

WHERE TO MAIL CHILD SUPPORT PAYMENTS

Child Support payments deducted from the employee's wages, or other income, must be made payable to Tennessee Child Support and mailed to the following address:

**State Disbursement Unit
P.O. Box 305200
Nashville, TN 37229**

Payments mailed to the State Disbursement Unit (SDU) must include the following information to ascertain the payment is applied to the correct child support case.

- Name of the non-custodial parent (employee)
- Docket and Court ID Number*
- Social Security Number

*If Docket Number and Court ID Number are not provided, the Tennessee Child Support Enforcement System (TCSES) case number must be provided.

If you are required to withhold child support from more than one person (or for multiple cases with the same non-custodial parent), you may combine withheld amounts in a single payment, however, you must provide a listing indicating which portion of the single payment is attributable to each individual and provide the information requested above for each payment amount.
