabilitation program in support of improving access to employment and promoting a diverse workforce statewide.

SRC VISION

The State Rehabilitation Council of Tennessee envisions a statewide workforce that values disability and diversity and is committed to full participation of its citizens.

SRC RESPONSIBILITIES AND FUNCTIONS

The SRC of Tennessee works in partnership with the Tennessee Department of Human Services (TDHS) Division of Rehabilitation Services (DRS) to maximize employment and independent living for Tennesseans with disabilities. The SRC advocates for the Vocational Rehabilitation (VR) program as well as advises DRS on issues facing consumers of the VR program. The SRC acts as the voice of the consumer and other stakeholders in the VR program.

The SRC’s responsibilities and functions include:

- Review, analyze, and advise the TDHS Division of Rehabilitation Services regarding responsibilities related to eligibility, including order of selection, effectiveness of services provided, and functions performed by state agencies that affect the employment of individuals with disabilities.

- Partner with DRS to develop, agree to, and review VR goals and priorities. DRS and the SRC evaluate the effectiveness of the VR program and submit reports of progress to the RSA commissioner.

- Advise DRS regarding activities carried out and assist in the preparation of the state plan and amendments to the plan, applications, reports, needs assessments, and evaluations. The SRC is responsible for the portion of the state plan which contains recommendations from the annual report, review and analysis of consumer satisfaction, other council reports, DRS responses to the comments and recommendations, and explanations for rejection of input or recommendations by DRS.

- Conduct a review and analysis of the effectiveness and consumer satisfaction with DRS, VR services provided and the employment outcomes achieved by eligible individuals.

- Prepare and submit an annual report to the Governor and the RSA commissioner on the status of VR programs in the state. This report highlights the goals and achievements of the VR program, the Councils accomplishments for the year, VR program statistics, and VR client success stories.

- Coordinate activities with other councils to avoid duplication of efforts and enhance the number of individuals served.

- Coordinate and establish working relationships between DRS and the Statewide Independent Living Council (SILC) and centers for independent living within Tennessee.

- Perform other functions consistent with VR services deemed appropriate by the SRC.

A State having a SRC is established in Title I, Section 101(a) (21) of the Rehabilitation Act of 1973 and in Title 34 Part 361.16 of the Code of Federal Regulations (CFR).
 SRC Membership

Council members are appointed by the Governor to serve a term of three years and may not serve more than two consecutive terms. When making appointments, the Governor must consider individuals representing a broad range of individuals with disabilities and organizations interested in individuals with disabilities. The Governor, to the extent possible, must consider that minority populations are represented on the Council. The majority of members must be individuals with disabilities not employed by Tennessee Department of Human Services, Division of Rehabilitation Services.

CFR Title 34 Part 361.17 contains details on membership, appointments, terms, and electing of a chairperson.

Officers for FY2016

Norm Nelson
SRC Chair
Disability Advocacy Group

From: Knoxville
Senate District: 07
State Senator: Sen. Richard Briggs
House District: 16
State Representative: Rep. Bill Dunn
VR Region: 2

Ann Eubank
SRC Vice-Chair
Statewide Independent Living Council

From: Nashville
Senate District: 21
State Senator: Sen. Jeff Yarbro
House District: 53
State Representative: Rep. Jason Powell
VR Region: 5

Becky Allen
SRC Secretary
Client Assistance Program

From: Knoxville
Senate District: 06
State Senator: Sen. Becky Massey
House District: 14
State Representative: Rep. Jason Zachary
VR Region: 2

Incoming Members

The SRC would like to welcome our new members:

- Lee Brown
- David Cole
- Ann Eubank
- John Harris

Outgoing Members

The SRC would like to thank our outgoing members for their service:

- Sharon Bryant
- Amy Gonzalez
- Samantha Moreno

The council must be comprised of at least 15 members from the following groups/organizations:

- SILC, Parent Training and Information Center, Client Assistance Program (CAP), VR counselor (ex officio, non-voting member if Department of Human Services (TDHS) employee), community program service providers, business, industry, and labor representatives (at least 4), disability groups, current or former VR recipients, State educational agency, State workforce investment board, and the DRS Assistant Commissioner (ex officio, non-voting member).

