Carol Smith, Director  
Precious Angels Child Care Learning Center  
3040 South Perkins Road  
Memphis, Tennessee 38118-3289

Dear Ms. Smith,

The Department of Human Services (DHS) - Audit Services Division staff conducted an unannounced on-site review of the Child and Adult Care Food Program (CACFP) at Precious Angels Child Care Learning Center Application Agreement 00-458 on April 16, 2018. The purpose of this review was to determine if the Sponsor complied with *Title 7 of the Code Regulations* (CFR) applicable parts, application agreement, and applicable Federal and State regulations.

**Background**

CACFP Sponsors utilize meal count sheets to record the number of for breakfast, lunch, supper and supplement meals served. Meals served by participating Sponsors must meet the minimum guidelines set by the United States Department of Agriculture (USDA) and DHS to be eligible for reimbursement. The CACFP Sponsor reports the number of meals served through the DHS Tennessee Information Payment System (TIPS) to seek reimbursement. We inspected meal count sheets for our test period and reconciled the meals claimed to the meals reported as served for each meal service. We also assessed compliance with civil rights requirements. In addition, a monitor observed a meal service on March 28, 2018.

Our review of the Sponsor's records for March 2018 disclosed the following:

- 1. The number of participants reported in the free, reduced-price and paid categories was reported incorrectly**

**Condition**

The claim for reimbursement for the test month of March 2018 reported 46 participants in the free category, zero participants in the reduced-price category and one participant in the paid category. However, our review of the Sponsor's records verified there were 40

participants in the free category, one participant in the reduced-price category and five participants in the paid category. The differences were based on the following:

- There was one participant reported in the free category, however the participant did not have an application or application information on file. This participant was reclassified as paid.
- There was one participant reported in the free category, but the date of the determining official's signature on the application was over 12 months old. This participant was reclassified as paid.
- There was one participant reported in the free category, but according to the income on the application the participant should have been classified as paid. This participant was reclassified as paid.
- There was one participant reported in the free category, but the application provided did not list the last four digits of the adult's social security number. The participant was reclassified as paid.
- There was one participant classified correctly as reduced-price on the application, but was incorrectly reported as free. The participant was reclassified as reduced-priced.
- The free category was over reported by one. One participant classified as free was counted twice on the roster.

#### Criteria

*Title 7 of the Code of Federal Regulations, Section 226.10 (c)* states in part "...In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim..."

*Title 7 of the Code of Federal Regulations Section 226.17 (b)(8)* states, "Child care centers shall collect and maintain documentation of the enrollment of each child, including information used to determine eligibility for free and reduced price meals in accordance with §226.23(e)(1) ... Such documentation of enrollment must be updated annually, signed by a parent or legal guardian, and include information on each child's normal days and hours of care and the meals normally received while in care."

#### Recommendation

The Sponsor should ensure each participant is classified and reported according to income eligibility applications for child care center participants. Applications should be maintained on file and updated annually.

This is a repeat finding from a report dated May 05, 2015.

## **2. The Sponsor provided menus that did not meet USDA requirements**

#### Condition

A reimbursable lunch meal consists of a serving of fluid milk, a serving of meat/meat alternate, two servings of vegetables or a serving of fruit and a serving of vegetables and one serving of grain/grain alternate.

The menus for March 2018 had deficiencies and listed the following:

Date	Missing Component	Disallowed Meals
03/09/18	Missing Component: Second fruit or vegetable component Menu Listed: Baked fish, steamed rice, fruit cocktail, wheat bread and milk	34 lunch meals
03/23/18	Missing Component: Second fruit or vegetable component Menu Listed: Chicken patty, brown rice, diced pineapples, wheat bread and milk	33 lunch meals

As a result, the cost reimbursement of 67 lunch meals was disallowed.

