Early Childhood Expulsion and Suspension Policy

High quality child care and early learning programs are important to preventing suspensions and expulsions in the early learning setting. Early childhood education programs are responsible for creating positive learning environments that focus on preventing expulsions and suspensions, encouraging partnerships between programs and families to support healthy development, and ensuring fairness, equity and continuous improvement to support children’s social, emotional and behavioral health.

It is recommended that early childhood programs focus on fostering social emotional development and responding to challenging behaviors by incorporating positive discipline practices and policies before ever considering expulsion or suspension from early childhood programs.

Guidance for prevention of expulsion and suspension:
In an effort to prevent expulsion and suspension of children, this agency shall adopt the following, in policy and practice and in a consistent and non – discriminatory manner:

- Use developmentally appropriate practices that provide for stimulating and interactive learning environments, diversity, age appropriate expectations, small group activities, teachable moments and knowledge of research based evidence and best practices in child development, early learning and education.
- Invest in professional development, training and education to ensure educators have the competencies to support children’s social and emotional health.
- Develop and implement classroom schedules that meet the needs of the children.
- Adapt learning environments to promote healthy social interactions with others.
- Develop healthy and nurturing relationships with children.
- Develop strong partnerships and relationships with parents.
- Develop and implement classroom expectations that are developmentally appropriate, clear and consistent.
- Provide family engagement opportunities.
- Ensure fairness and equity.