### SRC COMMITTEES

The SRC in Tennessee has adopted a committee structure. The Council has many responsibilities throughout the year. The committee structure allows the Council to divide up the work into smaller focused segments so the committees can address issues in-depth. Committees can do work outside of formal meetings and report back to the whole group. The SRC chair can appoint additional committees as necessary to carry out the purpose of the Council. All SRC members must serve on at least one committee. The SRC adopted a new committee structure with bylaw changes in March 2015.

### EXECUTIVE COMMITTEE

The Executive Committee consists of the Chair, Vice Chair, Secretary, and past SRC Chairs, if approved by the current Chair. This committee completes SRC business in a timely manner and prepares for the quarterly meetings. The Executive Committee is responsible, in collaboration with TDHS, for the preparation of the State Plan, Annual Report, Standards and Indicators, SRC Calendar, and the Resource Plan.

Members: Samantha Moreno (prior to resignation from SRC), Norm Nelson, Ann Eubank and Becky Allen

---

**Samantha Moreno**  
**SRC Chair through January 27, 2016**  
**Current VR Recipient**

From: Knoxville  
Senate District: 7  
State Senator: Sen. Richard Briggs  
House District: 89  
State Representative: Rep. Roger Kane  
VR Region: 2

**Yolanda Shields**  
**Workforce Investment Board**

From: Spring Hill  
Senate District: 23  
House District: 65  
VR Region: 6

**Yovancha Lewis-Brown**  
**TDHS Liaison**
**CONSUMER SATISFACTION AND NEEDS ASSESSMENT COMMITTEE (CSNAC)**

CSNAC is a standing committee that fulfills the requirements of the law and gathers reliable data to shape policy, procedures, and program accountability.  
Members: Tom DePauw (Chairperson), Lee Brown and John Harris. Ex Officio Members: Norm Nelson, Ann Eubank and Becky Allen

**OUTREACH PUBLIC RELATION AND AWARENESS COMMITTEE (OPRA)**

OPRA is a standing committee that acts as the bridge between SRC/VR to the community and stakeholders with the primary purpose to gather and distribute information that impacts successful client employment outcomes.  
Members: Rhonda Holder (Chairperson), David Cole, Amy Gonzalez, Tom Kakac, Matthew Lawson and Yolanda Shields
SRC ACCOMPLISHMENTS

❖ Four (4) SRC meetings were held.
❖ Prepared FY2015 Annual Report with the TDHS Division of Rehabilitation Services (DRS).
❖ Developed a resource plan for calendar year 2016.
❖ The SRC and DRS reviewed the nomination process for SRC members to be sent to the Governor’s office.
❖ The SRC and DRS submitted nominations for SRC members to the Governor and five appointments were made during FY2016.
❖ Invited former VR recipients to attend each SRC meeting with their VR counselors to share their success stories.
❖ Conducted the Comprehensive Statewide Needs Assessment (CSNA) in conjunction with DRS and submitted the results to the Rehabilitation Services Administration.
❖ Continued participation in the National Coalition of State Rehabilitation Councils (NCSRC) via participation in bi-monthly national calls and attendance at conferences.
❖ SRC Secretary and Client Assistance Program Representative Becky Allen attended the NCSRC Spring Training Conference and the Council of State Administrators of Vocational Rehabilitation (CSAVR) Spring Conference held in Bethesda, MD in April 2016.
❖ The SRC held in-service training for all members on July 6, 2016 in Nashville. A portion of the training was conducted via teleconference by Marlene Malloy, President of the NCSRC.
❖ In September, Norm Nelson, SRC Chair, provided a training to statewide Business Employment Consultants at the Tennessee Rehabilitation Center at Smyrna. Mr. Nelson lead a great discussion with BEC’s regarding networking activities that included helpful tips that staff could use to increase their engagement with businesses that can ultimately lead to increase employment outcomes.
❖ Members Ann Eubank and Becky Allen represented the SRC at the September 23, 2016 RSA Roundtable sponsored by the Tennessee Department of Human Services. The discussion focused on information regarding WIOA and Pre-Employment Transition Services as presented by RSA Commissioner Janet LaBreck.

WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA)

The Workforce Innovation and Opportunity Act known as WIOA was passed by Congress and signed into law by President Obama on July 22, 2014. WIOA provides access to employment, education, training, and support services to help match employers with skilled workers. WIOA includes the reauthorization of the Rehabilitation Act of 1998 and effects state VR programs.

Learn More: www.doleta.gov/WIOA/

The U.S. Departments of Labor and Education announced the publication of the Workforce Innovation and Opportunity Act (WIOA) final rules in the Federal Register on August 19, 2016.
SRC PRIORITIES FOR FY2017

- Continue to collaborate with DRS to fulfill the duties of the SRC.

- Share the results from the FY2016 Comprehensive Statewide Needs Assessment (CSNA) with DRS stakeholders. Work with DRS to begin addressing the areas in need of improvement as identified via the CSNA.

- Work with DRS to refine the Customer Satisfaction Survey process.

- Create an SRC calendar with important dates and deadlines.

- Develop and implement an SRC strategic plan.

- Improve SRC recruitment process.

- Appoint ad hoc committees as needed.

- Increase awareness of the SRC and our collaboration with the VR program.

- Increase understanding of the VR process and federal regulations to better assist with SRC duties.

We look forward to continuing this collaboration which benefits all Tennesseans.

NATIONAL COALITION OF STATE REHABILITATION COUNCILS (NCSRC) CONFERENCE

The NCSRC is a coalition of State Rehabilitation Councils. Their mission is “On behalf of people with disabilities, our national membership coalition will advocate for and work in partnership with the national public vocational rehabilitation system’s continual quest for excellence.” There are currently 53 member organizations. NCSRC generally holds two (2) conferences per year.

SRC member Becky Allen attended the Spring 2016 Training Conference sponsored by the NCSRC and held in Bethesda, MD on April 16-17, 2016. Conference participants worked in teams to enhance their knowledge of the SRC roles and responsibilities in order to better maximize the potential of the SRC. A panel presentation by several state VR programs and the corresponding SRCs provided insights and tips for working together to enhance employment outcomes for VR clients.

WIOA implementation was a major focus throughout the conference and attendees tested their knowledge of the changes in the VR program as a result of WIOA via a friendly game of WIOA Bingo. Information regarding the new Technical Assistance Centers was also shared with the group.

RSA Commissioner Janet LaBreck provided an RSA Update to attendees and emphasized the changes which have resulted from the implementation of WIOA. She also explained the current work by RSA in development of the new regulations related to WIOA. Learn more about NCSRC on their website at www.ncsrc.net.
**COMPREHENSIVE STATEWIDE NEEDS ASSESSMENT**

As required by WIOA and the Federal Regulations, every three years, the SRC collaborates with the Tennessee Department of Human Services, Division of Rehabilitation Services (DRS) to determine the rehabilitation and vocational needs of Tennesseans with disabilities. The Comprehensive Statewide Needs Assessment (CSNA) focuses on individuals with the most significant disabilities, underserved individuals with disabilities that are minorities, individuals with disabilities served through other components of the statewide workforce investment system, and assesses the need to establish, develop, or improve community rehabilitation programs. The assessment is used to formulate the goals and priorities in the State Plan.

*The Rehabilitation Act of 1973, Title I, Section 101(a)(15)(A) and CFR Title 34 Part 361.29(a) layout the requirements and purpose of the Needs Assessment.*

The 2013 Comprehensive Statewide Needs Assessment was reviewed and discussed by the SRC. The members of the SRC Executive Committee and the Consumer Satisfaction and Needs Assessment Committee worked with the TDHS Quality Improvement and Strategic Solutions Division (QISS) to refine the surveys used in the 2013 CSNA.

