COMMISSIONER

Jason Prater, Chairman of the Board
Heritage Preschool
121 North Illinois Avenue
Oak Ridge, Tennessee 37830-6830

Dear Mr. Prater,

The Department of Human Services (DHS) - Division of Audit Services staff conducted an unannounced on-site monitoring review of the Child and Adult Care Food Program (CACFP) at Heritage Preschool (Sponsor), Application Agreement number 00-310, on March 26, 2019. The purpose of this review was to determine if the Sponsor complied with the *Title 7 of the Code of Federal Regulations* (CFR) applicable parts, provider agreement, and applicable Federal and State regulations.

Background

CACFP Sponsors utilize meal count sheets to record the number of breakfast, lunch, supper, and supplement meals served. Meals served by participating Sponsors must meet the minimum guidelines set by the United States Department of Agriculture (USDA) and DHS to be eligible for reimbursement. The CACFP Sponsor reports the number of meals served through the DHS Tennessee Information Payment System (TIPS) for reimbursement.

We inspected meal counts sheets for our test period and reconciled the meals claimed to the meals reported as served for each meal service. We also assessed compliance with civil rights requirements. In addition, we observed a lunch meal service on February 19, 2019.

Our review of the Sponsor's records for February 2019 disclosed the following:

- 1. The Sponsor reported the number of participants in the free, reduced-price, and paid categories incorrectly**

Condition

Based on our review of the Claim for Reimbursement for February 2019, we noted that the Sponsor reported 12 participants in the free category, 15 participants in the reduced-price category, and 56 participants in the paid category. However, based on our review of the

records available, we noted that there were 11 participants in the free category, 14 participants in the reduced-price category, and 62 participants in the paid category. The Sponsor did not document how participants were classified individually, and we did not rely on the incorrect classifications reported on the attendance sheets provided.

The differences were based on the following:

- There was one (1) participant reported in the free category based on income eligibility that did not meet the income eligible requirements for the free category. The participant was income eligible for the reduced-price category and was reclassified as reduced-price.
- There was one (1) participant classified in the reduced-price category that did not meet the income eligible requirements. This participant was reclassified as paid.
- The number of participants was overreported in the reduced-price category by one (1) participant underreported in the paid category by five (5) participants.

There were 83 participants reported on the Claim for Reimbursement. However, based on our review of the Sponsor's records, we noted that there were 87 participants enrolled in the program.

As a result, the Sponsor overreported the number of participants in the free category by one (1) participant, and the reduced-price category by one (1) participant, and underreported the number of paid participants by six (6) participants. (See Exhibit)

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10(c) states, "... In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim ..."

Title 7 of the Code of Federal Regulations, Section 226.17(b)(8) states, in part, "Child care centers shall collect and maintain documentation of the enrollment of each child, including information used to determine eligibility for free and reduced price meals in accordance with §226.23(e)(1). ..."

Recommendation

The Sponsor should maintain all information used to determine eligibility, and ensure that each participant is classified and reported accurately based on categorical or income eligibility.

2. The Sponsor reported meal counts incorrectly

Condition

Based on our review of the Claim for Reimbursement for February 2019, the Sponsor reported 1,174 breakfast meals, 1,398 lunch meals, and 1,398 supplements served. However, based on our review of the available documents, we noted that there were 1,164 breakfast meals, 1,403 lunch meals, and 1,403 supplements documented, prior to any meal disallowances.

The Sponsor provided documentation for meal counts that was not consistent. One set of

documents had meal counts totaled by day and separated by classroom and the second set of meal counts was daily meal count totals separated by age group. Based on our review of the documents provided, we noted that the meal counts agree with the total number of meals determined by the Sponsor on the meal count sheets separated by age group, however, the number of daily meals counts reported by the Sponsor contained errors.

As a result, ten (10) breakfast meals were overreported, and five (5) lunch meals and five (5) supplements were underreported. (See Exhibit)

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10(c) states, "... In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim...."

Recommendation

The Sponsor should ensure that claims for reimbursement are completed correctly and based on accurate supporting documents.

3. The Sponsor provided a menu that did not meet the USDA meal pattern requirements

Condition

Based on our review of the menus provided by the Sponsor for February 2019, the menu for February 18, 2019 was not in accordance with the USDA meal pattern requirements. The menu listed veggie straws and apple juice for supplement. Veggie straws are not a creditable component; therefore, no second component was documented as served.

As a result, 58 supplements claimed for reimbursement were disallowed. (See Exhibit)

Criteria

Title 7 of the Code of Federal Regulations, Section 226.17(b)(4) states, "Each child care center participating in the Program shall claim only the meal types specified in its approved application in accordance with the meal pattern requirements specified in §226.20 ..."

