RE: Notice Termination and Disqualification for the Child and Adult Care Food Program (CACFP) Agreement Number 00-460 and Demand for Overpayment.

Dear Mr. and Ms. Smith:

This letter serves as notice that the Tennessee Department of Human Services ("Department") is terminating the Child and Adult Care Food Program ("CACFP") agreement with Premier Kids Enrichment Center, Harry Smith, Owner and Danielle Smith, Executive Director (collectively, "Institution"). The grounds for this action are the Institution's failure to correct the serious deficiencies with the Institution's CACFP and the Institution's failure to return the over-payment money due to the Department. The authorization for this action is found in Paragraph 1.e. of your FY 2016 CACFP Provider Agreement and in the United States Department of Agriculture ("USDA") Food and Nutrition Service ("FNS") regulations at 7 C.F.R. § 226.6(c)(3).

The action in this letter is based on the Institution's failure to provide the over-payment money due to the Department and the Institution's failure to provide a Corrective Action Plan that meets the requirements contained on Page 4 of Memo Code CACFP 14-2012 dated May 1, 2012. On September 22, 2017, the Department of Human Services ("Department") sent you a Notice of Serious Deficiency. The notice outlined the following:

- Premier Kids Enrichment Center did not have all records available for the test month
- The number of participants reported in the free and paid categories was incorrect
- The Sponsor reported incorrect meal counts
- There were menus that did not meet USDA meal pattern requirements
- The Sponsor could not verify the quantities of milk that were purchased
- The Sponsor did not maintain infant menus or infant meal counts

- The Sponsor did not have a menu posted for the meal observed
- A meal observed did not meet USDA component requirements
- The Sponsor's documented number of meals served exceeded the verified attendance
- There were participants that did not have a CACFP enrollment addendum form
- The Sponsor did not provide documentation for the required annual CACFP training
- The Sponsor did not have working thermometers in the refrigerators
- The Sponsor did not have an adequate financial management system to ensure program accountability and he did not provide all records that we requested
- The Sponsor did not have a written compensation policy
- The Sponsor did not have adequate procurement standards

This failure resulted in the Department determining that the Institution and the responsible individuals are seriously deficient in their operation of the CACFP and owe an over-payment to the Department in the amount of **\$22,030.87**, as set forth in the monitoring review.

The responsible individual was asked to complete corrective action. However, the Institution and responsible individuals failed to complete an adequate Corrective Action Plan (CAP). Accordingly, the Department determined that the Institution and the Executive Director and the Board Chair have failed to fully and permanently correct the serious deficiency cited in the Serious Deficiency Notice.

As a result of the Institution's failure to submit an adequate Corrective Action Plan, a Notice of Proposed Termination and Disqualification was issued August 1, 2017. The Institution did not appeal the Notice of Proposed Termination. As a result, the Institution's CACFP Provider Agreement is formally terminated as of the date of this letter and Premier Kids Enrichment Center, Harry Smith, Owner and Danielle Smith, Executive Director are disqualified from future CACFP participation as required by the CACFP regulations at 7 C.F.R. § 226.6 (c)(3)(iii)(E).

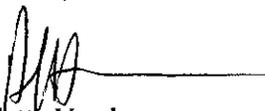

Institutions and individuals remain on the NDL until USDA's Food and Nutrition Service, in consultation with the Department, determines that the serious deficiencies have been corrected, or until seven years after their disqualification. However, if any debt relating to the serious deficiencies has not been repaid, they will remain on the NDL until the debt and any accrued interest is repaid. In accordance with 7 C.F.R. § 226.14(a), in part, the State agency must assess interest beginning February 20, 2017. For information about applied interest rates please visit the following website:

The authorization for this action is found in Paragraph 1.e. of your FY 2016 CACFP Provider Agreement and in the United States Department of Agriculture ("USDA") Food and Nutrition Service ("FNS") regulations at 7 C.F.R. § 226.6(c)(3).