To assist the Vocational Rehabilitation program (VR) in conducting their triennial statewide needs assessment, the Research and Data Analysis unit monitored and collected surveys for the following groups: VR Staff, VR Community Resource Partners, VR Clients/Caregivers, VR Stakeholders, and Workforce Innovation and Opportunity Partners.

Participants had 2 weeks (July 25-August 8 2016) to complete their respective survey.

The QISS generated a report from the collected data and the final report was submitted to the Rehabilitation Services Administration by September 30, 2016. The SRC and TDHS/DRS will utilize the report to guide the development of future goals and priorities for the provision of services.

The full report is available on the SRC webpage: [https://www.tn.gov/humanservices/article/state-rehabilitation-council](https://www.tn.gov/humanservices/article/state-rehabilitation-council).

**WHAT IS VOCATIONAL REHABILITATION?**

Vocational Rehabilitation is a joint federal and state program that assists people with disabilities to prepare for, secure, retain, advance in or regain employment. VR services can include training through Community Tennessee Rehabilitation Centers (CTRCs) and providing assistance that would increase an individual’s ability to work. This could be through rehabilitation technology, auxiliary aids, job placement, and post-employment services. Clients receive counseling and guidance to help determine and achieve their employment goals. In the Tennessee, the VR program is administered by the Tennessee Department of Human Services (TDHS), Division of Rehabilitation Services (DRS).
UNDERSTANDING ORDER OF SELECTION (OOS)

The Vocational Rehabilitation Program operates on an Order of Selection (OOS). When a state does not have the resources to serve every individual that has been determined eligible for services, individuals receive services based on an OOS. Under the OOS, those persons with the most significant disabilities are served first.

In Tennessee the OOS contains four priority levels with 1 being the most significant and 4 being the least significant. To be considered Priority Category 1, a client must have limitations in two of seven areas (mobility, communication, self-care, self-direction, interpersonal skills, work tolerance, or work skills). Clients must also require multiple vocational rehabilitation services for 6 months or longer.

Currently, Tennessee serves Priority Category 1 and Priority Category 2 cases and continues to review and analyze the potential opening of Priority Category 3 and 4.

STATUS OF THE VOCATIONAL REHABILITATION PROGRAM

The status of the VR program includes a review of the program accomplishments, an examination of statistics to see the changes from the previous fiscal year, client success stories and information regarding program initiatives.

VR PROGRAM ACCOMPLISHMENTS FOR FY2016

- The number of successful closures employment outcomes was 2,130.
- 96.67% of individuals served and closed with successful employment outcomes were individuals with significant disabilities.
- Increased employment opportunities for people with disabilities by building and maintaining a comprehensive network of employment resources across the state and continuing to develop and provide services to employers. Promoted the value of the division and the hiring of people with disabilities through ongoing employer relationship development, maintenance with existing VR Employment Counselors, and through our contract with the University of Tennessee Knoxville (UTK) DRS Corporate Connections.
- Continued partnership with the Tennessee Department of Mental Health and Substance Abuse to provide Individualized Placement Services (IPS) to consumers with severe mental health diagnoses. This program was expanded in FY2016 into West Tennessee, resulting in at least one site in each Grand Region.
- During FY2016 there were at least 1,408 cases served in Supported Employment (SE). Of this number, there were 330 cases that were closed in Status 26 (working at least 90 days) Successful Employment. Approximately 335 or 39.7% of all SE cases were served using the Individual Placement and Support (IPS) SE model. Of this 335, at least 64 cases, or approximately 19%, were closed in Status 26.
- A one day statewide conference was held at the Embassy Suites, Franklin, TN, on May 10, 2016. The conference theme was “Celebrating Tennessee’s IPS Community”. This is the second statewide conference since the inception of IPS in October 2013. In May, in the IPS team attended the annual national learning collaborative conference in CT.
Expanded services through new agreements with Community Rehabilitation Providers. Training was provided to staff and vendors throughout the state. A contract with the UTK DRS Corporate Connections was established to provide vendor training.