Title 7 of the Code of Federal Regulations, Section 226.20(c)(3) states, "Serve two of the following five components: Fluid milk, meat and meat alternates, vegetables, fruits, and grains. Fruit juice, vegetable juice, and milk may comprise only one component of the snack...."

Recommendation

The Sponsor should ensure that all meals prepared meet the meal patterns established by the USDA, and menus should be reviewed to ensure they contain all required meal components to be eligible as a reimbursable meal

4. The Sponsor provided individual infant menus that did not meet the USDA meal pattern requirements

Condition

During our on-site monitoring visit on March 26, 2019, we requested menus and supporting documentation for meals claimed for reimbursement during the review period. The Sponsor reported meals were provided for five (5) infants in care at the center. The infant menus that were provided did not show that the meals meet the USDA meal pattern requirements.

As a result, 77 breakfast meals, 78 lunch meals, and 78 supplements claimed for reimbursement were disallowed. (See Exhibit)

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10(b)(4) states, "Each child care center participating in the Program shall claim only the meal types specified in its approved application in accordance with the meal pattern requirements specified in §226.20.... Menus and any other nutritional records required by the State agency shall be maintained to document compliance with such requirements."

Title 7 of the Code of Federal Regulations, Section 226.20(b)(1) states, "Foods in reimbursable meals served to infants ages birth through 11 months must be of a texture and a consistency that are appropriate for the age and development of the infant being fed. Foods must also be served during a span of time consistent with the infant's eating habits."

Title 7 of the Code of Federal Regulations, Section 226.20(b)(4)(i) details meals for birth through 5 months, "(A) Breakfast. Four to 6 fluid ounces of breastmilk or iron-fortified infant formula, or portions of both. (B) Lunch or supper. Four to 6 fluid ounces of breastmilk or iron-fortified infant formula, or portions of both. (C) Snack. Four to 6 fluid ounces of breastmilk or iron-fortified infant formula, or portions of both."

Title 7 of the Code of Federal Regulations, Section 226.20(b)(4)(ii) details meals 6 through 11 months, "Breastmilk or iron-fortified formula, or portions of both, is required. Meals are reimbursable when institutions and facilities provide all the components in the meal pattern that the infant is developmentally ready to accept. (A) Breakfast, lunch, or supper. Six to 8 fluid ounces of breastmilk or iron-fortified infant formula, or portions of both; and 0 to 4 tablespoons of iron-fortified dry infant cereal, meat, fish, poultry, whole egg, cooked dry beans, or cooked dry peas; or 0 to 2 ounces (weight) of cheese; or 0 to 4 ounces (volume) of cottage cheese; or 0 to 8 ounces of yogurt; and 0 to 2 tablespoons of vegetable, fruit, or portions of both. Fruit juices and vegetable juices must not be served. (B) Snack. Two to 4 fluid ounces of breastmilk or iron-fortified infant formula; and 0 to ½ slice bread; or 0-2 crackers; or 0-4 tablespoons infant cereal or ready-to-eat cereals; and 0 to 2 tablespoons of vegetable or fruit, or portions of both. Fruit juices and vegetable juices must not be served. A serving of grains must be whole grain-rich, enriched meal, or enriched flour."

The USDA Monitoring Handbook for State Agencies, page 24, states "Daily records of menus must contain a listing of the food items served in each meal type to ensure that the CACFP meal pattern requirements were met...."

The USDA policy memorandum, CACFP 17-2017 Documenting Meals in the Child and Adult Care Food Program, states, "CACFP centers and day care homes are required to demonstrate that they are serving meals that meet the meal pattern requirements. Centers and day care homes must keep records of menus...."

Recommendation

The Sponsor should maintain documents of all infant foods served for each infant to demonstrate compliance with meal pattern guidelines for reimbursable meals.

5. The Sponsor did not document a whole grain-rich component was served once per day as required

Condition

Based on our review of the menus provided, we noted that the Sponsor did not document a whole grain-rich component was served once per day as required on menus during the review period

Due to the updated CACFP meal patterns requirements and emphasis on providing technical assistance during the implementation process, there were no meals disallowed.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.20(a)(4)(a)(b) states “At least one serving per day, across all eating occasions of bread, cereals, and grains, must be whole grain-rich. Whole grain-rich foods contain at least 50 percent whole grains and the remaining grains in the food are enriched, and must meet the whole grain-rich criteria specified in FNS guidance.”

Title 7 of the Code of Federal Regulations, Section 226.14(b) states, “In the event that the State agency finds that an institution which prepares its own meals is failing to meet the meal requirements of §226.20, the State agency need not disallow payment or collect an overpayment arising out of such failure if the institution takes such other action as, in the opinion of the State agency, will have a corrective effect.”

Recommendation

The Sponsor should ensure menus meet the meal patterns established by the USDA.

