Debbie Bradshaw-Hart, Board Chairperson
Dyer County Conservation and Environment Board
151 Everett Avenue
Dyersburg, Tennessee 38024-5119

Dear Ms. Bradshaw-Hart,

The Department of Human Services (DHS) - Division of Audit Services staff conducted an unannounced on-site monitoring review of the Child and Adult Care Food Program (CACFP) at Dyer County Conservation and Environment Board (Sponsor), Application Agreement number 00026, on February 19, 2019. The purpose of this review was to determine if the Sponsor complied with *Title 7 of the Code of Federal Regulations* (CFR) applicable parts, provider agreement, and applicable Federal and State regulations.

Based on our review of the Sponsor's records and information provided, the Sponsor had four feeding sites operating during the review period. The **Bruce Recreation Center** at-risk site was selected as the sample. Additionally, monitoring documentation was viewed for all operating sites.

Background

CACFP Sponsors utilize meal count sheets to record the number of breakfast, lunch, supper, and supplement meals served. Meals served by participating Sponsors must meet the minimum guidelines set by the United States Department of Agriculture (USDA) and DHS to be eligible for reimbursement. The CACFP Sponsor reports the number of meals served through the DHS Tennessee Information Payment System (TIPS) for reimbursement.

We inspected meal count sheets for our test period and reconciled the meals claimed to the meals reported as served for each meal service. We also assessed compliance with civil rights requirements. In addition, we observed a supper meal service at **Bruce Recreation Center** on December 4, 2018.

Our review of the Sponsor's records for December 2018 disclosed the following:

1. The Sponsor incorrectly reported meal counts

Condition

Based on our review of the claim for reimbursement for December 2018, the Sponsor reported 901 supper meals. However, our review of the Sponsor's documentation showed that 944 supper meals. The Sponsor under reported the number of supper meals by 43. The difference is based on the following:

The Sponsor reported 203 supper meals served at the **Bruce Recreation Center** at-risk site. However, based on our review of available documents, we found there were 246 supper meals served, prior to any meal disallowances.

This is a repeat finding from a previous report dated May 25, 2017.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10(c) states, "... In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim...."

Recommendation

The Sponsor should ensure that claims for reimbursement are completed correctly and based on accurate supporting documents.

2. The Sponsor did not serve a whole grain-rich component once per day as required

Condition

Based on our review of the menus provided, the Sponsor did not document a whole grain component was served once per day as required on December 11, 2018. The menu lists chicken pot pie, cream potato soup, mixed vegetables, mandarin oranges, pie crust and 1% milk. The recipe provided for the chicken pot pie does not denote the pie crust was whole grain-rich. 25 Supper meals were documented as served.

Due to the new CACFP meal pattern requirements and emphasis on providing technical assistance during the implementation process, there were no meals disallowed.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.20(a)(4)(i)(A) states "At least one serving per day, across all eating occasions of bread, cereals, and grains, must be whole grain-rich. Whole grain-rich foods contain at least 50 percent whole grains and the remaining grains in the food are enriched, and must meet the whole grain-rich criteria specified in FNS guidance."

Recommendation

The Sponsor should ensure menus meet the meal patterns established by the USDA.

3. The Sponsor reported the number of attendance days incorrectly

Condition

The claim for reimbursement for December 2018 reported 901 attendance days. However, Based on our review of the Sponsor's documentation, we noted that there were 956 attendance days. The difference is based on the following:

The Sponsor reported 203 participant days for the **Bruce Recreation Center** at-risk site. However, the documents showed that there were 258 participant days.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10(c) states, "...In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim."

Recommendation

The Sponsor should ensure that the attendance is taken accurately and reported based on supporting documentation.