Project SEARCH is a one-year internship program for students/adults with disabilities. It is generally targeted for individuals with intellectual disabilities whose goal is competitive, integrated employment. The program takes place in a healthcare, government or business setting where total immersion in the workplace facilitates the teaching and learning process as well as the acquisition of employability and marketable work skills. Interns participate in three internships to explore a variety of career paths. Project Search has 10 sites statewide. During 2015-16, VR had 69 clients to participate in the program as interns and 49 were employed.

The VR Program has increased the number of Transition School to Work (TSW) contracts with Local Education Agencies (LEAs) to provide dedicated staff resources to students from 20 in 2014 to over 30 in the current state fiscal year. In the 2015-16 academic year, 25 contracts were executed in 29 LEAs. 3,443 students received services in 84 high schools. In 2016-17, the number of TSW contracts increased to 33, serving 118 high schools across the state.

In May, the Tennessee Department of Human Services) hosted the ResourceABILITY Assistive Technology Access Fair in the gymnasium of the Tennessee Rehabilitation Center located in Smyrna, Tennessee. The event focused on the role of technology in helping people with disabilities. Assistive technology, also known as AT, is any product, software, device or tool that helps people with disabilities enhance their function in daily tasks, including life skills and employment.

Vocational Rehabilitation is currently receiving intensive technical assistance from Job Driven Vocational Rehabilitation Technical Assistance Center (JD-VRTAC) in the area of business engagement. Tennessee is one of 18 states currently receiving intensive technical assistance from JD-VRTAC. Agencies receiving intensive technical assistance become a part of a learning collaborative to share strategies and solutions. The goal of the JD-VRTAC is to build state VR agencies’ capacity to improve and expand job-driven practices for consumers.

“**Our workforce and our entire economy are strongest when we embrace diversity to its fullest, and that means opening doors of opportunity to everyone and recognizing that the American Dream excludes no one.**”  

--Thomas Perez
CLIENT SUCCESS STORIES

Jeremy Duchow

Jeremy Duchow was closed successful this year and employed with the Titanic in Pigeon Forge. Mr. Duchow's disability is on the Autism spectrum with ADHD, Personality Disorder. He has always been fascinated with the Titanic, studying the history of the from a young age. He has written independent stories and freelance artwork with the Titanic as the focal point. The counselor and client worked with the Disability Resource Center (DRC) for placement services and they facilitated services to assist with direct placement at the Titanic. They were involved in networking with Human Resources and Management at the Titanic and assisted with at length interview preparation to prepare Jeremy for the interview, focusing on soft skills. All the hard work resulted in successful employment outcome.

Mr. Duchow, his VR counselor and The Titanic Museum in Pigeon Forge were recognized with ADA Spirit Awards at the 20th Anniversary of Disability Resource Center and Spirit of the ADA Awards Celebration.

~ Counselor- Christy Hill

Joshua Plant

As a result of a car accident his senior year of high school, Joshua Plant experienced a C-5-6 spinal cord injury. After completing all the necessary assessments, his Individualized Plan for Employment (IPE) was developed for him to attend college majoring in public relations at Columbia State Community College. After completion of his first year of college and a break from school, he was in need of occupational and physical therapy provided at Tennessee Rehabilitation Center (TRC) in Smyrna, TN. After spending 3 months at TRC, he learned life skills that assisted him to live independently. He later returned to school and obtained his Associates Degree. He continued his education and obtained his Bachelor of Science in Communications at Middle Tennessee State University. Due to few employment opportunities in his area of study, he started his own business in Public Relations and web design. He recognized the opportunity in a niche market of auto racing market, and went forward with it. His case was closed successfully in August 2013.

With changing family circumstances, Mr. Plant needed more substantial income and benefits. With the work experience on his resume, he sought the assistance of Vocational Rehabilitation. He was referred to a Business Employment Consultant (BEC) to help advocate and assist with job seeking efforts. Mr. Plant decided to apply for an entry level secretary position with the Division of Rehabilitation Services with the hopes of transitioning to a higher position at some time in the future. He was excited to be hired at the agency that had assisted him over the years. He desires to work his way up through the ranks and make a great career in helping those with disabilities return to work.