6. The Sponsor provided menus that contained grain-based desserts as a component

Condition

Based on our review of the menus provided by the Sponsor for February 2019, the menus provided did not meet the USDA meal pattern requirements. The menus provided for supplements listed grain-based desserts, “Nutri grain bar” and “Vanilla wafers”. The menus provided had deficiencies as follows:

Date	Menu	Supplements
2/20/19	Nutri grain bar, apple juice	64
2/26/19	Apple sauce w/vanilla wafers, apple juice	67

Due to the updated CACFP meal patterns requirements and emphasis on providing technical assistance during the implementation process, there were no meals disallowed.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.20(a)(4)(iii) states, "Grain-based desserts do not count towards meeting the grains requirement."

Title 7 of the Code of Federal Regulations, Section 226.14(b) states, "In the event that the State agency finds that an institution which prepares its own meals is failing to meet the meal requirements of §226.20, the State agency need not disallow payment or collect an overpayment arising out of such failure if the institution takes such other action as, in the opinion of the State agency, will have a corrective effect."

Condition

The Sponsor should ensure menus meet the meal patterns established by the USDA.

Note: Our observation of the lunch meal service on February 19, 2019, revealed no significant deficiencies.

Technical Assistance Provided

During our monitoring visit on February 19, 2019, the Sponsor requested technical assistance regarding meal patterns and menu requirements. We provided technical assistance on-site.

During our monitoring visit on March 28, 2019, the Sponsor requested technical assistance regarding income eligible forms and infant menus. We provided technical assistance on-site and additional information regarding infant menus was provided via email on March 28, 2019.

Disallowed Meals Cost

Based on the review, we determined that the Sponsor's noncompliance with the applicable Federal and State regulations that govern the CACFP resulted in a total disallowed cost of \$428.82.

Corrective Action

The Sponsor must complete the following actions within 30 days from the date of this report:

- (a) Annually to all institutions;
- (b) To an institution and to each responsible principal and responsible individual when the State agency takes any action subject to an administrative review as described in 7 CFR §226.6(k)(2); and
- (c) Any other time upon request.

2. Pursuant to 7 CFR 226.6(k)(3) and (k)(9), some administrative actions are not subject to administrative review. Those actions are listed in paragraph 2.(a). Other administrative actions may be administratively appealed. Those actions are listed in paragraph 2.(b) and (c). All institutions and sponsoring agencies may appeal any adverse administrative action listed in paragraph 2.(b) which are taken by the TDHS by requesting a fair hearing to appear in person to refute the action, or by requesting a review of written information in lieu of a fair hearing.

(a) Pursuant to 7 CFR Part 226.6 (k)(3) TDHS is prohibited from offering administrative reviews of the following actions:

- (i) FNS decisions on claim deadline exceptions and requests for upward adjustments to a claim.
- (ii) Determination of serious deficiency.
- (iii) State agency determination that corrective action is inadequate.
- (iv) Disqualification and placement on State agency list and National disqualified list.
- (v) Termination.
- (vi) State agency or FNS decision regarding removal from the National disqualified list.
- (vii) State agency's refusal to consider an application submitted by an institution or facility on the National disqualified list.

(b) Pursuant to 7 CFR Part 226.6(k)(9), an abbreviated appeal process is available for the following actions. TDHS must limit the administrative review to a review of written submissions by the TDHS and institutions or sponsoring agencies concerning the accuracy of the State agency's determination if the application was denied, or the State agency proposes to terminate the institution's agreement because:

- (viii) The information submitted on the application was false;
- (ix) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is on the national disqualified list;
- (x) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is ineligible to participate in any other publicly funded program by reason of violation of the requirements of the program;

- (xi) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities has been convicted for any activity that indicates a lack of business integrity;

3. All appeal requests must be presented in writing to the TDHS Division of Appeals and Hearings not later than 15 calendar days after the date the institution or sponsoring agency receives the notice of adverse administrative action.

4. The date of an institution's or sponsoring agency's receipt of a notice of suspension and/or proposed termination and disqualification will be governed by the federal regulation at 7 CFR Part 226.2. The notice must specify the action being proposed or taken and the basis for the action, and is considered to be received by the institution or day care home when it is delivered, sent by facsimile, or sent by email. If the notice is undeliverable, it is considered to be received by the institution, responsible principal or responsible individual, or day care home five days after being sent to the addressee's last known mailing address, facsimile number, or email address.

5. The TDHS Division of Appeals and Hearings will acknowledge the receipt of the appeal request within 10 calendar days of the receipt of the institution's or sponsoring agency's request for review. The written request for review should state if a fair hearing is requested or if a review of written information in lieu of a fair hearing is requested. If the appeal request from the institution or sponsoring agency does not specifically request a hearing, a review of written information in lieu of a hearing will occur. If a fair hearing is requested and the institution or sponsoring agency's representative fails to appear, the right to a personal appearance is waived.