Criteria

*Title 7 of the Code of Federal Regulations Section 226.17(b)(4) states, "Each child care center participating in the Program shall claim only the meal types specified in its approved application in accordance with the meal pattern requirements specified in §226.20 ..."*

*Title 7 of the Code of Federal Regulations Section 226.20(c)(2) states, "(c) Meal patterns for children age 1 through 18 and adult participants. Institutions and facilities must serve the food components and quantities specified in the following meal patterns for children and adult participants in order to qualify for reimbursement.... (2) Lunch and supper. Fluid milk, meat and meat alternates, vegetables, fruits, and grains are required components in the lunch and supper meals..."*

Recommendation

The Sponsor should ensure menus meet the meal patterns established by the USDA.

This is a repeat finding from a report dated May 05, 2015.

- 3. The Sponsor did not provide documentation to support the requirement that one whole grain-rich grain must be served each day**

Condition

In accordance to the revised meal pattern requirements effective October 1, 2017 at least one serving of grain per day must be whole grain-rich. The Sponsor's menu did not list a whole grain being served on March 27, 2018.

There were no meals disallowed due to the one year grace period given to Sponsors to conform to the revised CACFP meal patterns.

Criteria

*Title 7 of the code of Federal Regulations, Section 226.20 (4)(a) states, "At least one serving per day, across all eating occasions of bread, cereals, and grains, must be whole grain-rich. Whole grain-rich foods contain at least 50 percent whole grains and the remaining grains in*

the food are enriched, and must meet the whole grain-rich criteria specified in FNS guidance.”

#### Recommendation

The Sponsor should ensure at least one serving of grain per day is whole-grain rich and menus meet the meal patterns established by the USDA.

#### **4. The Sponsor reported incorrect participant days**

##### Condition

The claim for reimbursement for the test month reported 708 participant days. However, based on our review of the Sponsor’s records, we noted 710 participant days.

##### Criteria

*Title 7 of the Code of Federal Regulations, Section 226.10 (c) states, “... In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim...”*

##### Recommendation

The Sponsor should ensure the attendance is recorded and reported correctly. Appropriate supporting documentation should be maintained and available.

#### **Technical Assistance Provided**

Technical assistance was provided to the Sponsor concerning meal pattern requirements as well as maintaining a monthly and fiscal year-end inventory.

**Note:** A program monitor observed a breakfast meal service on March 28, 2018 and no deficiencies were revealed.

#### **Disallowed Meals Cost**

Based on the review, we determined that the Sponsor’s noncompliance with the applicable Federal and State regulations that govern the CACFP resulted in a total disallowed cost of \$512.32.

#### **Corrective Action**

Precious Angels Child Care Learning Center must complete the following actions within 30 days from the date of this report:

## **APPEAL PROCEDURES FOR CHILD AND ADULT CARE INSTITUTIONS AND SPONSORING AGENCIES**

### **Appeal Procedures**

1. Pursuant to 7 CFR §226.6(k)(4), the TN Department of Human Services (TDHS) must provide administrative review procedures to institutions and responsible principals and responsible individuals as follows:

- (a) Annually to all institutions;
- (b) To an institution and to each responsible principal and responsible individual when the State agency takes any action subject to an administrative review as described in 7 CFR §226.6(k)(2); and
- (c) Any other time upon request.

2. Pursuant to 7 CFR 226.6(k)(3) and (k)(9), some administrative actions are not subject to administrative review. Those actions are listed in paragraph 2.(a). Other administrative actions may be administratively appealed. Those actions are listed in paragraph 2.(b) and (c). All institutions and sponsoring agencies may appeal any adverse administrative action listed in paragraph 2.(b) which are taken by the TDHS by requesting a fair hearing to appear in person to refute the action, or by requesting a review of written information in lieu of a fair hearing.

(a) Pursuant to 7 CFR Part 226.6 (k)(3) TDHS is prohibited from offering administrative reviews of the following actions:

- (i) FNS decisions on claim deadline exceptions and requests for upward adjustments to a claim.
- (ii) Determination of serious deficiency.
- (iii) State agency determination that corrective action is inadequate.
- (iv) Disqualification and placement on State agency list and National disqualified list.
- (v) Termination.
- (vi) State agency or FNS decision regarding removal from the National disqualified list.
- (vii) State agency's refusal to consider an application submitted by an institution or facility on the National disqualified list.