~ Counselor- Billy Gilbert
VR Programs and Initiatives

**Project SEARCH®**

Project SEARCH® was developed in 1996 at Cincinnati Children’s Hospital Medical Center by Erin Riehle to train and hire individuals with intellectual and developmental disabilities to work in the hospital (http://www.projectsearch.us/About.aspx). Project SEARCH® now has over 300 sites worldwide including sites in Tennessee.

Project SEARCH® facilitates internships with a business where the business may hire the intern. About 90 to 100% of the students are hired upon program completion. The internship applies to individuals with intellectual and development disabilities in their last year of high school (http://www.tn.gov/cdd/article/project-search).

During the internship, interns learn job skills and the policies and procedures of the business. Interns also train in different departments to determine the area that is the best fit for them.

Currently there are 10 sites in Tennessee Project SEARCH® Sites:

- LeBohner Children’s Hospital in Memphis/Shelby County
- Sheraton (N.Main) in Shelby Co.
- Embassy Suites in Metro Nashville
- Embassy Suites in Murfreesboro
- Project Search Vanderbilt
- Clarksville/Montgomery County Government
- University of TN Medical Center in Knoxville
- East TN Children’s Hospital in Knoxville
- Maryville College (Blount County)
- Jackson/Madison County

**Post-Secondary Education (PSE) Alliance**

The PSE programs focus on postsecondary options for students with intellectual disabilities at colleges and universities. These programs are another option to assist students in the transition from school to work. The PSE Alliance provides an alternate post-secondary experience with job training and job readiness activities on a college campus.

There are four (4) universities in Tennessee that participate in the Post-Secondary Alliance:

- **University of Memphis – TigerLife**
  [http://www.memphis.edu/tigerlife/](http://www.memphis.edu/tigerlife/)

- **Vanderbilt University – NextSteps**
  [http://vkc.mc.vanderbilt.edu/vkc/nextsteps/](http://vkc.mc.vanderbilt.edu/vkc/nextsteps/)

- **Lipscomb University – IDEAL**
  [http://www.lipscomb.edu/education/ideal-program](http://www.lipscomb.edu/education/ideal-program)

- **University of Tennessee – FUTURE**
  [http://futureut.utk.edu](http://futureut.utk.edu)

Prior to the beginning of each semester, the school’s program staff, the student and the VR Counselor will discuss recommendations. The recommendations will be based on observations and assessments.
**Helpful Websites**

- **Client Assistance Program** – [http://www.disabilityrightstn.org/links/client-assistance-program-(cap)](http://www.disabilityrightstn.org/links/client-assistance-program-(cap)) - helps individuals who have concerns or difficulties when applying for or receiving rehabilitation services funded under the Rehabilitation Act.

- **Community Tennessee Rehabilitation Centers (CTRC)** – [http://www.tn.gov/humanservices/topic/community-trcs](http://www.tn.gov/humanservices/topic/community-trcs) - A CTRC provides services that lead to employment and are designed to meet individual needs.

- **National Coalition of State Rehabilitation Councils (NCSRC)** – [http://www.ncsrc.net](http://www.ncsrc.net) - on behalf of people with disabilities, the NCSRC advocates for and works in partnership with the national public vocational rehabilitation system’s continual quest for excellence.

- **National Rehabilitation Association (NRA)** – [http://www.nationalrehab.org](http://www.nationalrehab.org) - the Nation’s most established and respected membership association for rehabilitation professionals. NRA members work to eliminate barriers and increase employment opportunities for people with disabilities.