4. The Sponsor did not complete monitoring of its feeding sites as required

Condition

The Sponsor did not meet all monitoring requirements. The following deficiencies were discovered:

Bruce Recreation Center

- According to the monitoring documentation provided, the Sponsor completed monitoring reviews on January 30, 2018 (announced visit), April 24, 2018 (announced visit), September 25, 2018 (unannounced visit), and December 17, 2018 (announced visit). The Sponsor did not complete at least two unannounced reviews.
- The April 24, 2018 monitoring documentation did not have attendance listed for the 5-day reconciliation, therefore we could not determine if the Sponsor completed the reconciliation of the number of participants in attendance.
- The December 17, 2018 monitoring documentation did not have the dates listed for the 5-day reconciliation, therefore we could not determine if the Sponsor completed the reconciliation of meals and attendance.

Newbern Monroe

- According to the monitoring documentation provided, the Sponsor completed monitoring reviews on January 23, 2018 (regular visit), April 27, 2018 (announced visit), September 18, 2018 (unannounced visit), and December 21, 2018 (announced visit). The Sponsor did not complete at least two unannounced reviews.
- The December 21, 2018 monitoring documentation did not have the dates listed for the 5-day reconciliation, therefore we could not determine if the Sponsor completed the reconciliation of meals and attendance.

New Life Union Mission

- The December 10, 2018 monitoring documentation did not have dates listed for the 5-day reconciliation, therefore we could not determine if the Sponsor completed the reconciliation of meals and attendance.

Future City Recreation

- The December 18, 2018 monitoring documentation did not have dates listed for the 5-day reconciliation, therefore we could not determine if the Sponsor completed the reconciliation of meals and attendance.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.16(d)(4)(ii) states, "Reviews must examine the meal counts recorded by the facility for five consecutive days during the current and/or prior claiming period. For each day examined, reviewers must use enrollment and attendance records (except in those outside-school-hours care centers, at-risk afterschool care centers, and emergency shelters where enrollment records are not required) to determine the number of participants in care during each meal service and attempt to reconcile those numbers to the numbers of breakfasts, lunches, suppers, and/or snacks recorded in the facility's meal count for that day..."

Title 7 of the Code of Federal Regulations, Section 226.16(d)(4)(iii) states, "Sponsoring organizations must review each facility three times each year, except as described in paragraph (d)(4)(iv) of this section. In addition: (A) At least two of the three reviews must be unannounced; (B) At least one unannounced review must include observation of a meal service; (C) At least one review must be made during each new facility's first four weeks of Program operations; and (D) Not more than six months may elapse between reviews."

Recommendation

The Sponsor should ensure that the required monitoring is completed in accordance to USDA regulations and the forms are completed in their entirety.

Technical Assistance Provided

Technical assistance was provided regarding menu requirements, compensation policy, year-end inventory and monitoring requirements.

Appeal Procedures

1. Pursuant to 7 CFR §226.6(k)(4), the TN Department of Human Services (TDHS) must provide administrative review procedures to institutions and responsible principals and responsible individuals as follows:

- (a) Annually to all institutions;
- (b) To an institution and to each responsible principal and responsible individual when the State agency takes any action subject to an administrative review as described in 7 CFR §226.6(k)(2); and
- (c) Any other time upon request.

2. Pursuant to 7 CFR 226.6(k)(3) and (k)(9), some administrative actions are not subject to administrative review. Those actions are listed in paragraph 2.(a). Other administrative actions may be administratively appealed. Those actions are listed in paragraph 2.(b) and (c). All institutions and sponsoring agencies may appeal any adverse administrative action listed in paragraph 2.(b) which are taken by the TDHS by requesting a fair hearing to appear in person to refute the action, or by requesting a review of written information in lieu of a fair hearing.

- (a) Pursuant to 7 CFR Part 226.6 (k)(3) TDHS is prohibited from offering administrative reviews of the following actions:
 - (i) FNS decisions on claim deadline exceptions and requests for upward adjustments to a claim.
 - (ii) Determination of serious deficiency.
 - (iii) State agency determination that corrective action is inadequate.
 - (iv) Disqualification and placement on State agency list and National disqualified list.
 - (v) Termination.
 - (vi) State agency or FNS decision regarding removal from the National disqualified list.
 - (vii) State agency's refusal to consider an application submitted by an institution or facility on the National disqualified list.

