COMMISSIONER

April 10, 2017

Tracy Bryant, Executive Director
Little Miss Mag Early Learning Center
225 Lookout Street
Chattanooga, Tennessee 37403

Dear Ms. Bryant:

The Department of Human Services (DHS) Audit Services staff conducted an on-site unannounced review of the Child and Adult Care Food Program (CACFP) at Little Miss Mag Early Learning Center (Sponsor), Application Agreement number 00-391, on February 16, 2017. Additional information was requested and received on February 17, 2017 to complete the review. We reviewed the Sponsor's records of reimbursements and expenditures for November 2016. The purpose of this review was to determine if the Sponsor complied with *Title 7 of the Code of Federal Regulations (CFR)* applicable parts, application agreement, and applicable Federal and State regulations.

Background

CACFP sponsors utilize meal count sheets to record the number of meals served for breakfast, lunch, supper and supplements meals served. Meals served by participating Sponsors must meet the minimum guidelines set by the United States Department of Agriculture (USDA) and DHS to be eligible for reimbursement. The CACFP Sponsor reports the number of meals served through the DHS Tennessee Information Payment System (TIPS) system to seek reimbursement. We inspected meal counts sheets for our test period and reconciled the meals claimed to the meals reported as served for each meal service. We also assessed compliance with civil rights requirements and observed a meal service. In addition, we observed a meal service during our site visit on February 16, 2017.

Our review of the sponsor's records for November 2016 disclosed the following:

- 1. The number of participants reported in the free and paid categories was incorrect**

Condition

The CACFP applications for four participants classified in the free category did not include income or categorically eligible information on the applications. As a result, four participants were reclassified from free category to paid category.

Criteria

Title 7 of the Code of Federal Regulations Section 226.15(e)(2) states, "Documentation of the enrollment of each participant at centers (except for outside-school-hours care centers, emergency shelters, and at-risk afterschool care centers). All types of centers, except for emergency shelters and at-risk afterschool care centers, must maintain information used to determine eligibility for free or reduced-price meals in accordance with §226.23(e)(1). For child care centers, such documentation of enrollment must be updated annually, signed by a parent or legal guardian, and include information on each child's normal days and hours of care and the meals normally received while in care."

The State of Tennessee Child and Adult Care Food Program Policies and Procedures Manual, page 23, states an institution must maintain, "A properly completed application for CACFP income eligibility for each enrolled participant who is determined eligible for free or reduced-price meal reimbursement."

Recommendation

The Sponsor should ensure that each participant in the CACFP is classified and reported according to the income eligibility application for child care center participants.

2. There was a missing application for one CACFP participant

Condition

The Sponsor did not provide us with one application for a participant that was claimed in the reduced-price category. As a result, one participant was changed from the reduced-price category to the paid category.

Criteria

Title 7 of the Code of Federal Regulations Section 226.17(b)(8) states, "Child care centers shall collect and maintain documentation of the enrollment of each child, including information used to determine eligibility for free and reduced price meals in accordance with §226.23(e)(1). In addition, Head Start participants need only have a Head Start statement of income eligibility, or a statement of Head Start enrollment from an authorized Head Start representative, to be eligible for free meal benefits under the CACFP. Such documentation of enrollment must be updated annually, signed by a parent or legal guardian, and include information on each child's normal days and hours of care and the meals normally received while in care."

Recommendation

The Sponsor should ensure that applications for each participant reported in the free or reduced-price categories should be accurate and kept on file.

3. The sponsor reported incorrect meal counts

Condition

The Sponsor claimed 912 breakfasts, 1,394 lunches and 1,338 supplements for the month of November 2016. However, the records provided by the Sponsor showed that 885 breakfasts, 1,394 lunches and 1,338 supplements were served. Therefore, the Sponsor over reported 27 breakfast meals, and cost reimbursed for 27 breakfasts will be disallowed.

Criteria

Title 7 of the Code of Federal Regulations Section 226.17(b)(4) states. "Each child care center participating in the Program shall claim only the meal types specified in its approved application in accordance with the meal pattern requirements specified in §226.20 ..."

