Dear Dr. Williamson,

The Department of Human Services (DHS) - Audit Services Division staff conducted an unannounced on-site, monitoring review of the Child and Adult Care Food Program (CACFP) at Monterey UMC Agape Pre-School (Sponsor), Application Agreement number 00-420, on October 26, 2017. Additional information was received on November 9, 2017 to complete the review. The purpose of this review was to determine if the Sponsor complied with the *Title 7 of the Code of Federal Regulations* (CFR) applicable parts, application agreement, and applicable Federal and State regulations.

Background

CACFP sponsors utilize meal count sheets to record the number of meals served for breakfast, lunch, supper and supplements meals served. Meals served by participating sponsors must meet the minimum guidelines set by the United States Department of Agriculture (USDA) and DHS to be eligible for reimbursement. The CACFP sponsor reports the number of meals served through the DHS Tennessee Information Payment System (TIPS) system to seek reimbursement. We inspected meal counts sheets for our test period and reconciled the meals claimed to the meals reported as served for each meal service. We also assessed compliance with civil rights requirements. In addition, we observed a meal service during our unannounced visit on September 21, 2017.

Our review of the Sponsor's records for September 2017 disclosed the following:

1. The Sponsor improperly classified eligibility of the CACFP participants

Condition

The Claim for Reimbursement for the test month reported four participants in the free category, one participant in the reduced-price category, and two participants in the paid category. However, our review of the Sponsor's records showed that there were three participants in the free category, one participant in the reduced-price category, and three participants in the paid category.

- One participant was reported free on the application due to income eligibility, but there was no social security number for the parent or guardian as required. As a result, this participant was reclassified as paid.

There were seven participants claimed and confirmed. The adjustment in the free, reduced-price, and paid categories affected the claiming percentages. (See Exhibit)

Criteria

Title 7 of the Code of Federal Regulations, Section 226.23 (e)(1)(ii) states, "Except as provided in paragraph (e)(1)(iv) of this section, the application for children shall contain a request for the following information: ... (C) The last four digits of the social security number of the adult household member who signs the application, or an indication that the adult does not possess a social security number."

Recommendation

The Sponsor should ensure participants in the CACFP are classified in the correct category.

2. The Sponsor menus did not meet the USDA meal pattern requirements

Condition

Our review of the Sponsor's menus for revealed the following deficiencies:

Date	Menu	Missing Component	Disallowed Meals
9-7-17	Hamburger on slider bun, apple sauce, pretzels, milk	No Vegetable	5 Lunches
9-12-17	Peanut butter and jelly, carrot sticks, orange slices, milk	No Grain	4 Lunches

As a result, nine lunch meals served were disallowed. (See Exhibit)

Criteria

Title 7 of the Code of Federal Regulations, Section 226.17(b)(4) states, "Each child care center participating in the Program shall claim only the meal types specified in its approved application in accordance with the meal pattern requirements specified in §226.20. ..."

Title 7 of the Code of Federal Regulations, Section 226.20 (c)(2) states, "Fluid milk, meat and meat alternates, vegetables, fruits, and grains are required components in the lunch and supper meals. ..."

Recommendation

The Sponsor should ensure menus meet the meal patterns established by the USDA

Note: Our observation of the lunch meal service on September 21, 2017 resulted in no deficiencies

Technical Assistance Provided

During our visit on September 21, 2017, technical assistance was provided information regarding the new meal pattern requirements effective October 1, 2017. During the Sponsor visit on October 26, 2017, more technical assistance was provided information regarding the new meal pattern requirements effective October 1, 2017.

Disallowed Meals Cost

The disallowed meals cost associated with the findings noted in this report is below the DHS threshold for repayment.

- (xi) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities has been convicted for any activity that indicates a lack of business integrity;

(c) Administrative review is also available if the State agency notifies the institution and responsible principal or responsible individual of the following actions: proposed disqualification of a responsible principal or responsible individual, denial of a budget, denial of a line item within a budget, downward adjustment of the amount approved in a budget, suspension of an institution's participation, denial of start-up or expansion funds, denial of a request for advanced payment, recovery of an advance in excess of a claim, denial of a claim for reimbursement (except for late submission), decision not to forward an exception request for payment of a late claim, overpayment demand, denial of a new or renewing institution's application for participation, denial of sponsored facility application, notice of proposed termination, claim denial, claim deadline exceptions and requests for upward adjustments to a claim, or any other action affecting an institutions participation or claim for payment.

3. All appeal requests must be presented in writing to the TDHS Division of Appeals and Hearings not later than 15 calendar days after the date the institution or sponsoring agency receives the notice of adverse administrative action.

4. The date of an institution's or sponsoring agency's receipt of a notice of suspension and/or proposed termination and disqualification will be governed by the federal regulation at 7 CFR Part 226.2. The notice must specify the action being proposed or taken and the basis for the action, and is considered to be received by the institution or day care home when it is delivered, sent by facsimile, or sent by email. If the notice is undeliverable, it is considered to be received by the institution, responsible principal or responsible individual, or day care home five days after being sent to the addressee's last known mailing address, facsimile number, or email address.

5. The TDHS Division of Appeals and Hearings will acknowledge the receipt of the appeal request within 10 calendar days of the receipt of the institution's or sponsoring agency's request for review. The written request for review should state if a fair hearing is requested or if a review of written information in lieu of a fair hearing is requested. If the appeal request from the institution or sponsoring agency does not specifically request a hearing, a review of written information in lieu of a hearing will occur. If a fair hearing is requested and the institution or sponsoring agency's representative fails to appear, the right to a personal appearance is waived.