(b) Pursuant to 7 CFR Part 226.6(k)(9), an abbreviated appeal process is available for the following actions. TDHS must limit the administrative review to a review of written submissions by the TDHS and institutions or sponsoring agencies concerning the accuracy of the State agency's determination if the application was denied, or the State agency proposes to terminate the institution's agreement because:

- (viii) The information submitted on the application was false;
- (ix) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is on the national disqualified list;
- (x) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is ineligible to participate in any other publicly funded program by reason of violation of the requirements of the program;

Revised March 2017

- (xi) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities has been convicted for any activity that indicates a lack of business integrity;

(c) Administrative review is also available if the State agency notifies the institution and responsible principal or responsible individual of the following actions: proposed disqualification of a responsible principal or responsible individual, denial of a budget, denial of a line item within a budget, downward adjustment of the amount approved in a budget, suspension of an institution's participation, denial of start-up or expansion funds, denial of a request for advanced payment, recovery of an advance in excess of a claim, denial of a claim for reimbursement (except for late submission), decision not to forward an exception request for payment of a late claim, overpayment demand, denial of a new or renewing institution's application for participation, denial of sponsored facility application, notice of proposed termination, claim denial, claim deadline exceptions and requests for upward adjustments to a claim, or any other action affecting an institutions participation or claim for payment.

3. All appeal requests must be presented in writing to the TDHS Division of Appeals and Hearings not later than 15 calendar days after the date the institution or sponsoring agency receives the notice of adverse administrative action.

4. The date of an institution's or sponsoring agency's receipt of a notice of suspension and/or proposed termination and disqualification will be governed by the federal regulation at 7 CFR Part 226.2. The notice must specify the action being proposed or taken and the basis for the action, and is considered to be received by the institution or day care home when it is delivered, sent by facsimile, or sent by email. If the notice is undeliverable, it is considered to be received by the institution, responsible principal or responsible individual, or day care home five days after being sent to the addressee's last known mailing address, facsimile number, or email address.

5. The TDHS Division of Appeals and Hearings will acknowledge the receipt of the appeal request within 10 calendar days of the receipt of the institution's or sponsoring agency's request for review. The written request for review should state if a fair hearing is requested or if a review of written information in lieu of a fair hearing is requested. If the appeal request from the institution or sponsoring agency does not specifically request a hearing, a review of written information in lieu of a hearing will occur. If a fair hearing is requested and the institution or sponsoring agency's representative fails to appear, the right to a personal appearance is waived.

6. If an institution or sponsoring agency does not request a fair hearing or a review of written information in lieu of the hearing within 15 calendar days from the date the institution or sponsoring agency receives a Notice of Proposed Termination, the TDHS will issue a letter advising the institution or sponsoring agency that it is terminated from the CACFP effective on the 16th calendar day following the institution's or sponsoring agency's receipt of the notice, and that the responsible principals and individuals of the institution or sponsoring agency are disqualified from participation.

7. To be considered for a fair hearing or for a review of written information in lieu of a fair

hearing, all written documents must be submitted to the TDHS Division of Appeals and Hearings not later than 30 days after receipt of the notice of adverse administrative action.