Recommendation

The Sponsor should ensure that claims for reimbursement are completed corrected and based on the proper supporting documents, such as meal count sheets.

4. There were menus that did not meet USDA meal pattern requirements

Condition

A lunch meal must include one serving of meat or meat alternate. This includes one ounce of meat or cheese for children ages one to two years old and one and one-half ounces for children, ages three to five. If processed cheese is served, two ounces must be served to equal one ounce of meat alternate. The lunch menu for November 2, 2016 lists milk, tomato soup, carrots/celery sticks, banana and cheese toast. The recipe provided for cheese toast lists one slice of wheat bread and one slice American cheese. In order to meet the meat alternate requirements, children ages one to two years would need to be served three slices of cheese toast, and children ages three to five years must be served four and one-half slices of cheese toast. As a result, the cost reimbursed for 70 lunches will be disallowed.

Criteria

Title 7 of the Code of Federal Regulations Section 226.17(b)(4) states. "Each child care center participating in the Program shall claim only the meal types specified in its approved application in accordance with the meal pattern requirements specified in §226.20 ..."

The USDA Crediting Foods in the Child and Adult Care Food Program, page 62, states, "When crediting such products as chili-macs, pizzas, pot pies, sloppy Joes, and raviolis toward the meat/meat alternate component, the amount of meat/meat alternate per serving (not the total portion size) is the determining factor for crediting purposes. Because of the uncertainty of the actual amount of meat/meat alternate contained in these products, they should not be used unless (1) they are CN-labeled; or (2) you obtain a Product Formulation Statement signed by an official of the manufacturer (not a sales person) that shows how the crediting has been determined. Remember that only a CN-labeled product carries a warranty that protects against financial audit claims. See the sample formulation statement on page 73 with required information and documentation."

Recommendation

The sponsor should ensure all meals prepared meet the meal patterns established by the USDA, and menus should be reviewed to ensure they contain all required meal components to be eligible as a reimbursable meal.

5. The sponsor did not accurately list substitutions on the menus

Condition

During our observation of a lunch service, we noted that several children were served cheese slices instead of the meatballs listed on the posted menu. The staff reported that several children are fed a vegetarian diet. The meat alternate served was not noted on the posted menu.

Criteria

The Tennessee Child and Adult Care Food Program Policies and Procedures Manual, page 23, requires that "Each menu accurately lists the food items that are to be served, including any substitutions that are inserted on the menu before the beginning of the meal service."

Recommendation

The Sponsor should ensure that posted menus accurately reflect the meal components served for each meal to be served.

Disallowed Cost

Based on the review, we determined that the sponsor's noncompliance with the applicable Federal and State regulations that govern the CACFP resulted in a total disallowed cost of \$461.89.

APPEAL PROCEDURES FOR CHILD AND ADULT CARE INSTITUTIONS AND SPONSORING AGENCIES

Appeal Procedures

1. Pursuant to 7 CFR §226.6(k)(4), the TN Department of Human Services (TDHS) must provide administrative review procedures to institutions and responsible principals and responsible individuals as follows:

- (a) Annually to all institutions;
- (b) To an institution and to each responsible principal and responsible individual when the State agency takes any action subject to an administrative review as described in 7 CFR §226.6(k)(2); and
- (c) Any other time upon request.

2. Pursuant to 7 CFR 226.6(k)(3) and (k)(9), some administrative actions are not subject to administrative review. Those actions are listed in paragraph 2.(a). Other administrative actions may be administratively appealed. Those actions are listed in paragraph 2.(b) and (c). All institutions and sponsoring agencies may appeal any adverse administrative action listed in paragraph 2.(b) which are taken by the TDHS by requesting a fair hearing to appear in person to refute the action, or by requesting a review of written information in lieu of a fair hearing.