(b) Pursuant to 7 CFR Part 226.6(k)(9), an abbreviated appeal process is available for the following actions. TDHS must limit the administrative review to a review of written submissions by the TDHS and institutions or sponsoring agencies concerning the accuracy of the State agency's determination if the application was denied, or the State agency proposes to terminate the institution's agreement because:

- (viii) The information submitted on the application was false;
- (ix) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is on the national disqualified list;
- (x) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is ineligible to participate in any other publicly funded program by reason of violation of the requirements of the program;

Appeal Procedures for Child and Adult Care Food Program-Institutions  
Revised March 2017

- (xi) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities has been convicted for any activity that indicates a lack of business integrity;

(c) Administrative review is also available if the State agency notifies the institution and responsible principal or responsible individual of the following actions: proposed disqualification of a responsible principal or responsible individual, denial of a budget, denial of a line item within a budget, downward adjustment of the amount approved in a budget, suspension of an institution's participation, denial of start-up or expansion funds, denial of a request for advanced payment, recovery of an advance in excess of a claim, denial of a claim for reimbursement (except for late submission), decision not to forward an exception request for payment of a late claim, overpayment demand, denial of a new or renewing institution's application for participation, denial of sponsored facility application, notice of proposed termination, claim denial, claim deadline exceptions and requests for upward adjustments to a claim, or any other action affecting an institutions participation or claim for payment.

3. All appeal requests must be presented in writing to the TDHS Division of Appeals and Hearings not later than 15 calendar days after the date the institution or sponsoring agency receives the notice of adverse administrative action.
4. The date of an institution's or sponsoring agency's receipt of a notice of suspension and/or proposed termination and disqualification will be governed by the federal regulation at 7 CFR Part 226.2. The notice must specify the action being proposed or taken and the basis for the action, and is considered to be received by the institution or day care home when it is delivered, sent by facsimile, or sent by email. If the notice is undeliverable, it is considered to be received by the institution, responsible principal or responsible individual, or day care home five days after being sent to the addressee's last known mailing address, facsimile number, or email address.
5. The TDHS Division of Appeals and Hearings will acknowledge the receipt of the appeal request within 10 calendar days of the receipt of the institution's or sponsoring agency's request for review. The written request for review should state if a fair hearing is requested or if a review of written information in lieu of a fair hearing is requested. If the appeal request from the institution or sponsoring agency does not specifically request a hearing, a review of written information in lieu of a hearing will occur. If a fair hearing is requested and the institution or sponsoring agency's representative fails to appear, the right to a personal appearance is waived.
6. If an institution or sponsoring agency does not request a fair hearing or a review of written information in lieu of the hearing within 15 calendar days from the date the institution or sponsoring agency receives a Notice of Proposed Termination, the TDHS will issue a letter advising the institution or sponsoring agency that it is terminated from the CACFP effective on the 16<sup>th</sup> calendar day following the institution's or sponsoring agency's receipt of the notice, and that the responsible principals and individuals of the institution or sponsoring agency are disqualified from participation.
7. To be considered for a fair hearing or for a review of written information in lieu of a fair

Revised March 2017

hearing, all written documents must be submitted to the TDHS Division of Appeals and Hearings not later than 30 days after receipt of the notice of adverse administrative action.

8. The action of the TDHS must remain in effect during the administrative review. The effect of this requirement on particular actions by TDHS is as follows:

(i) *Overpayment demand.* During the period of the administrative review, TDHS is prohibited from taking action to collect or offset the overpayment. However TDHS must assess interest beginning with the initial demand for remittance of the overpayment and continuing through the period of administrative review unless the administrative review official overturns the TDHS's action.

(ii) *Recovery of advances.* During the administrative review, TDHS must continue its efforts to recover advances in excess of the claim for reimbursement for the applicable period. The recovery may be through a demand for full repayment or an adjustment of subsequent payments.