8. The action of the TDHS must remain in effect during the administrative review. The effect of this requirement on particular actions by TDHS is as follows:
 - (i) *Overpayment demand.* During the period of the administrative review, TDHS is prohibited from taking action to collect or offset the overpayment. However TDHS must assess interest beginning with the initial demand for remittance of the overpayment and continuing through the period of administrative review unless the administrative review official overturns the TDHS's action.
 - (ii) *Recovery of advances.* During the administrative review, TDHS must continue its efforts to recover advances in excess of the claim for reimbursement for the applicable period. The recovery may be through a demand for full repayment or an adjustment of subsequent payments.
 - (iii) *Program payments.* The availability of Program payments during an administrative review of the denial of a new institution's application, denial of a renewing institution's application, proposed termination of a participating institution's agreement, and suspension of an institution are addressed in paragraphs (c)(1)(iii)(D), (c)(2)(iii)(D), (c)(3)(iii)(D), (c)(5)(i)(D), and (c)(5)(ii)(E), respectively, of 7 CFR §226.6.
9. The institution or sponsoring agency must refute the charges contained in the notice during the fair hearing or in the written information that is provided in lieu of the hearing.
10. The institution and the responsible principals and responsible individuals may retain legal counsel, or may be represented by another person.
11. If a fair hearing is requested, the institution or sponsoring agency will be notified in writing of the time, date and place of the fair hearing at least 10 calendar days in advance.
12. Any information which supports an adverse administrative action taken by the TDHS shall be available to the institution or sponsoring agency for inspection from the date of the receipt of the request for a fair hearing or a review of written information in lieu of the hearing.
13. In accordance with 7 CFR Part 226.6 (k)(8), the TDHS Division of Appeals and Hearings must conduct the administrative review of the proposed disqualification of the responsible principals and responsible individuals as part of the administrative review of the application denial, proposed termination, and/or proposed disqualification of the institution with which the responsible principals or responsible individuals are associated. However, at the administrative review official's discretion, separate administrative reviews may be held if the institution does not request an administrative review or if either the institution or the responsible principal or responsible individual demonstrates that their interests conflict.
14. The procedures contained in the Uniform Administrative Procedures Act found at TCA 4-5-301 et seq. shall be followed in rendering a decision on all appeals. The decision of the hearing officer is the final administrative determination to be afforded to the institution or sponsoring agency, and shall be rendered in a timely manner not to exceed 60 calendar days from the date of the receipt of the request for a fair hearing.
15. The processing limits for administrative appeals MUST be met. In the event a continuance is requested by a party, one continuance may be granted at the Hearing Official's discretion. This

Appeal Procedures for Child and Adult Care Food Program-Institutions
Revised March 2017

continuance shall not be for a period longer than ten (10) calendar days unless there are exceptional circumstances. Exceptional circumstances must be detailed in the order of continuance and the order must contain a date certain for the hearing, to be set as soon as possible. A report of pending CACFP desk review and fair hearing requests will be generated and reviewed daily by the Clerk's Office and the Legal Director for Appeals and Hearings who will monitor the dates for timeliness. In the event a decision has not been rendered within forty-five (45) calendar days of the date of receipt of the request for fair hearing or desk review, the Legal Director for Appeals and Hearings or their back-up shall notify the hearing official to take appropriate action.

16. All requests for a fair hearing or for a review of written information in lieu of a hearing must be submitted to:

Tennessee Department of Human Services
Division of Appeals and Hearings
PO Box 198996, Clerk's Office
Nashville, TN 37219-8996
Fax: (615) 248-7013 or (866) 355-6136
E-mail: AppealsClerksOffice.DHS@tn.gov

17. If a termination action is upheld by the hearing officer, the TDHS will issue a letter to the institution or sponsoring agency and its responsible principals and individuals advising that the termination and disqualification are effective on the date of the ruling issued by the hearing officer. The agency maintains searchable records of all administrative reviews and their dispositions for a period of five (5) years.

18. As required by 7 CFR Part 226.6 (c)(7), each disqualified institution, sponsoring agency, principal and individual will be placed on the National Disqualified List maintained by the U.S. Department of Agriculture (USDA). Once included on the National Disqualified List, an institution, sponsoring agency, principal and individual shall remain on the list until such time as the USDA, in consultation with the TDHS, determines that the serious deficiencies that led to their placement on the list have been corrected, or until seven years have elapsed since they were disqualified from participation. However, if the institution, sponsoring agency, principal or individual has failed to repay debts owed under the program, they will remain on the list until the debt has been paid.