(a) Pursuant to 7 CFR Part 226.6 (k)(3) TDHS is prohibited from offering administrative reviews of the following actions:

- (i) FNS decisions on claim deadline exceptions and requests for upward adjustments to a claim.
- (ii) Determination of serious deficiency.
- (iii) State agency determination that corrective action is inadequate.
- (iv) Disqualification and placement on State agency list and National disqualified list.
- (v) Termination.
- (vi) State agency or FNS decision regarding removal from the National disqualified list.
- (vii) State agency's refusal to consider an application submitted by an institution or facility on the National disqualified list.

(b) Pursuant to 7 CFR Part 226.6(k)(9), an abbreviated appeal process is available for the following actions. TDHS must limit the administrative review to a review of written submissions by the TDHS and institutions or sponsoring agencies concerning the accuracy of the State agency's determination if the application was denied, or the State agency proposes to terminate the institution's agreement because:

- (viii) The information submitted on the application was false;
- (ix) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is on the national disqualified list;
- (x) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is ineligible to participate in any other publicly funded program by reason of violation of the requirements of the program;

- (xi) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities has been convicted for any activity that indicates a lack of business integrity;

(c) Administrative review is also available if the State agency notifies the institution and responsible principal or responsible individual of the following actions: proposed disqualification of a responsible principal or responsible individual, denial of a budget, denial of a line item within a budget, downward adjustment of the amount approved in a budget, suspension of an institution's participation, denial of start-up or expansion funds, denial of a request for advanced payment, recovery of an advance in excess of a claim, denial of a claim for reimbursement (except for late submission), decision not to forward an exception request for payment of a late claim, overpayment demand, denial of a new or renewing institution's application for participation, denial of sponsored facility application, notice of proposed termination, claim denial, claim deadline exceptions and requests for upward adjustments to a claim, or any other action affecting an institutions participation or claim for payment.

3. All appeal requests must be presented in writing to the TDHS Division of Appeals and Hearings not later than 15 calendar days after the date the institution or sponsoring agency receives the notice of adverse administrative action.

4. The date of an institution's or sponsoring agency's receipt of a notice of suspension and/or proposed termination and disqualification will be governed by the federal regulation at 7 CFR Part 226.2. The notice must specify the action being proposed or taken and the basis for the action, and is considered to be received by the institution or day care home when it is delivered, sent by facsimile, or sent by email. If the notice is undeliverable, it is considered to be received by the institution, responsible principal or responsible individual, or day care home five days after being sent to the addressee's last known mailing address, facsimile number, or email address.

5. The TDHS Division of Appeals and Hearings will acknowledge the receipt of the appeal request within 10 calendar days of the receipt of the institution's or sponsoring agency's request for review. The written request for review should state if a fair hearing is requested or if a review of written information in lieu of a fair hearing is requested. If the appeal request from the institution or sponsoring agency does not specifically request a hearing, a review of written information in lieu of a hearing will occur. If a fair hearing is requested and the institution or sponsoring agency's representative fails to appear, the right to a personal appearance is waived.

6. If an institution or sponsoring agency does not request a fair hearing or a review of written information in lieu of the hearing within 15 calendar days from the date the institution or sponsoring agency receives a Notice of Proposed Termination, the TDHS will issue a letter advising the institution or sponsoring agency that it is terminated from the CACFP effective on the 16th calendar day following the institution's or sponsoring agency's receipt of the notice, and that the responsible principals and individuals of the institution or sponsoring agency are disqualified from participation.

7. To be considered for a fair hearing or for a review of written information in lieu of a fair

hearing, all written documents must be submitted to the TDHS Division of Appeals and Hearings not later than 30 days after receipt of the notice of adverse administrative action.

8. The action of the TDHS must remain in effect during the administrative review. The effect of this requirement on particular actions by TDHS is as follows:

(i) *Overpayment demand.* During the period of the administrative review, TDHS is prohibited from taking action to collect or offset the overpayment. However TDHS must assess interest beginning with the initial demand for remittance of the overpayment and continuing through the period of administrative review unless the administrative review official overturns the TDHS's action.

(ii) *Recovery of advances.* During the administrative review, TDHS must continue its efforts to recover advances in excess of the claim for reimbursement for the applicable period. The recovery may be through a demand for full repayment or an adjustment of subsequent payments.