- **Rehabilitation Services Administration (RSA)** – [http://rsa.ed.gov](http://rsa.ed.gov) – contains information about the federal Rehabilitation Services Administration and includes various reports and VR statistics for each State (includes the State Plans). Includes detailed information regarding WIOA

- **Tennessee Department of Human Services Division of Rehabilitation Services (DRS)** – [http://www.tn.gov/humanservices/section/disability-services](http://www.tn.gov/humanservices/section/disability-services) - contains information on rehabilitation services such as the CTRC’s, Deaf and Hard of Hearing Services, the Tennessee Technology Access Program (TTAP), and more.

Tennessee Rehabilitation Center Smyrna – [http://www.tn.gov/humanservices/topic/trc-smyrna](http://www.tn.gov/humanservices/topic/trc-smyrna) - TRC Smyrna is a comprehensive residential rehabilitation facility that offers specialized programs and services within a campus environment.

Vocational Rehabilitation Services – [http://www.tn.gov/humanservices/topic/vocational-rehabilitation](http://www.tn.gov/humanservices/topic/vocational-rehabilitation) - provides information on Tennessee’s Vocational Rehabilitation program including client eligibility and local offices.

**FEDERAL FISCAL YEAR 2017 SRC QUARTERLY MEETING SCHEDULE**

The SRC holds quarterly meetings and the dates, times and locations are posted on the State of Tennessee Public Meetings Calendar at [http://www.tn.gov](http://www.tn.gov) at least 30 days in advance of the meeting.

- October 13, 2016 in Nashville
- January 12, 2017 in Nashville
- April 13, 2017 in Nashville
- July 13, 2017 in Nashville

**JOIN THE SRC**

If you are a person with a disability or someone interested in having input regarding employment services to individuals with disabilities, the State Rehabilitation Council of Tennessee may be for you. If you are interested in learning more about this unique opportunity to serve, please contact the SRC at srctennessee@gmail.com.

Unity is strength... when there is teamwork and collaboration, wonderful things can be achieved. – Mattie Stepanek

**Vocational Rehabilitation Regions**

The Tennessee Department of Human Services, Division of Rehabilitation Services is divided into 11 regions. The map shows the regions and the cities containing the regional offices. Region 10 contains services for the Blind and Visually Impaired for the entire State. Region 11 contains services for the Deaf and Hard of Hearing for the entire State.

Each region contains a regional office, district office(s), and some regions contain CTRC’s. The following pages break down the regions and contain contact information for the regional office, district offices, and CTRC’s.

TRC Smyrna, is a comprehensive residential rehabilitation facility that offers specialized programs and services within a campus environment. TRC Smyrna assists individuals with disabilities in achieving their goals of employment and independent living. The TRC is located 25 miles south of Nashville in the town of Smyrna and serves clients from all 95 counties of the state. Programs of service are offered in seven primary areas:

- Comprehensive Vocational Evaluation
- Employment Readiness Program
- Vocational Training
- Physical Rehabilitation Services
- Traumatic Brain Injury Program (TBI)
- Vision Impairment Services (VIS)
- Transitional Living Skills Training

Community Tennessee Rehabilitation Centers’s (CTRC) provide services that lead to employment and are designed to meet individual needs. There are currently 17 CTRC’s throughout the state. Programs of service include:

- Comprehensive Vocational Evaluation Services – include determining work interest and abilities and career exploration and planning.
- Employee Development Services – include performing actual work for area businesses, building physical work tolerance, learning work skills, and gaining work experience.
- Job Development and Employment Assistance – include job readiness instruction, resume development, and job search assistance.

As a program within the Tennessee Department of Human Services (TDHS), Vocational Rehabilitation Services does not discriminate on the basis of race, color, national origin, sex, disability and age in programs or activities that receive federal financial assistance from the Department of Education (ED). Discrimination on the bases of race, color and national origin is prohibited by Title VI of the Civil Rights Act of 1964; sex discrimination is prohibited by Title IX of the Education Amendments of 1972; discrimination on the basis of disability is prohibited by Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990 (Title II prohibits discrimination on the basis of disability by public entities, whether or not they receive federal financial assistance); and age discrimination is prohibited by the Age Discrimination Act of 1975. Please contact the TDHS Civil Rights Compliance Officer for more information regarding this policy at 615-313-4700.
