Dear Ms. Melson,

The Department of Human Services (DHS) – Division of Audit Services staff conducted an on-site unannounced review of the Child and Adult Care Food Program (CACFP) at Gingerbread Manor Learning Center (Sponsor) Application Agreement 00291 on February 14, 2018. The purpose of this review was to determine if the Sponsor complied with *Title 7 of the Code of Federal Regulations* (CFR) applicable parts, application agreement, and applicable Federal and State regulations.

Background

CACFP Sponsors utilize meal count sheets to record the number of breakfast, lunch, supper and supplement meals served. Meals served by participating Sponsors must meet the minimum guidelines set by the United States Department of Agriculture (USDA) and DHS to be eligible for reimbursement. The CACFP sponsor reports the number of meals served through the DHS Tennessee Information Payment System (TIPS) to seek reimbursement. We inspected meal count sheets for our test period and reconciled the meals claimed to the meals reported as served for each meal service. We also assessed compliance with civil rights requirements. In addition, we observed a meal service on November 28, 2017.

Our review of the Sponsor's records for November 2017 disclosed the following:

1. The number of participants reported in the free and reduced-price category was incorrect

Condition

The claim for reimbursement for the test month reported 14 participants in the free category, eight participants in the reduced-price category and zero participants in the paid category. However, our review of the Sponsor's records verified there were 12 participants in the free category, 10 participants in the reduced-price category and zero participants in the paid category. The differences were based on the following:

There were two participants reported in the free category that were classified as reduced-price. These participants were reclassified to reduced-price.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10 (c) states "...In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim..."

Recommendation

The Sponsor should ensure each participant is classified and reported according to income eligibility applications for child care center participants.

2. The Sponsor did not provide documentation to support the requirement that one whole grain-rich grain must be served each day

Condition

In accordance to the revised meal pattern requirements effective October 1, 2017, at least one serving of grain per day must be whole grain-rich. The following deficiencies were identified:

- The menus for the following days did not list any whole grain product as being served- November 7th, 16th, 20th, 27th, 28th, 29th and 30th.
- The menus for the following days listed a whole grain item. However, review of the label showed the item was not whole grain or there was no label available to verify the whole grain: November 1st, 6th, 8th, 9th, 10th, and 15th.

There were no meals disallowed due to the one year grace period given to Sponsors to conform to the revised CACFP meal patterns.

Criteria

Title 7 of the code of Federal Regulations, Section 226.20 (4)(a) states, "At least one serving per day, across all eating occasions of bread, cereals, and grains, must be whole grain-rich. Whole grain-rich foods contain at least 50 percent whole grains and the remaining grains in the food are enriched, and must meet the whole grain-rich criteria specified in FNS guidance."

Recommendation

The Sponsor should ensure that documentation to support the claim for reimbursement are maintained for verification purposes and menus meet the meal patterns established by the USDA.

3. The Sponsor served grain-based desserts

Condition

In accordance to the revised meal pattern requirements effective October 1, 2017, no grain-based desserts are allowable. Our review of the Sponsor's menu showed the following deficiencies:

Date	Meal	Menu
11/2/17	Snack	100% Grape Juice and Chocolate Chip Cookies
11/6/17	Breakfast	Milk, Apple Juice and Cinnamon Roll
11/8/17	Snack	100% Grape Juice and Granola Bar
11/16/17	Snack	100% Cherry Juice and Chocolate Chip Cookies
11/20/17	Snack	100% Cherry Juice and Granola Bar
11/22/17	Snack	100% Apple Juice and Pop Tart
11/28/17	Snack	100% Cherry Juice and Pop Tart
11/29/17	Breakfast	Milk, Apple Juice and Cinnamon Roll

There were no meals disallowed due to the one year grace period given to Sponsors to conform to the revised CACFP meal patterns.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.20 (a)(4)(iii) states, "Grain based desserts do not count towards meeting the grains requirement."

Recommendation

The Sponsor should review the new meal pattern requirements against the menu to ensure that all items served are credible under the revised requirements.

Note: Our observation of the meal service on November 28, 2017, revealed no deficiencies.

Technical Assistance Provided

Technical assistance was provided to the Sponsor on the revised USDA meal pattern requirements as well as classifying and reporting participants.

Disallowed Meal Costs

The disallowed meal costs associated with the findings is below the DHS threshold for repayment.

3. All appeal requests must be presented in writing to the TDHS Division of Appeals and Hearings not later than 15 calendar days after the date the institution or sponsoring agency receives the notice of adverse administrative action.

4. The date of an institution's or sponsoring agency's receipt of a notice of suspension and/or proposed termination and disqualification will be governed by the federal regulation at 7 CFR Part 226.2. The notice must specify the action being proposed or taken and the basis for the action, and is considered to be received by the institution or day care home when it is delivered, sent by facsimile, or sent by email. If the notice is undeliverable, it is considered to be received by the institution, responsible principal or responsible individual, or day care home five days after being sent to the addressee's last known mailing address, facsimile number, or email address.