6. If an institution or sponsoring agency does not request a fair hearing or a review of written information in lieu of the hearing within 15 calendar days from the date the institution or sponsoring agency receives a Notice of Proposed Termination, the TDHS will issue a letter advising the institution or sponsoring agency that it is terminated from the CACFP effective on the 16th calendar day following the institution's or sponsoring agency's receipt of the notice, and that the responsible principals and individuals of the institution or sponsoring agency are disqualified from participation.

7. To be considered for a fair hearing or for a review of written information in lieu of a fair

hearing, all written documents must be submitted to the TDHS Division of Appeals and Hearings not later than 30 days after receipt of the notice of adverse administrative action.

8. The action of the TDHS must remain in effect during the administrative review. The effect of this requirement on particular actions by TDHS is as follows:

(i) *Overpayment demand.* During the period of the administrative review, TDHS is prohibited from taking action to collect or offset the overpayment. However TDHS must assess interest beginning with the initial demand for remittance of the overpayment and continuing through the period of administrative review unless the administrative review official overturns the TDHS's action.

(ii) *Recovery of advances.* During the administrative review, TDHS must continue its efforts to recover advances in excess of the claim for reimbursement for the applicable period. The recovery may be through a demand for full repayment or an adjustment of subsequent payments.

(iii) *Program payments.* The availability of Program payments during an administrative review of the denial of a new institution's application, denial of a renewing institution's application, proposed termination of a participating institution's agreement, and suspension of an institution are addressed in paragraphs (c)(1)(iii)(D), (c)(2)(iii)(D), (c)(3)(iii)(D), (c)(5)(i)(D), and (c)(5)(ii)(E), respectively, of 7 CFR §226.6.

9. The institution or sponsoring agency must refute the charges contained in the notice during the fair hearing or in the written information that is provided in lieu of the hearing.

10. The institution and the responsible principals and responsible individuals may retain legal counsel, or may be represented by another person.

11. If a fair hearing is requested, the institution or sponsoring agency will be notified in writing of the time, date and place of the fair hearing at least 10 calendar days in advance.

12. Any information which supports an adverse administrative action taken by the TDHS shall be available to the institution or sponsoring agency for inspection from the date of the receipt of the request for a fair hearing or a review of written information in lieu of the hearing.

13. In accordance with 7 CFR Part 226.6 (k)(8), the TDHS Division of Appeals and Hearings must conduct the administrative review of the proposed disqualification of the responsible principals and responsible individuals as part of the administrative review of the application denial, proposed termination, and/or proposed disqualification of the institution with which the responsible principals or responsible individuals are associated. However, at the administrative review official's discretion, separate administrative reviews may be held if the institution does not request an administrative review or if either the institution or the responsible principal or responsible individual demonstrates that their interests conflict.

14. The procedures contained in the Uniform Administrative Procedures Act found at TCA 4-5-301 et seq. shall be followed in rendering a decision on all appeals. The decision of the hearing officer is the final administrative determination to be afforded to the institution or sponsoring agency, and shall be rendered in a timely manner not to exceed 60 calendar days from the date of the receipt of the request for a fair hearing.

15. The processing limits for administrative appeals MUST be met. In the event a continuance is requested by a party, one continuance may be granted at the Hearing Official's discretion. This

Exceptional circumstances must be detailed in the order of continuance and the order must contain a date certain for the hearing, to be set as soon as possible. A report of pending CACFP desk review and fair hearing requests will be generated and reviewed daily by the Clerk's Office and the Legal Director for Appeals and Hearings who will monitor the dates for timeliness. In the event a decision has not been rendered within forty-five (45) calendar days of the date of receipt of the request for fair hearing or desk review, the Legal Director for Appeals and Hearings or their back-up shall notify the hearing official to take appropriate action.

16. All requests for a fair hearing or for a review of written information in lieu of a hearing must be submitted to:

17. If a termination action is upheld by the hearing officer, the TDHS will issue a letter to the institution or sponsoring agency and its responsible principals and individuals advising that the termination and disqualification are effective on the date of the ruling issued by the hearing officer. The agency maintains searchable records of all administrative reviews and their dispositions for a period of five (5) years.

18. As required by 7 CFR Part 226.6 (c)(7), each disqualified institution, sponsoring agency, principal and individual will be placed on the National Disqualified List maintained by the U.S. Department of Agriculture (USDA). Once included on the National Disqualified List, an institution, sponsoring agency, principal and individual shall remain on the list until such time as the USDA, in consultation with the TDHS, determines that the serious deficiencies that led to their placement on the list have been corrected, or until seven years have elapsed since they were disqualified from participation. However, if the institution, sponsoring agency, principal or individual has failed to repay debts owed under the program, they will remain on the list until the debt has been paid.