(iii) *Program payments.* The availability of Program payments during an administrative review of the denial of a new institution's application, denial of a renewing institution's application, proposed termination of a participating institution's agreement, and suspension of an institution are addressed in paragraphs (c)(1)(iii)(D), (c)(2)(iii)(D), (c)(3)(iii)(D), (c)(5)(i)(D), and (c)(5)(ii)(E), respectively, of 7 CFR §226.6.

9. The institution or sponsoring agency must refute the charges contained in the notice during the fair hearing or in the written information that is provided in lieu of the hearing.

10. The institution and the responsible principals and responsible individuals may retain legal counsel, or may be represented by another person.

11. If a fair hearing is requested, the institution or sponsoring agency will be notified in writing of the time, date and place of the fair hearing at least 10 calendar days in advance.

12. Any information which supports an adverse administrative action taken by the TDHS shall be available to the institution or sponsoring agency for inspection from the date of the receipt of the request for a fair hearing or a review of written information in lieu of the hearing.

13. In accordance with 7 CFR Part 226.6 (k)(8), the TDHS Division of Appeals and Hearings must conduct the administrative review of the proposed disqualification of the responsible principals and responsible individuals as part of the administrative review of the application denial, proposed termination, and/or proposed disqualification of the institution with which the responsible principals or responsible individuals are associated. However, at the administrative review official's discretion, separate administrative reviews may be held if the institution does not request an administrative review or if either the institution or the responsible principal or responsible individual demonstrates that their interests conflict.

14. The procedures contained in the Uniform Administrative Procedures Act found at TCA 4-5-301 et seq. shall be followed in rendering a decision on all appeals. The decision of the hearing officer is the final administrative determination to be afforded to the institution or sponsoring agency, and shall be rendered in a timely manner not to exceed 60 calendar days from the date of the receipt of the request for a fair hearing.

15. The processing limits for administrative appeals MUST be met. In the event a continuance is requested by a party, one continuance may be granted at the Hearing Official's discretion. This

Appeal Procedures for Child and Adult Care Food Program-Institutions  
Revised March 2017

continuance shall not be for a period longer than ten (10) calendar days unless there are exceptional circumstances. Exceptional circumstances must be detailed in the order of continuance and the order must contain a date certain for the hearing, to be set as soon as possible. A report of pending CACFP desk review and fair hearing requests will be generated and reviewed daily by the Clerk's Office and the Legal Director for Appeals and Hearings who will monitor the dates for timeliness. In the event a decision has not been rendered within forty-five (45) calendar days of the date of receipt of the request for fair hearing or desk review, the Legal Director for Appeals and Hearings or their back-up shall notify the hearing official to take appropriate action.

16. All requests for a fair hearing or for a review of written information in lieu of a hearing must be submitted to:

**Tennessee Department of Human Services**  
**Division of Appeals and Hearings**  
**PO Box 198996, Clerk's Office**  
**Nashville, TN 37219-8996**  
**Fax: (615) 248-7013 or (866) 355-6136**  
**E-mail: [AppealsClerksOffice.DHS@tn.gov](mailto:AppealsClerksOffice.DHS@tn.gov)**

17. If a termination action is upheld by the hearing officer, the TDHS will issue a letter to the institution or sponsoring agency and its responsible principals and individuals advising that the termination and disqualification are effective on the date of the ruling issued by the hearing officer. The agency maintains searchable records of all administrative reviews and their dispositions for a period of five (5) years.

18. As required by 7 CFR Part 226.6 (c)(7), each disqualified institution, sponsoring agency, principal and individual will be placed on the National Disqualified List maintained by the U.S. Department of Agriculture (USDA). Once included on the National Disqualified List, an institution, sponsoring agency, principal and individual shall remain on the list until such time as the USDA, in consultation with the TDHS, determines that the serious deficiencies that led to their placement on the list have been corrected, or until seven years have elapsed since they were disqualified from participation. However, if the institution, sponsoring agency, principal or individual has failed to repay debts owed under the program, they will remain on the list until the debt has been paid.