6. If an institution or sponsoring agency does not request a fair hearing or a review of written information in lieu of the hearing within 15 calendar days from the date the institution or sponsoring agency receives a Notice of Proposed Termination, the TDHS will issue a letter advising the institution or sponsoring agency that it is terminated from the CACFP effective on the 16th calendar day following the institution's or sponsoring agency's receipt of the notice, and that the responsible principals and individuals of the institution or sponsoring agency are disqualified from participation.

7. To be considered for a fair hearing or for a review of written information in lieu of a fair

hearing, all written documents must be submitted to the TDHS Division of Appeals and Hearings not later than 30 days after receipt of the notice of adverse administrative action.

8. The action of the TDHS must remain in effect during the administrative review. The effect of this requirement on particular actions by TDHS is as follows:

(i) *Overpayment demand.* During the period of the administrative review, TDHS is prohibited from taking action to collect or offset the overpayment. However TDHS must assess interest beginning with the initial demand for remittance of the overpayment and continuing through the period of administrative review unless the administrative review official overturns the TDHS's action.

(ii) *Recovery of advances.* During the administrative review, TDHS must continue its efforts to recover advances in excess of the claim for reimbursement for the applicable period. The recovery may be through a demand for full repayment or an adjustment of subsequent payments.

(iii) *Program payments.* The availability of Program payments during an administrative review of the denial of a new institution's application, denial of a renewing institution's application, proposed termination of a participating institution's agreement, and suspension of an institution are addressed in paragraphs (c)(1)(iii)(D), (c)(2)(iii)(D), (c)(3)(iii)(D), (c)(5)(i)(D), and (c)(5)(ii)(E), respectively, of 7 CFR §226.6.

9. The institution or sponsoring agency must refute the charges contained in the notice during the fair hearing or in the written information that is provided in lieu of the hearing.

10. The institution and the responsible principals and responsible individuals may retain legal counsel, or may be represented by another person.

11. If a fair hearing is requested, the institution or sponsoring agency will be notified in writing of the time, date and place of the fair hearing at least 10 calendar days in advance.

12. Any information which supports an adverse administrative action taken by the TDHS shall be available to the institution or sponsoring agency for inspection from the date of the receipt of the request for a fair hearing or a review of written information in lieu of the hearing.

13. In accordance with 7 CFR Part 226.6 (k)(8), the TDHS Division of Appeals and Hearings must conduct the administrative review of the proposed disqualification of the responsible principals and responsible individuals as part of the administrative review of the application denial, proposed termination, and/or proposed disqualification of the institution with which the responsible principals or responsible individuals are associated. However, at the administrative review official's discretion, separate administrative reviews may be held if the institution does not request an administrative review or if either the institution or the responsible principal or responsible individual demonstrates that their interests conflict.

14. The procedures contained in the Uniform Administrative Procedures Act found at TCA 4-5-301 et seq. shall be followed in rendering a decision on all appeals. The decision of the hearing officer is the final administrative determination to be afforded to the institution or sponsoring agency, and shall be rendered in a timely manner not to exceed 60 calendar days from the date of the receipt of the request for a fair hearing.

15. The processing limits for administrative appeals MUST be met. In the event a continuance is requested by a party, one continuance may be granted at the Hearing Official's discretion. This

Appeal Procedures for Child and Adult Care Food Program-Institutions
Revised March 2017

continuance shall not be for a period longer than ten (10) calendar days unless there are exceptional circumstances. Exceptional circumstances must be detailed in the order of continuance and the order must contain a date certain for the hearing, to be set as soon as possible. A report of pending CACFP desk review and fair hearing requests will be generated and reviewed daily by the Clerk's Office and the Legal Director for Appeals and Hearings who will monitor the dates for timeliness. In the event a decision has not been rendered within forty-five (45) calendar days of the date of receipt of the request for fair hearing or desk review, the Legal Director for Appeals and Hearings or their back-up shall notify the hearing official to take appropriate action.

16. All requests for a fair hearing or for a review of written information in lieu of a hearing must be submitted to:

Tennessee Department of Human Services
Division of Appeals and Hearings
PO Box 198996, Clerk's Office
Nashville, TN 37219-8996
Fax: (615) 248-7013 or (866) 355-6136
E-mail: AppealsClerksOffice.DHS@tn.gov

17. If a termination action is upheld by the hearing officer, the TDHS will issue a letter to the institution or sponsoring agency and its responsible principals and individuals advising that the termination and disqualification are effective on the date of the ruling issued by the hearing officer. The agency maintains searchable records of all administrative reviews and their dispositions for a period of five (5) years.

18. As required by 7 CFR Part 226.6 (c)(7), each disqualified institution, sponsoring agency, principal and individual will be placed on the National Disqualified List maintained by the U.S. Department of Agriculture (USDA). Once included on the National Disqualified List, an institution, sponsoring agency, principal and individual shall remain on the list until such time as the USDA, in consultation with the TDHS, determines that the serious deficiencies that led to their placement on the list have been corrected, or until seven years have elapsed since they were disqualified from participation. However, if the institution, sponsoring agency, principal or individual has failed to repay debts owed under the program, they will remain on the list until the debt has been paid.