5. The TDHS Division of Appeals and Hearings will acknowledge the receipt of the appeal request within 10 calendar days of the receipt of the institution's or sponsoring agency's request for review. The written request for review should state if a fair hearing is requested or if a review of written information in lieu of a fair hearing is requested. If the appeal request from the institution or sponsoring agency does not specifically request a hearing, a review of written information in lieu of a hearing will occur. If a fair hearing is requested and the institution or sponsoring agency's representative fails to appear, the right to a personal appearance is waived.

6. If an institution or sponsoring agency does not request a fair hearing or a review of written information in lieu of the hearing within 15 calendar days from the date the institution or sponsoring agency receives a Notice of Proposed Termination, the TDHS will issue a letter advising the institution or sponsoring agency that it is terminated from the CACFP effective on the 16th calendar day following the institution's or sponsoring agency's receipt of the notice, and that the responsible principals and individuals of the institution or sponsoring agency are disqualified from participation.

7. To be considered for a fair hearing or for a review of written information in lieu of a fair

hearing, all written documents must be submitted to the TDHS Division of Appeals and Hearings not later than 30 days after receipt of the notice of adverse administrative action.

8. The action of the TDHS must remain in effect during the administrative review. The effect of this requirement on particular actions by TDHS is as follows:
 - (i) *Overpayment demand.* During the period of the administrative review, TDHS is prohibited from taking action to collect or offset the overpayment. However TDHS must assess interest beginning with the initial demand for remittance of the overpayment and continuing through the period of administrative review unless the administrative review official overturns the TDHS's action.
 - (ii) *Recovery of advances.* During the administrative review, TDHS must continue its efforts to recover advances in excess of the claim for reimbursement for the applicable period. The recovery may be through a demand for full repayment or an adjustment of subsequent payments.
 - (iii) *Program payments.* The availability of Program payments during an administrative review of the denial of a new institution's application, denial of a renewing institution's application, proposed termination of a participating institution's agreement, and suspension of an institution are addressed in paragraphs (c)(1)(iii)(D), (c)(2)(iii)(D), (c)(3)(iii)(D), (c)(5)(i)(D), and (c)(5)(ii)(E), respectively, of 7 CFR §226.6.
9. The institution or sponsoring agency must refute the charges contained in the notice during the fair hearing or in the written information that is provided in lieu of the hearing.
10. The institution and the responsible principals and responsible individuals may retain legal counsel, or may be represented by another person.
11. If a fair hearing is requested, the institution or sponsoring agency will be notified in writing of the time, date and place of the fair hearing at least 10 calendar days in advance.
12. Any information which supports an adverse administrative action taken by the TDHS shall be available to the institution or sponsoring agency for inspection from the date of the receipt of the request for a fair hearing or a review of written information in lieu of the hearing.
13. In accordance with 7 CFR Part 226.6 (k)(8), the TDHS Division of Appeals and Hearings must conduct the administrative review of the proposed disqualification of the responsible principals and responsible individuals as part of the administrative review of the application denial, proposed termination, and/or proposed disqualification of the institution with which the responsible principals or responsible individuals are associated. However, at the administrative review official's discretion, separate administrative reviews may be held if the institution does not request an administrative review or if either the institution or the responsible principal or responsible individual demonstrates that their interests conflict.
14. The procedures contained in the Uniform Administrative Procedures Act found at TCA 4-5-301 et seq. shall be followed in rendering a decision on all appeals. The decision of the hearing officer is the final administrative determination to be afforded to the institution or sponsoring agency, and shall be rendered in a timely manner not to exceed 60 calendar days from the date of the receipt of the request for a fair hearing.
15. The processing limits for administrative appeals **MUST** be met. In the event a continuance is requested by a party, one continuance may be granted at the Hearing Official's discretion. This

continuance shall not be for a period longer than ten (10) calendar days unless there are exceptional circumstances. Exceptional circumstances must be detailed in the order of continuance and the order must contain a date certain for the hearing, to be set as soon as possible. A report of pending CACFP desk review and fair hearing requests will be generated and reviewed daily by the Clerk's Office and the Legal Director for Appeals and Hearings who will monitor the dates for timeliness. In the event a decision has not been rendered within forty-five (45) calendar days of the date of receipt of the request for fair hearing or desk review, the Legal Director for Appeals and Hearings or their back-up shall notify the hearing official to take appropriate action.

Fax: (615) 248-7013 or (866) 355-6136
E-mail: AppealsClerksOffice.DHS@tn.gov

17. If a termination action is upheld by the hearing officer, the TDHS will issue a letter to the institution or sponsoring agency and its responsible principals and individuals advising that the termination and disqualification are effective on the date of the ruling issued by the hearing officer. The agency maintains searchable records of all administrative reviews and their dispositions for a period of five (5) years.

18. As required by 7 CFR Part 226.6 (c)(7), each disqualified institution, sponsoring agency, principal and individual will be placed on the National Disqualified List maintained by the U.S. Department of Agriculture (USDA). Once included on the National Disqualified List, an institution, sponsoring agency, principal and individual shall remain on the list until such time as the USDA, in consultation with the TDHS, determines that the serious deficiencies that led to their placement on the list have been corrected, or until seven years have elapsed since they were disqualified from participation. However, if the institution, sponsoring agency, principal or individual has failed to repay debts owed under the program, they will remain on the list until the debt has been paid.