(iii) *Program payments.* The availability of Program payments during an administrative review of the denial of a new institution's application, denial of a renewing institution's application, proposed termination of a participating institution's agreement, and suspension of an institution are addressed in paragraphs (c)(1)(iii)(D), (c)(2)(iii)(D), (c)(3)(iii)(D), (c)(5)(i)(D), and (c)(5)(ii)(E), respectively, of 7 CFR §226.6.

9. The institution or sponsoring agency must refute the charges contained in the notice during the fair hearing or in the written information that is provided in lieu of the hearing.

10. The institution and the responsible principals and responsible individuals may retain legal counsel, or may be represented by another person.

11. If a fair hearing is requested, the institution or sponsoring agency will be notified in writing of the time, date and place of the fair hearing at least 10 calendar days in advance.

12. Any information which supports an adverse administrative action taken by the TDHS shall be available to the institution or sponsoring agency for inspection from the date of the receipt of the request for a fair hearing or a review of written information in lieu of the hearing.

13. In accordance with 7 CFR Part 226.6 (k)(8), the TDHS Division of Appeals and Hearings must conduct the administrative review of the proposed disqualification of the responsible principals and responsible individuals as part of the administrative review of the application denial, proposed termination, and/or proposed disqualification of the institution with which the responsible principals or responsible individuals are associated. However, at the administrative review official's discretion, separate administrative reviews may be held if the institution does not request an administrative review or if either the institution or the responsible principal or responsible individual demonstrates that their interests conflict.

14. The procedures contained in the Uniform Administrative Procedures Act found at TCA 4-5-301 et seq. shall be followed in rendering a decision on all appeals. The decision of the hearing officer is the final administrative determination to be afforded to the institution or sponsoring agency, and shall be rendered in a timely manner not to exceed 60 calendar days from the date of the receipt of the request for a fair hearing.

15. The processing limits for administrative appeals MUST be met. In the event a continuance is requested by a party, one continuance may be granted at the Hearing Official's discretion. This

Appeal Procedures for Child and Adult Care Food Program-Institutions
Revised March 2017

continuance shall not be for a period longer than ten (10) calendar days unless there are exceptional circumstances. Exceptional circumstances must be detailed in the order of continuance and the order must contain a date certain for the hearing, to be set as soon as possible. A report of pending CACFP desk review and fair hearing requests will be generated and reviewed daily by the Clerk's Office and the Legal Director for Appeals and Hearings who will monitor the dates for timeliness. In the event a decision has not been rendered within forty-five (45) calendar days of the date of receipt of the request for fair hearing or desk review, the Legal Director for Appeals and Hearings or their back-up shall notify the hearing official to take appropriate action.

16. All requests for a fair hearing or for a review of written information in lieu of a hearing must be submitted to:

Tennessee Department of Human Services
Division of Appeals and Hearings
PO Box 198996, Clerk's Office
Nashville, TN 37219-8996
Fax: (615) 248-7013 or (866) 355-6136
E-mail: AppealsClerksOffice.DHS@tn.gov

17. If a termination action is upheld by the hearing officer, the TDHS will issue a letter to the institution or sponsoring agency and its responsible principals and individuals advising that the termination and disqualification are effective on the date of the ruling issued by the hearing officer. The agency maintains searchable records of all administrative reviews and their dispositions for a period of five (5) years.

18. As required by 7 CFR Part 226.6 (c)(7), each disqualified institution, sponsoring agency, principal and individual will be placed on the National Disqualified List maintained by the U.S. Department of Agriculture (USDA). Once included on the National Disqualified List, an institution, sponsoring agency, principal and individual shall remain on the list until such time as the USDA, in consultation with the TDHS, determines that the serious deficiencies that led to their placement on the list have been corrected, or until seven years have elapsed since they were disqualified from participation. However, if the institution, sponsoring agency, principal or individual has failed to repay debts owed under the program, they will remain on the list until the debt has been paid.
